Tepper,2011-06-15 In the late 1990s Angels in America Tony Kushner s epic play about homosexuality and AIDS in the Reagan era toured the country inspiring protests in a handful of cities while others received it warmly Why do people fight over some works of art but not others Not Here Not Now Not That examines a wide range of controversies over films books paintings sculptures clothing music and television in dozens of cities across the country to find out what turns personal offense into public protest What Steven J Tepper discovers is that these protests are always deeply rooted in local concerns Furthermore they are essential to the process of working out our differences in a civil society To explore the local nature of public protests in detail Tepper analyzes cases in seventy one cities including an in depth look at Atlanta in the late 1990s finding that debates there over memorials public artworks books and parades served as a way for Atlantans to develop a vision of the future at a time of rapid growth and change Eschewing simplistic narratives that reduce public protests to political maneuvering Not Here Not Now Not That at last provides the social context necessary to fully understand this fascinating phenomenon      **Queer Words, Queer Images** Ronald Jeffrey Ringer,1994-01-01 In many arenas the debate is raging over the nature of sexual orientation Queer Words Queer Images addresses this debate but with a difference arguing that homosexuality has become an issue precisely because of the way in which we discuss debate and communicate about the concept and experience of homosexuality The debate over homosexuality is fundamentally an issue of communication as we can see by the recent controversy over gays in the military This controversy termed by one gay man as the annoying habit of heterosexual men to overestimate their own attractiveness

has been debated in communication sensitive terms such as morale and discipline The twenty chapters address such subjects as gay political language homosexuality and AIDS on prime time television the politics of male homosexuality in young adult fiction the identification of female athleticism with lesbianism the politics of identity in the works of Edmund White and coming out strategies This is must reading for students of communication practices and theory and for everyone interested in human sexuality Contributing to the book are James Chesebro Indiana State James Darsey Ohio State Joseph A Devito Hunter College CUNY Timothy Edgar Purdue Mary Anne Fitzpatrick Wisconsin Madison Karen A Foss Humboldt State Kirk Fuoss St Lawrence Larry Gross Pennsylvania Darlene Hantzis Indiana State Fred E Jandt California State San Bernardino Mercilee Jenkins San Francisco State Valerie Lehr St Lawrence Lynn C Miller Texas Austin Marguerite Moritz Colorado Boulder Fred L Myrick Spring Hill Emile Netzhammer Buffalo State Elenie Opffer Dorothy S Painter Ohio State Karen Peper Michigan Nicholas F Radel Furman R Jeffrey Ringer St Cloud State Scott Shamp Georgia Paul Siegel Gallaudet Jacqueline Taylor Depaul Julia T Wood North Carolina Chapel Hill

**Adolescent Female Portraits in the American Novel 1961-1981** Jane S. Bakerman, Mary Jean DeMarr, 2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author's initial research revealed that a twenty year span was a manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women's sexuality was discussed more forthrightly and some topics such as single women's pregnancies and lesbianism were treated more overtly sometimes less judgementally
