Snow, 2012-03-29 Every year in the United States almost two million children run away from home In addition on the average the police in our country have at any one time over 100 000 active missing adult cases This book will show readers how with just a little advance preparation and insight they can greatly increase their chances of finding a missing loved one even after police have stopped actively looking With sensationalized child disappearances teenagers vanishing and adults faking their own deaths the challenge of finding missing persons often falls most directly on those who love them And though in past years this involved a considerable amount of footwork that is no longer the case With the advent of the Internet and the many new search engines available much of the searching and canvassing can now be done from computers Family members and friends looking for missing loved ones need to know what programs and databases to access though to get the search under way Snow reveals to readers the process the police use when trying to locate missing people of interest information that readers can then use to locate their own missing loved ones Using real stories and first hand accounts the author offers hope and guidance to those who may have given up the search for a child a spouse a parent or a friend **Pretty Consort: Prince, Don't Run away** Shui Guoxiaotianxin, 2020-03-22 She was a famous modern detective who had died in murder and had coincidentally transmigrated to the ugly woman of the ancient Prime Minister's Palace He had thought that he would be able to survive in the ancient times but in the end he was betrothed to King Jing King Jing This happy enemy King Jing Her teeth itched with hate You want to eat and stay with her None at all **Youth's Companion**, 1912 *American pigeon journal*, 1929 *My Neighbor Is a Pigeon Spy* Hugo Bainbridge, Prepare yourself for a whirlwind of feathers fur and frankly unbelievable situations This is not your average suburban drama Oh no my friends this is something far far more ridiculous We begin our tale with Martha a woman whose life is as ordinary as a beige cardigan until a talking pigeon named Agent P bursts onto the scene Agent P it turns out is a spy a remarkably charming if slightly bossy spy with a penchant for cryptic messages delivered via strategically placed post it notes He needs Martha's help you see to thwart a sinister plot involving birdseed birdseed I tell you And not just any birdseed We're talking top shelf gourmet millet the kind that only the most discerning avian operative would demand Together they'll navigate a world of shadowy organizations led by surprisingly well organized squirrels double crossing doves and a never ending supply of increasingly absurd situations Will Martha uncover the truth Will Agent P ever receive his preferred brand of birdseed Will anyone ever truly understand what's going on Frankly I'm not even sure But one thing's for certain you're in for one heck of a ride Buckle up buttercup It's going to be a bumpy one And possibly a bit feathery *Rootabaga Country* Carl Sandburg, 1929 *Runaway Hollywood* Daniel Steinhart, 2019-02-12 After World War II as cultural and industry changes were reshaping Hollywood movie studios shifted some production activities overseas capitalizing on frozen foreign earnings cheap labor and appealing locations Hollywood unions called the
