Divination Dayanara Blue Star,2015-02-15 Runes are an ancient method of divination that still remain popular and useful today Many people find them intriguing because of their unique history and specific means of divination Unlike fortune telling runes are used to delve into a person s subconscious and explore their true desires They can be a wonderful aid in meditational practice gaining self awareness or just getting some more perspective on various situations in your life To people unfamiliar with divination tools it may seem like some kind of spooky magic trick witchcraft or even something demonic None of those descriptions are accurate and actually runes encourage a person to explore their own mind and gain

self introspection Initially part of an ancient Germanic alphabet Runes have existed for hundreds of years Versions of runes have been found in many different cultures all across the world with stones created in a multitude of alphabets and designs Simply put runes are an old relic that has survived the test of time and is still proven useful today The stones are a simple oracle which one can use to stimulate the thinking process When the stones are cast they aren't always entirely specific meaning it is up to you to consider what they are telling you and how it relates to what you were asking This often opens that pathway for critical thinking solving problems and reducing stress

[The Healing Runes](#) Ralph H. Blum, Susan Loughan, 1995-09-15 Blum and Loughan have set out to fill a gigantic void in the healing field and they have created healing interpretations for all the Runes By using the classic Rune symbols and following the age old Rune reading methods they created a tool with 25 aspects for the emotional psychological and physical healing of people in times of crisis
