me teach you how to become a leader and take control of your business To this day I love going out to the barn every morning for work It wasn't like that the first couple of years Learning to become a barn owner and business person takes time and sometimes a few years I will share all that we have learned over the years with our business This book will educate and inspire you and I hope to help you in your day to day life of running your barn We made many mistakes in the beginning and it was because we didn't go to anyone for advice I tried to find the answers in books but was not able to Let me help you start off with the tools you need to become a successful business person in the equine industry It is a great life when I step into my office and hear nickers every morning It can be a great life for you too
