## **Running For Women:**

*The Complete Book Of Running For Women* Claire Kowalchik, 1999-03-01 More women than ever are discovering the unique benefits of running for stress relief, weight management, endurance, and self-esteem. Women's bodies are not the same as men's, and though we can train just as hard and with the same passion for excellence, we have certain special concerns. Finally, there is a comprehensive guide exclusively for women who experience the pure joy of running or want to. It's the simplest, fastest, most accessible way to fitness and good health known to women. You don't need a partner, equipment, or even much time. Now Claire Kowalchik, former managing editor of *Runner's World* magazine, answers every question about the overwhelmingly popular activity that builds endurance, melts fat, and even prevents illness. In this total running book for women, you'll learn how to get started and stay motivated, what to eat for optimal nutrition, how to run during pregnancy and after menopause, why running is the most effective form of exercise, how to prevent and treat injury, what to wear from sports bras to running shoes, how to prepare for everything from a 5K to a marathon. Authoritative and friendly, *The Complete Book of Running for Women* is a sourcebook for both beginners and long-time runners. Along with wisdom drawn from the author's personal experience, you'll find advice from the experts: coaches, exercise physiologists, nutritionists, doctors, and other women runners. Including question and answer sections and a complete list of resources, *The Complete Book of Running for Women* tells you everything you need to know to be off and running toward better health and richer living.

**Runner's World Complete Book of Women's Running** Dagny Scott Barrios, Editors of *Runner's World* Maga, 2007-10-30 *Runner's World Complete Book of Women's Running* is designed specifically to address the unique challenges and rewards the sport presents to the fastest growing segment of the market: women runners. More than 10 million women across the country now identify themselves as regular runners. In response to the dramatic increase in the number of women in the sport, Dagny Scott Barrios and the experts at *Runner's World* have created this singular guide where women will discover how to train for any race from a 5K to a marathon, eat nutritiously, and for maximum energy, lose weight permanently, deal with self-consciousness and body image, run during pregnancy and through menopause, choose the best clothes and accessories, run anywhere safely, prevent and treat injuries, especially those that women are most likely to encounter. With clear photographs, running sidebars, and testimonials from women runners of all ages and abilities, this comprehensive resource provides the most current practical advice available anywhere for women runners of all levels.
