Running Repairs Paula Coates,2013-06-30 *Running Repairs* is a handbook for everyone who runs from those training for a one off charity event through those who run to keep fit to experienced club runners who regularly race A recent *Runner s World* magazine survey revealed that over 80 per cent of runners have experienced an injury and that avoiding injury or recovering from injury is the main worry for nearly every runner This will be the first book to specifically address these concerns Written by an experienced physiotherapist and recreational marathon runner *Running Repairs* is written in two parts Part one covers a series of strengthening and flexibility exercises designed to be incorporated within any running schedule designed to help prevent injury in the first place Part two covers the most common running injuries and how to manage them A series of flowcharts helps the reader to diagnose the most likely cause of any ache and pain and recommends a plan of action to aid recovery from rest and ice to referral to a physiotherapist The book also covers basic biomechanics so that runners can understand their running style and identify the specific injuries that are associated with that style plus nutritional advice for recovering from injury The book will be an essential reference for all runners allowing them to treat any injuries immediately and in many cases saving considerable amounts of money on unnecessary physiotherapy appointments the author estimates that about 50% of injuries that runners visit her practice with could be treated effectively by the patient and that the vast majority of injuries could be avoided with appropriate exercises being incorporated as part of training

Real Women Run Sandra Faulkner,2018-01-17 *Real Women Run* is an innovative feminist ethnography that consists of a series of linked essays and presentations about women who run at the intersections of queer feminist and running identities Faulkner uses feminist grounded theory poetic inquiry and qualitative content analysis to examine women s embodied stories of running how they run how running fits into the context of their lives and relationships how they enact or challenge cultural scripts of women s

activities and normative running bodies and what running means for their lives and identities During a two and a half year ethnography with women who run Faulkner engaged in an intersectional qualitative content analysis of websites and blogs targeted to women runners a grounded theory poetic analysis of 41 interviews with women who run and participant observation at road races Real Women Run speaks to the call for a more physical feminism This ethnography sees women s physical and mental strength developed through running as a way to embrace the contradictions between a deconstructed focus on the mind body split and the focus on individuals actual material bodies and their everyday interactions with their bodies and through their bodies with the world around them

emphasizes running form over footwear and commercialism *Run for Your Life* Deborah Reber,2005-09 We all know that running is good for the mind body and soul But for the woman who has never run farther than a bus stop running can seem daunting even painful The good thing is that running is free and you can do it anywhere All you need are your own two feet and a little support In the pages of *Run for Your Life* Deborah Reber gives you everything you need to know to get moving how to get started what it will feel like what to wear and most importantly how to stick with it *Run, It Might Be Somebody* Ephraim Romesberg,2005-10-24 Book Summary of *Run It Might Be Somebody* By Ephraim Romesberg The book covers a span of over 70 years starting with the author as a shy sickly boy who was the last of 11 children living on a farm during the great depression and ends with the author as a 74 year old man who still runs ultra distant marathons In the first chapter the author presents stories and anecdotes often in a humorous way to describe some of the joys and hardships of growing up in a large family during the great depression Compared to today life was very different then with no TVs very few radios no computers no running water in the home except in the pantry where there was a hand pump and very few toys or luxuries of any kind Also and perhaps more significantly kids for the most part were given chores and did not have time to get into trouble There were no drugs no gangs and no boredom Being the youngest in the family and somewhat sickly the author was to some extent given some slack on farm chores Even so he had daily chores to do starting from a very early age such as milking cows driving the old model T truck fetching the cows cleaning stables feeding livestock driving a tractor and helping wherever help was needed The book describes the one room school house that all kids in the area attended at that time The authors dad had to quit such a school while in third grade to work on the farm when his father died leaving the family without any money or food His mother completed school through eighth grade which was all that most people considered necessary in those days especially for women So there was little or no pressure from the parents to go to school after that As a result the three oldest boys in the family never went past eighth grade There were other reasons to stay home and the most important one was they had no decent clothing The book tells about the Authors mother removing the white stripes from an old pair of band pants and one of the three boys who never completed high school then removing all the little white threads so that he could wear the pants to school He also had no decent shoes so he added home made soles to the bottoms of a pair of his work shoes by attaching them with roofing nails so that he could make the long four mile walk to the school After several trips the nails poked through the bottoms of the shoes and wore holes in his feet Because of that and the lure of the upcoming hunting season and the need to work on the farm he quit school after only a month or so Except for the three oldest boys all of the kids completed high school and several went on to college The book describes such things as making hay the old fashioned way husking corn by hand hoeing corn and then picking rocks while resting butchering a pig delivering baby pigs and calves threshing to separate the grain from the straw and the authors Mom squirting milk straight from the cows tit at cats and grandkids Also described are how the young boys in the family learned to handle a team of

horses when they were only 10 years old how one of the boys accidentally cut off his little sisters finger how an uncle lost his leg to the stump puller how the author when he was only eight years old tried to explain to a blind preacher how to use the out house and the Sears Roebuck catalog which was used instead of toilet paper Also described and a little more on the lighter side one of the authors sisters claimed that you havent lived until you ran barefoot through a cow pasture and felt the warmth of a fresh cow patty ooze up between your toes The early chapters also describe the authors time in the US Navy where he was sea sick every time the ship left the dock Hunting stories tell of deer hunting with more failures than successes One successful *Run, Rinse, Repeat* Mike Boza,2012-09 Run Rinse Repeat is Coach Mike Boza s story of his 2011 Plant High School cross country team s quest to win a historic state championship and his own preparation for the 2012 ING Miami Marathon The Hall of Fame coach shares his passion for running and valuable insights into training racing and coaching from his thirty years of experience Coach Boza offers thoughtful and often humorous reflections on his running journey The Rough Guide to Running Lloyd Bradley,2007-10-25 The Rough Guide to Running will propel you ahead of the pack with a power brew of reliable guidance and inspirational tips The guide includes the basics from good running technique goal setting and motivation to schedules preparation and how to deal with injuries and strains You ll find the low down from our team of professional runners coaches health experts including a nutritionist and an osteopath as well as the best advise on running shoes clothes accessories and gadgets and where to buy them They re all covered from fun runs and charity runs to clubs competitive racing marathons and best running events around the world Whether you have already notched up many miles or are a beginner taking your first steps in this addictive pastime you need this book **Running: Science and Secrets for Optimal Performance** Pasquale De Marco,2025-08-12 In the realm of running knowledge is the ultimate performance enhancer Running Science and Secrets for Optimal Performance unlocks the door to this world of scientific insights and practical strategies empowering runners of all levels to achieve their full potential This comprehensive guide delves into the intricate biomechanics of running revealing the secrets of efficient stride mechanics energy utilization and injury prevention With this knowledge runners can optimize their training plans minimize the risk of setbacks and maximize their performance The book also explores the depths of the psychology of running providing invaluable insights into motivation goal setting and the art of overcoming mental barriers Runners will learn how to tap into their inner strength cultivate mental toughness and harness the power of visualization to unlock hidden potential and achieve peak performance Running is not without its challenges and this book provides a comprehensive guide to the medical aspects of running including common injuries prevention strategies and the importance of proper nutrition and recovery With this knowledge runners can stay healthy injury free and optimize their training and racing performance The book also caters to the unique needs of different populations providing tailored advice for women men children seniors and individuals with disabilities Whether you re a seasoned runner seeking to elevate your performance or a novice eager to embark on this transformative
