Running The Race Of Faith:

Let's Run! Jennifer Yates, 2018-05-07 Let's Run explores the faith chapter of Hebrews by taking us back to the Old Testament and the stories of some ordinary people who faced enormous challenges but managed to stay in the race. This Bible study will give you not only a look at their lives but also an opportunity to apply the same principles of faith to your own life to keep you in the race and running toward the prize. Let's Run is a 6 week Bible study which includes weekend devotions to recap the principles learned each week as well as ideas for group study. Join Jennifer and be inspired to lace up and get back in the race.

Race of Faith Debbie Hayes, 2021-06-04 I meditate on my life when I used to work out and practice for Cross Country and Track. We must get physically and mentally ready for the race to run. I look at our spiritual life; we are still running a race. But we are running a race for Eternity life. Whether we believe it or not, our Christian journey is life a race. I want people to know that we did not come here to stay on earth. We are running a race to live holy so we can see Jesus. I look at the dark time that we live in. I believe people need to be told we must prepare ourselves just like I prepared myself to run for cross country and track. We must prepare ourselves to see Jesus. That means we must spend some time with God in prayer; we must study his word and we must fast and pray. We can do our part of this with the help of the Holy Spirit.

Running the Race One Day at a Time Boris Jeremenko, 2020-05-29 Boris Jeremenko vaguely remembers April 10, 1951, the day his ship arrived in New York Harbor from a refugee camp in Atmunt, Austria. After his parents announced that the family had docked in America, six-year-old Boris traveled with his twin sister and parents to Fort Wayne, Indiana, to begin a new life. In a fascinating memoir accompanied by historical photographs, Boris leads others into his memories of days gone by as he reflects on his inspiring journey through life filled with highs and lows and his unwavering faith in Jesus Christ. While sharing childhood challenges that included initial language barriers as a kindergartener and his father's alcoholism, Boris also offers a glimpse into happy moments like riding in his beloved go-kart, attending Boy Scout camp, and operating a ham radio. As he reveals how his journey eventually led him to marry, have children, and begin a career in law enforcement that would ultimately take him into the political arena, Boris reminds all of us of the power of perseverance, prayer, and a belief in God's plan. *Running the Race One Day at a Time* is the true story of an Austrian immigrant's life experiences after he journeyed to America with his family to begin a new chapter.

Within this book, you will find direction and encouragement for how to trust God in every year, every day, and every minute. You are loved by God. And specific attitudes and habits will build your faith and connect you to God's love. Learn how the seemingly mundane choices can be the most important for your good and God's glory.

Joy Phagoo Meloney, 2022-08-01 What I am writing about I wrote this book to share on the life of my father Pastor Zam initially But as I started writing I realized that the Holy Spirit was gently guiding me to share some of the ways he lived a victorious Christian life according to the word of God Growing up in church all my life I have witnessed many believers getting converted but are never transformed and changed to reflect the victorious life of their savior Jesus Christ I believe there are a lot of reasons for this the wrong teaching and dispensation of the Word of God the believers lack of knowledge in the word of God and who it says that He is and what it says they already possess I have seen many believers being dispossessed by the enemy by deception and manipulation The enemy manipulated the word of God in the Garden of Eden to deceive Eve And man has been used by him to manipulate the word of God since then When believers are unsure of their identity in Christ and choose to entertain the voice of the enemy they become easily deceived and are dispossessed of their dominion authority and spiritual connection from that point onward When we do not know that we can experience the manifest presence of God every day and benefit from the comfort and conversation of the Holy Spirit daily then the enemy has already robbed and dispossessed us of our covenant blessing in Christ In Mark 9 23 Jesus said unto him If thou canst believe all things are possible to Him that believeth We need to go back to that faith and belief in the word like Jesus spoke about here I wrote this book to unbelievers to give them an insight on what they can have access to in Christ The peace the contentment fulfillment power deliverance healing and wisdom is available to them if they accept Christ as savior and Lord of their life I wrote this book to challenge the elect to know the message be the witness of that message walk in the light and to continuously stay in that place where truth and the Spirit of Truth will prevail in your life Why is this book unique and why does it fill a market need Many people in this world even church going Bible toting Christians live in a state of defeat and lack in their life Lack in finances lack in wisdom lack of time lack of faith lack of proper guidance etc Yet God promised us the abundant life if we only believe John 10 10 tell us that The thief cometh not but for to steal and to kill and to destroy I am come that they might have life and that they might have it more abundantly If you have loss or lack then it is safe to say a

thief has entered and stolen from you wouldn't you agree This is the reason I wrote this book so the eyes of your understanding be opened to the lies and cunning devices of the enemy This book will help you to identify the areas that the enemy has stolen from you today Areas like your health finances peace etc It will show you how to take them back by faith in God Hosea 4:6 says that My people are destroyed for lack of knowledge because thou has rejected knowledge I will also reject thee that thou shalt be no priest to me seeing thou hast forgotten the law of thy God I will also forget thy children

Running The Race To Win DARREN T. CARTER, 2012-04-18

Running The Race To Win is a book about developing a deeper understanding of discipleship and developing a deeper relationship with Christ It does not matter if you are a businessperson schoolteacher nurse athlete computer technician student etc you are called to be a disciple and to make disciples The contemporary church has many times neglected the original command laid down by Christ Himself and for this reason discipleship seems to be a radical message However for the church to fulfill its mission we must once again return to this radical call The word radical comes from the Latin word radix meaning the root of things Radical discipleship is simply a call to return to biblical foundations Biblical foundations are at the root of discipleship since a disciple is one who has been instructed in the foundational teachings of Christ
