Rural China Takes Off:

Rural China Takes Off Jean C. Oi, 1999-05-17 A distinctive and important contribution Thomas P Bernstein author of *Up to the Mountains and Down to the Villages* *Rural China Takes Off* Jean C. Oi, 1999-05-17 In this incisive analysis of one of the most spectacular economic breakthroughs in the Deng era Jean C Oi shows how and why Chinese rural based industry has become the fastest growing economic sector not just in China but in the world Oi argues that decollectivization and fiscal decentralization provided party officials of the localities counties townships and villages with the incentives to act as entrepreneurs and to promote rural industrialization in many areas of the Chinese countryside As a result the corporatism practiced by local officials has become effective enough to challenge the centrality of the national state Dealing not only with the political setting of rural industrial development Oi s original and strongly argued study also makes a broader contribution to conceptualizations of corporatism in political theory Oi writes provocatively about property rights and principal agent relationships and shows the complex financial incentives that underpin and strengthen the growth in local state corporatism and shape its evolution This book will be essential for those interested in Chinese politics comparative politics and communist and post communist systems **Bird in a Cage** Stanley B. Lubman, 1999 This book analyzes the principal legal institutions that have emerged in China and considers implications for U S policy of the limits on China s ability to develop meaningful legal institutions *Dynamics of Local Governance in China During the Reform Era* Tse-Kang Leng, Yun-han Chu, 2010-01-01 Since the Chinese economic reform was realized in the early 1990s a significant revolution has been launched socially economically and politically in China At present China is an indispensable actor in the international arena so that the transitions domestically bring about substantial influence on the whole world *Dynamics of Local Governance in China during the Reform* takes close look at China s current transformation and its broader implications Through their thought provoking essays the contributors to this volume dissect China s transformation by examining various topics in the field of contemporary China studies such as rural industrialization development of civic society socio economic transformation and local self governance **The Transformation of Rural China** Jonathan Unger, 2002 Here Professor Unger presents a vivid picture of life in rural areas during the Maoist revolution and then after the post Mao disbandment of the collectives A story of unexpected continuities amidst great change Unger describes how rural administrations retain Maoist characteristics **The Transformation of Governance in Rural China** An Chen, 2015 Explores the economic social and financial changes that have transformed China s rural governance over the past twenty years *Local Government and Politics in China* Yang Zhong, 2015-02-18 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local

government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more

To Get Rich Is Glorious Jacques deLisle,Avery Goldstein,2019-09-24 In 1978 China launched economic reforms that have resulted in one of history s most dramatic national transformations The reforms removed bureaucratic obstacles to economic growth and tapped China s immense reserves of labor and entrepreneurial talent to unleash unparalleled economic growth in the country In the four decades since China has become the world s second largest economy after the United States and a leading force in international trade and investment As the contributors to this volume show China also faces daunting challenges in sustaining growth continuing its economic transformation addressing the adverse consequences of economic success and dealing with mounting suspicion from the United States and other trade and investment partners China also confronts risks stemming from the project to expand its influence across the globe through infrastructure investments and other projects under the Belt and Road Initiative At the same time China s current leader Xi Jinping appears determined to make his own lasting mark on the country and on China s use of its economic clout to shape the world around it

The Politics of Rural Reform in China Christian Göbel,2010-06-10 Based on a treasure trove of information collected through fieldwork interviews and painstaking documentary research through the Chinese and Western language presses this book analyzes one of the most important reforms implemented in China over the past decade the rural tax and fee reform also known as the Third Revolution in the Countryside The aim of the tax was to improve social stability in rural China which has become increasingly shaken by peasant protests many of them large scale and violent By examining the gap between the intentions of the reform and the eventual outcomes G bel provides new insights into the nature of intergovernmental relations in China and highlights the ways in which the relationship between the state and the rural populace has fundamentally changed forever The Politics of Rural Reform in China will appeal to students and scholars of Chinese politics governance and development studies

Rural China Jie Fan,Thomas Heberer,Wolfgang Taubmann,2015-05-15 This book reports the findings of two field studies conducted between 1993 and 2001 in seven townships and six provinces in China The authors describe the process of rural urbanization and its related economic social and political changes by focusing mainly on the zhen town in addition to administrative offices and companies involved in the local economy and village committees The authors show that the social changes resulting from China s economic reforms are occurring mainly from below and that this process is also resulting in a weakening of the economic and political dominance of the central government Other changes discussed in this study include

the development of new ownership structures and the increasing dominance of the private sector a shift in the functions of administrative offices as the bureaucracy becomes increasingly business oriented the rise of a new local elite a rebirth of traditional social structures clans local associations and the emergence of new interest groups and institutions to represent their needs *Urbanization and Social Welfare in China* Gordon G. Liu, 2018-01-18 China's urban population growth rate has doubled in the past 20 years and the Chinese government has made further urbanization a developmental priority How Chinese cities cope with such rapid population increases has become a question of critical concern This book provides an analysis of the welfare implications of China's urbanization the development of the labour market including migration between rural and urban sectors and natural and social environmental issues arising from urbanization The book covers both academic and policy perspectives and together with its sister volume *Urban Transformation in China* brings together a comprehensive and multi disciplinary overview of China's urbanization *China Briefing* Jay D White, William A. Joseph, 2016-09-16 The chapters in this latest edition of *China Briefing* reflect broadly on China's transformation in the twentieth century The authors not only examine developments in China over the 1997-1999 period but also place these events in a wider historical perspective by addressing the following questions Where has China traveled over the course of the century To what extent has it been transformed and how What are the enduring themes or points of continuity even during a century of great change and transformation And what are China's prospects for the future **Grassroots Elections in China** Kevin J. O'Brien, Suisheng Zhao, 2014-07-22 Twenty years after the launch of village elections the time is ripe to assess the progress and impact of China's most notable political reform Where have elections been conducted well and where have they been conducted poorly How have procedures changed over the years and have elections truly transformed how power is exercised in the countryside What methods are researchers employing to study elections and how have scholars from different disciplines contributed to our knowledge of grassroots politics in China This book carefully examines the implementation and effects of China's village township and people's congress elections both in terms of democratizing the polity and spurring other changes in state society relations The chapters in this book have been published across several issues of the *Journal of Contemporary China* *Modern China* Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics

regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views **Elite Politics in Contemporary China**

Joseph Fewsmith,2015-04-15 A discussion of elite politics in contemporary China While a great deal of the text is descriptive much of the emphasis is on drawing out and abstracting the political dynamic at work The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America s postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way **Social**

Protest and Contentious Authoritarianism in China Xi Chen,2012 Xi Chen explores the dramatic rise in and routinization of social protests in China since the early 1990s *The Chinese Communist Party and China's Capitalist Revolution* Lance Gore,2010-11-08 The Chinese Communist Party and China s Capitalist Revolution examines issues of political change and development in China In the last 30 years China has experienced a profound political transformation and a degree of political progress but these are largely mired in the assumption that the free market is inherently incompatible with communism and the perceived lack of political reforms in China Indeed there has not been much in the sense of democratization multi party competition freedom of speech and association but as this book demonstrates political development is not limited to these factors Based on extensive empirical investigations of the impact of the market on the communist party with a particular focus on its grassroots organisations this book finds that the Chinese communist party is undergoing profound changes in a host of important areas By analyzing the impact of China s socioeconomic transformation on the CCP and the adaptations of the Party to the new environment the book takes stock of the nature and dynamics of political change underway in China The author concludes that the Chinese communist party we knew no longer exists it is evolving into something quite different which must have political implications for both China and the rest of the world Professor Lance L P Gore is a political scientist specializing in contemporary Chinese politics at The East Asian Institute National University of Singapore **Rural Politics in Contemporary China** Emily T. Yeh,Kevin O'Brien,Jingzhong Ye,2016-01-22 This collection provides an overview of China s rural politics bringing scholarship on agrarian politics from various social science disciplines together in one place The twelve contributions spanning history anthropology sociology environmental studies political science and geography address enduring questions in peasant studies including the

relationship between states and peasants taxation social movements rural urban linkages land rights and struggles gender relations and environmental politics Taking rural politics as the power inflected processes and struggles that shape access and control over resources in the countryside as well as the values ideologies and discourses that shape those processes the volume brings research on China into conversation with the traditions and concerns of peasant studies scholarship It provides both an introduction to those unfamiliar with Chinese politics as well as in depth new research for experts in the field This book was published as a special issue of the Journal of Peasant Studies

Historical Dictionary of the Chinese Economy Lawrence R. Sullivan, 2017-11-08 The Historical Dictionary of the Chinese Economy covers the world's second largest macro economy Extensive attention throughout the volume is given to the historical development of the Chinese economy since the establishment of the People's Republic of China PRC in 1949 Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953 1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978 1979 through 2016 This book contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on critical sectors of the economy including automobiles banking and finance national currency economic regulation trade and investment and important industries such as agriculture computers and electronics iron and steel real estate and shipping This book is an excellent resource for students researchers and anyone wanting to know more about China's economy

How Far Across the River? Nicholas Hope, Dennis Yang, Mu Li, 2003-08-13 Gradual change has been a hallmark of the Chinese reform experience and China's success in its sequential approach makes it unique among the former command economies Since 1979 with the inception of the continuing era of reform the Chinese economy has flourished Growth has averaged nine percent a year and China is now a trillion dollar economy China has become a major trading power and the predominant target among developing countries for foreign direct investment Despite all this China remains poor and the reform process unfinished This book takes its defining theme from Deng Xiaoping's famous metaphor for gradual reform feeling the stones to cross the river How far has China progressed in fording the river The experts who contributed to this volume tackle many aspects of that question assessing Chinese progress in policy reform priorities for further reform and the research still needed to inform policymakers decisions

The book delves into Rural China Takes Off. Rural China Takes Off is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Rural China Takes Off, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Rural China Takes Off
- Chapter 2: Essential Elements of Rural China Takes Off
- Chapter 3: Rural China Takes Off in Everyday Life
- Chapter 4: Rural China Takes Off in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Rural China Takes Off. The first chapter will explore what Rural China Takes Off is, why Rural China Takes Off is vital, and how to effectively learn about Rural China Takes Off.
3. In chapter 2, this book will delve into the foundational concepts of Rural China Takes Off. The second chapter will elucidate the essential principles that need to be understood to grasp Rural China Takes Off in its entirety.
4. In chapter 3, this book will examine the practical applications of Rural China Takes Off in daily life. The third chapter will showcase real-world examples of how Rural China Takes Off can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Rural China Takes Off in specific contexts. This chapter will explore how Rural China Takes Off is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Rural China Takes Off. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Rural China Takes Off.

Rural China Takes Off Introduction

Rural China Takes Off Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rural China Takes Off Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rural China Takes Off : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rural China Takes Off : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rural China Takes Off Offers a diverse range of free eBooks across various genres. Rural China Takes Off Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rural China Takes Off Provides a large selection of free eBooks in different

genres, which are available for download in various formats, including PDF. Finding specific Rural China Takes Off, especially related to Rural China Takes Off, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rural China Takes Off, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rural China Takes Off books or magazines might include. Look for these in online stores or libraries. Remember that while Rural China Takes Off, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rural China Takes Off eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rural China Takes Off full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rural China Takes Off eBooks, including some popular titles.

FAQs About Rural China Takes Off Books

What is a Rural China Takes Off PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rural China Takes Off PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rural China Takes Off PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rural China Takes Off PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rural China Takes Off PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties"

-> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
