Rural Route Reflections:

Rural Route Reflections Kathleen S. Abrams,1981 Route 4, Box 358 Dudgrick Bevins,2018-10-26 In this debut full length collection of poetry by Dudgrick Bevins the poet s memories of his youth become your own Bevins has crafted not only a tale of personal history but a kind of archetypal roadmap through rural Appalachia where he mines the terrain of his past for remnants of beauty forged among the smothering haze of misty mountaintops Family religion and sexuality intertwine like vines of kudzu strangling old growth trees **Hearings** United States. Year 1935 United States. Congress. Senate. Committee on Appropriations,1934 *African Development Perspectives: A Holistic Reflection* T A Ngwana,2024-01-05 Africa remains a continent that is yet to achieve its full potentials despite an abundance of resources and a rich cultural pedigree There have been various attempts to dissect the impediments to the continent s progress in its march towards development and true independence Consequently this book moves away from mere identification of challenges to proffering solutions The ideas put forward about African development in this book draw from a multiplicity of backgrounds They are also offered through the prism of the lived experiences of contributors who are keen on engendering an African solution that weaves global dynamics into Africa s cultural context and did not shy away

from identifying themselves as global citizens from Africa The compelling read is a critical appraisal of germane issues in Africa s quest for development which speaks truth to both the powerful and the powerless within and beyond Africa on why prioritising Africa s development is as pressing as the Global climate catastrophe *AB Bookman's Weekly* ,1994

His Masters Reflection Andrew Edwards,Suzanne Edwards,2018-10-10 Qualifying as a doctor in 1815 at the tender age of nineteen John Polidori was employed less than a year later by the poet Lord Byron as his travelling physician The precocious medic was seemingly destined for a bright future that would enable him to combine his profession with a love of literature In His Masters Reflection the authors follow Polidoris footsteps as he accompanies Byron through Europe to Switzerland where they eventually meet the Shelleys and Claire Clairmont Fulfilling his fathers prophecy the fateful summer will prove to have a devastating impact on Polidoris life and legacy Byrons keen wit and elevated status would leave the sensitive doctor feeling isolated and undervalued Fuelled by acerbic comments from the poets friends Byron finally releases Polidori from his contract leaving the penniless medic to wander over the Alps on foot to Italy his fathers homeland Despite attempts at establishing himself as a doctor to the expatriate community he has to admit defeat and return to England Still harbouring literary ambitions his one chance at fame is cruelly denied when The Vampyre the story he had written in Geneva is attributed to Byron Gossip and retelling of events have cast Polidori in the role of a petulant plagiarist Concussion from a riding accident deeply affected Polidoris temperament and behaviour leaving questions surrounding his death which history has recorded as suicide by prussic acid despite the coroners verdict of visitation by God The authors delve into his final years in an attempt to redress the balance The handsome Polidori was more than just his masters reflection *The Buckley-Little Catalogue* ,1986 **Hearings** United States.
