Yearbook of International Organizations Union of International Associations, 2001 *Haematologica* (Rome, Italy) , 1999

Yearbook of International Organizations 2005/2006 , 2005-06 For the Yearbook of International Organizations the most up to date and comprehensive reference to international organizations the UIA has selected the most important 31 086 organizations from its extensive database of current and previous organizations Yearbook provides profiles of 5 546 intergovernmental and 25 540 international non governmental organizations active in nearly 300 countries and territories in the world today Organization descriptions listed in Volume 1 are numbered sequentially to facilitate quick and easy cross referencing from the other Yearbook Volumes Users can refer to Volumes 2 and 3 to locate organizations by region or subject respectively and comprehensive indexes are included Naturally the high standards of accuracy consistency and detail set by previous editions of the Yearbook of International Organizations have been maintained for this edition *Annuaire Des Organisations Internationales* , **Sustainable Rural Tourism in Montenegro** Sveto Živković, 2018 *Significance of the Sustainable Development of Rural Tourism in the Republic of Serbia* Drago Cvijanović, 2017 The Republic of Serbia has all the necessary resources for the development of rural tourism but it is insufficiently developed According to the categorisation of the Organization for Economic Cooperation and Development OECD 85% of the Republic of Serbia's territory is rural However in accordance with the results of the Census of Agriculture in 2012 less than 1% of the total number of agricultural holdings is engaged in rural tourism This paper's goal is to highlight the significance of rural tourism development in the Republic of Serbia based on the sustainability principles The sustainable development of rural tourism is part of the integral rural development and it implies sustainable development from ecological economic and social point of view The sustainable development of rural tourism has a key significance for rural development and the decrease in local depopulation of rural areas in the Republic of Serbia The authors consider as necessary to adopt the Strategy of Rural Tourism Sustainable Development as well as to define the method of management of sustainable development of rural tourism in the Republic of Serbia **Financial Instruments of the European Union for the Development of Tourism In Rural Areas of Serbia** Marko Gasic, 2016 The changes that occur on a global level create favourable circumstances for the development of selective forms of tourism including rural tourism which is gaining all the more important place The Republic of Serbia has significant natural and anthropogenic resources bearing in mind that 80% of its territory consists of rural areas where 55% of the total population lives The main reason for the poor exploitation of these benefits is the lack of financial resources Strong financial support from the state is essential for the development of this form of tourism which most contributes to the diversification of the rural economy and the development of multifunctional agriculture In addition the accession of Serbia to the European Union is crucial That is in every stage before and after the EU accession Serbia can use various EU funds and be a partner in numerous projects The purpose of this study is to analyse the current level of

development of rural tourism in Serbia and the European Union and highlight the importance of EU funds in the financing of tourism projects that is to show which funds are available to Serbia before and which after its accession to this regional community

Gastronomy for Tourism Development Almir Peštek, Marko Kukanja, Sanda Renko, 2020-08-26 Gastronomy for Tourism Development provides readers with insight into the political reasons all countries in the region pay little attention to the common gastronomic heritage It challenges the issues faced by those within the industry addressing the potential for the region to become a sustainable and attractive European food destination *India and Serbia, and Montenegro Re-engagement* Charan D. Wadhwa, Vatroslav Vekarić, 2005 Contributed articles predominantly on the Serbia Montenegro and India foreign relations
