

# Rush Hour Of The Gods New Religions

**Peter B Clarke, Peter B. Clarke**

## **Rush Hour Of The Gods New Religions:**

**Legitimizing New Religions** James R. Lewis, 2003 James R. Lewis has written the first book to deal explicitly with the issue of how emerging religions legitimate themselves. He contends that a new religion has at least four different though overlapping areas where legitimacy is a concern: making converts, maintaining followers, shaping public opinion, and appeasing government authorities. The legitimacy that new religions seek in the public realm is primarily that of social acceptance. Mainstream society's acknowledgement of a religion as legitimate means recognizing its status as a genuine religion and thus recognizing its right to exist. Through a series of wide-ranging case studies, Lewis explores the diversification of legitimation strategies of new religions as well as the tactics that their critics use to delegitimize such groups. Cases include the Movement for Spiritual Inner Awareness, Native American prophet religions, spiritualism, the Church of Christ, Scientist, Scientology, Church of Satan, Heaven's Gate, Unitarianism, Hindu reform movements, and Soka Gakkai, a new Buddhist sect. Since many of the issues raised with respect to newer religions can be extended to the legitimation strategies deployed by established religions, this book sheds an intriguing new light on classic questions about the origin of all religions.

**New Religions** Eugene V. Gallagher, Lydia Willsky-Ciollo, 2021-02-15 A valuable resource for students and general audiences, this book provides a unique global perspective on the history, beliefs, and practices of emergent faith communities, new religious traditions, and religious movements worldwide from the 19th century to the present. *New Religions: Emerging Faiths and Religious Cultures in the Modern World* provides insightful global perspectives on the emergent faith communities and new traditions and movements of the last two centuries. Readers will gain access to the information necessary to explore the significance, complexities, and challenges that modern religious traditions have faced throughout their history and that continue to impact society today. The work identifies the themes and issues that have often brought new religions into conflict with the larger societies of which they are a part. Coverage includes new religious groups that emerged in America, such as the Seventh-day Adventists, the Latter-day Saints, and the Jehovah's Witnesses; alternative communities around the globe that emerged from the major Western and Eastern traditions, such as Aum Shinrikyo and Al Qaeda; and marginalized groups that came to a sudden end, such as the Peoples Temple, Heaven's Gate, and the Branch Davidians. The entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities.

**Japanese New Religions in the West** Peter B. Clarke, Jeffrey Somers, 2013-10-18 An excellent and very timely update on an area seeing many recent developments. *A World Full of Gods* John Michael Greer, 2023-05-30 An investigation into the underpinnings and superstructures of the Pagan world view. Pagan religions have tended to be more concerned with practice than with theory, and in a system that has no dogma, no legislated doctrine, that is as it should be. Yet as the movement grows and matures, it is inevitable that we will begin to think in a more abstract way about our models and systems. John Michael Greer has provided a primer on the kinds of

ideas and themes that must be included in any discussion of the theology and philosophy of Neo pagan religions Much of the book takes shape in a dialogue with existing ideas in theology philosophy and comparative religion It looks to find a middle ground between too much and too little reference to the work of other scholars to find a comprehensible yet intellectually rigorous middle ground It aims to be part of a conversation that stretches out over the centuries Voices of polytheist spirituality have had little place in that conversation for many years but much of value has been said in their absence The rebirth of polytheism as a living religious tradition in the Western world will inevitably force a reassessment of much of that heritage and pose challenges to some of its most cherished assumptions Yet reassessment is not necessarily rejection and the traditions of modern polytheism are deeply enough indebted to legacies from the past that an attentive ear to earlier phases of the conversation is not out of place

Regulating Religion James T. Richardson, 2012-12-06 Regulating Religion Case Studies from Around the Globe presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them As such this analysis falls within the broad area of the sociology of social control and more specifically legal social control a topic of great interest when studying how contemporary societies attempt to maintain social order The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe Asia Oceania and the Americas This book will be of interest to researchers and students in the sociology of religion the sociology of law social policy and religious studies as well as policy makers

**Japanese New Religions in Global Perspective** Peter B Clarke, Peter B. Clarke, 2013-11-05 Since the 1960s virtually every part of the world has seen the arrival and establishment of Japanese new religious movements a process that has followed quickly on the heels of the most active period of Japanese economic expansion overseas This book examines the nature and extent of this religious expansion outside Japan

Invented Religions Carole M. Cusack, 2016-05-06 Utilizing contemporary scholarship on secularization individualism and consumer capitalism this book explores religious movements founded in the West which are intentionally fictional Discordianism the Church of All Worlds the Church of the SubGenius and Jediism Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet This book deals with immensely popular subject matter Jediism developed from George Lucas Star Wars films the Church of the Flying Spaghetti Monster founded by 26 year old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students The Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late post modern religious forms including the use of fiction as part of a

bricolage for spirituality identity formation and personal orientation      Religious Pluralism Giuseppe Giordan, Enzo Pace, 2014-07-08 This volume illustrates both theoretically and empirically the differences between religious diversity and religious pluralism It highlights how the factual situation of cultural and religious diversity may lead to individual social and political choices of organized and recognized pluralism In the process both individual and collective identities are redefined incessantly moving along the continuum that ranges from exclusion to inclusion The book starts by first detailing general issues related to religious pluralism It makes the case for keeping the empirical the normative the regulatory and the interactive dimensions of religious pluralism analytically distinct while recognizing that in practice they often overlap It also underlines the importance of seeking connections between religious pluralism and other pluralisms Next the book explores how religious diversity can operate to contribute to legal pluralism and examines the different types of church state relations eradication monopoly oligopoly and pluralism The second half of the book features case studies that provide a more specific look at the general issues from ways to map and assess the religious diversity of a whole country to a comparison between Belgian French views of religious and philosophical diversity from religious pluralism in Italy to the shifting approach to ethnic and religious diversity in America and from a sociological and historical perspective of religious plurality in Japan to an exploration of Brazilian religions old and new The transition from religious diversity to religious pluralism is one of the most important challenges that will reshape the role of religion in contemporary society This book provides readers with insights that will help them better understand and interpret this unprecedented transition      New Religions As Global Cultures Irving Hexham, Karla Poewe, 2018-02-12 Although the Great Anti Cult Crusade links new religious movements to dangerous cults brainwashing and the need for deprogramming Karla Poewe and Irving Hexham argue that many cults are the product of a dynamic interaction between folk religions and the teachings of traditional world religions Drawing on examples from Africa the United States Asia and Europe they suggest that few new religions are really new Most draw on rich if localized cultural traditions that are shaped anew by the influence of technological change and international linkages With the widespread loss of belief in biblical mythology in the nineteenth century new mythologies based on science and elements derived from various non Western religious traditions emerged leading to the growth and popularity of new religions and cults      **New Religions in Global Perspective** Peter Bernard Clarke, 2006 This volume provides a complete guide to the global impact and cultural significance of new religious movements      *Value Politics in Japan and Europe* François Foret, Airo Hino, 2021-12-24 This book explains the increasing importance of value politics in Europe and Japan shedding light on various arenas social values parties elections and politics public action private sector and law identity politics and religion media and public spheres It analyses how against different but commensurable backgrounds the rise of value politics alters or not the political game for which purposes and with which effects Applying both qualitative and quantitative methods from a wide range of primary and secondary sources the comparison is organized by joining skills from

experts of Japan and Europe and by systematizing a common analytical framework for the two cases As such it presents a revealing and unique analysis of the changing relationship between values and political behaviour in the two polities Beyond the comparison it also documents the opportunities and challenges underlying the interactions between Europe Japan and the rest of the world and the competition combination between different versions of modernity This book is of key interest to scholars and students of European studies and politics Asian politics studies Japanese studies politics and more broadly to comparative politics sociology cultural media studies and economics

*Democracy and the New Religious Pluralism* Thomas Banchoff, 2007-06-07 Religious pluralism is everywhere in today's politics Increased immigration flows the collapse of communism and the globalization of communications technologies have all fostered a wider variety of religious beliefs practices and organizations within and across democratic societies This is true in both the United States and Europe where growing and diverse minority communities are transforming the political landscape As a result controversies over such things as headscarves and depictions of Mohammed are unsettling a largely secular Europe while a Christian majority in the US faces familiar questions about church state relations amidst unprecedented religious diversity Far from receding into the background religious language pervades arguments around established issues such as abortion and capital punishment and new ones such as stem cell research and same sex marriage In *Democracy and the New Religious Pluralism* leading scholars from multiple disciplines explore these dynamics and their implications for democratic theory and practice What are the contours of this new religious pluralism What are its implications for the theory and practice of democracy Does increasing religious pluralism erode the cultural and social foundations of democracy To what extent do different religious communities embrace similar or at least compatible ethical and political commitments By seeking answers to these questions and revealing religious pluralism as both a source of animosity and a potent force for peaceful engagement this book offers a revealing look at the future of religion in democratic societies

**The Oxford Handbook of Religious Diversity** Chad V. Meister, 2011 This substantial volume of thirty three original chapters covers the full range of issues in religious diversity An indispensable guide for scholars and students its essays make novel contributions and are crafted by recognized experts who represent a wide variety of religious and philosophical perspectives and backgrounds

*Marketplace of the Gods* Larry Witham, 2010-05-05 Two centuries after Adam Smith illuminated the workings of the marketplace a new movement among economists and social scientists is expanding his insights into a groundbreaking economics of religion Using cutting edge ideas from the behavioral sciences and a deep knowledge of religious history this new approach is making sense not only of past beliefs but of religion today In *Marketplace of the Gods* award winning journalist Larry Witham tells the inside story of this expanding economic approach to religion the puzzles it tries to solve the controversies it has stirred and the people who are making it happen He shows that the economic approach while evoking images of stock markets or accounting ledgers actually begins with a simple idea about human beings as rational actors judging costs and benefits in life Every life has

limits so human experience is a series of trade offs balancing resources to make choices for the best possible benefits As the economics of religion shows this model can be applied to the rich story of the human race and its gods Beginning with the individual the choices in religion shape households groups movements and entire religious economies of nations On the one hand this mixing of the profane and the sacred the economic and the religious is an exciting exchange of ideas between economics sociology psychology history and theology On the other it has spurred a lively protest Indeed for some the economic approach seems to transform our good angels into grubby consumers As Witham shows however the economic approach to religion has insights for everyone believers and skeptics alike He illuminates this approach in a volume rich with ideas history contemporary events and the insights of some of our sharpest modern day thinkers *The Encyclopedia of Cults, Sects, and New Religions* James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of *The Encyclopedia of Cults Sects and New Religions* is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups **Rational Choice Theory and Religion** Lawrence A. Young, 2016-04-29 Rational Choice Theory and Religion considers one of the major developments in the social scientific paradigms that promises to foster a greater theoretical unity among the disciplines of sociology political science economics and psychology Applying the theory of rational choice the theory that each individual will make her choice to maximize gain and minimize cost to the study of religion Lawrence Young has brought together a group of internationally renowned scholars to examine this important development within the field of religion for the first time **Come Out from among Them, and Be Ye Separate, Saith the Lord** William H. Brackney, Evan L. Colford, 2019-06-21 Believers Churches have their origin in the Radical Reformation of the sixteenth century Over the past 450 years the movement has included the Brethren Mennonites Hutterites various types of Baptists and the Restoration Movement While never a unified denominational structure the Believers Churches together have been characterized by a strong personal faith in Christ a call to discipleship and Christian activism a high view of the authority of Scripture and profession of faith in believers baptism The Believers Churches have represented their beliefs in various ecumenical settings missionary gatherings and theological conversations In the late 1950s representatives of the several Believers Churches began to meet in a series of conferences to explore their common views on doctrine history and ethics

Topics at the conferences have included baptism Lord's Supper the nature of the church and religious voluntarism In 2016 the 17th Believers Church Conference was held at Acadia University and sponsored by Acadia Divinity College The theme was The Tendency Toward Separationism Among the Believers Churches a key recurring characteristic This volume includes the papers presented at the conference and examines the theme from an immediate post Reformation perspective including Baptists Black Baptists Restorationists including the Churches of Christ the Hutterites Pentecostals the role of women and significantly the separationist tendency as it occurs in New Religious Movements Typologies and analyses are provided by leading historians theologians and social science specialists

**On Understanding Japanese Religion** Joseph Mitsuo Kitagawa, 2021-02-09 Joseph Kitagawa one of the founders of the field of history of religions and an eminent scholar of the religions of Japan published his classic book *Religion in Japanese History* in 1966 Since then he has written a number of extremely influential essays that illustrate approaches to the study of Japanese religious phenomena To date these essays have remained scattered in various scholarly journals This book makes available nineteen of these articles important contributions to our understanding of Japan's intricate combination of indigenous Shinto Confucianism Taoism the Yin Yang School Buddhism and folk religion In sections on prehistory the historic development of Japanese religion the Shinto tradition the Buddhist tradition and the modern phase of the Japanese religious tradition the author develops a number of valuable methodological approaches The volume also includes an appendix on Buddhism in America Asserting that the study of Japanese religion is more than an umbrella term covering investigations of separate traditions Professor Kitagawa approaches the subject from an interdisciplinary standpoint Skillfully combining political cultural and social history he depicts a Japan that seems a microcosm of the religious experience of humankind

### **Rush Hour Of The Gods New Religions Introduction**

In today's digital age, the availability of Rush Hour Of The Gods New Religions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rush Hour Of The Gods New Religions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rush Hour Of The Gods New Religions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rush Hour Of The Gods New Religions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rush Hour Of The Gods New Religions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rush Hour Of The Gods New Religions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Rush Hour Of The Gods New Religions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rush Hour Of The Gods New Religions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rush Hour Of The Gods New Religions books and manuals for download and embark on your journey of knowledge?

### FAQs About Rush Hour Of The Gods New Religions Books

**What is a Rush Hour Of The Gods New Religions PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rush Hour Of The Gods New Religions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rush Hour Of The Gods New Religions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rush Hour Of The Gods New Religions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like

Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rush Hour Of The Gods New Religions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
