## **Rushmore Widescreen Edition:**

The Fantastic Mr. Anderson Jennifer Warner, 2013-08-29 Ever since Bottle Rocket charmed its way onto movie screens across the country in 1996 Wes Anderson's unique and creative style of filmmaking has captivated audiences worldwide. Much has been written about his movies but little has been written about the man. This short biography gives you an inside look at the person behind the movies. It also will look briefly at the techniques and style behind each of his movies and provide a bit of trivia along the way. LifeCaps is an imprint of BookCaps Study Guides. With each book a lesser known or sometimes forgotten life is recapped. We publish a wide array of topics from baseball and music to literature and philosophy so check our growing catalogue regularly to see our newest books. Widescreen Mark Cousins, 2008 Collection of short critical essays from 2001 to the present. The Cinema of Wes Anderson Whitney Crothers Dilley, 2017-08-08 Wes Anderson is considered one of the most important directors of the post Baby Boom generation making films such as Rushmore 1998 and The Royal Tenenbaums 2001 in a style so distinctive that his films are often recognizable from a single frame. Through the travelogue The Darjeeling Limited 2007 and the stop motion animation of Fantastic Mr Fox 2009 his films examine issues of gender race and class through dysfunctional family dynamics with particular focus on masculinity and male bonding. Anderson's auteur status is enriched by his fascination with Truffaut and the French New Wave as well as his authorship of every one of his screenplays drawing on influences as diverse as Mark Twain J D Salinger Roald Dahl and Stefan Zweig. Works such as Moonrise Kingdom 2012 and The Grand Budapest Hotel 2014 continue to fascinate with their postmodern hyper nostalgic attention to detail. This book explores the filmic and literary influences that have helped make Anderson a major voice in 21st century indie culture and reveals why Wes Anderson is one of the most inventive filmmakers working in cinema today. **Understanding Audiences and the Film Industry** Roy Stafford, 2019-07-25 Brings together an introduction to academic study of audiences as readers of films and an investigation into how the film industry perceives audiences as part of its industrial practices. The approach draws on ideas from film media and cultural studies to present an insight to what makes the biggest box office films attractive to audiences. **Timeline Of The Planet Of The Apes** Rich Handley, 2008-11 The definitive unauthorized chronology.
