Russia And Japan An Unresolved Dilemma Between Distant Neighbors:

Russia and Japan Tsuyoshi Hasegawa, Jonathan Haslam, Andrew Kuchins, 1993 **Japanese-Russian Relations, 1907-2007** Joseph Ferguson, 2008-04-03 This book presents a comprehensive survey of Japanese Russian relations from the end of the Russo Japanese War until the present Based on extensive original research in Japanese and Russian sources it shows how the hopeful period of the late 1990s when acrimonious relations between the two briefly ceased was not in fact unique *Japanese-Russian Relations Under Gorbachev and Yeltsin* Hiroshi Kimura, 2016-07-08 Why has the stalemate in Japanese Russian relations persisted through the end of the Cold War and Moscow s weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan s strained and unstable relations to the present day **Japan and Russia in Northeast Asia** Vladimir I. Ivanov, Karla S. Smith, 1999-03-30 This collection of essays by leading scholars and diplomats involved with the area examines the key political and economic issues facing Japan Russia and their neighbors since the end of the Cold War The main goal is to analyze recent developments in Moscow Tokyo bilateral relations and their growing interest in closer economic engagement stability and regional cooperation The volume provides readers with an in depth analysis of the very problems and opportunities that compelled the national leaders of Japan and Russia to drastically change the format and contents of the dialogue to address the most critical issues not only of the moment but also for the future The volume is a crucial resource for scholars policy makers and students involved with Asia Pacific economic cooperation and Japanese and Russian foreign policy **Trade and Security** Charles M. Dobbs, 2010-02-19 In a strange way the United States achieved its goal for the Vietnam War but forgot why it was fighting It was not fighting to keep South Vietnam from falling to the communists it was fighting in Indochina to buy time for the other free nations of the region to develop economically and strengthen their respective relationships with their polities In 1961 the region seemed weak economically Japan was on the eve of its great expansion that turned it into the world s second largest economy for many years South Korea and Taiwan still depended on US economic assistance and focused more on the perceived communist threat than improving the quality of life for their peoples Thailand similarly watched the civil war in Laos the Philippines needed to develop stability in government and the Malay peoples moved from Malaya to Malaysia to Malaysia and Singapore all the while warily watching events in Indonesia Trade and Security discusses how the US government sought to rally the region against the Communist threat and in part opened the American economy to exploitation by its East Asian allies and how those Allies used the Cold War and the perceived Chinese threat to gain greater access despite the consequent damage the American economy suffered While US financial officials complained about the increasing damage to the domestic economy and to the worsening balance of trade and balance of payments deficits diplomatic and military leaders remained fixated on the general superpower confrontation with the Soviet Union and the regional competition with the People s Republic of China **The End of the Pacific War** Tsuyoshi Hasegawa, 2007 State of

the art reinterpretations of the reasons for Japan's decision to surrender by distinguished historians of differing national perspectives and differing views

Russia After the Fall Andrew Kuchins, 2013-01-25 Russia's first decade after the collapse of the Soviet Union has been simultaneously tumultuous and transformative. For most of the 1990s the Russian economy was in free fall, the legal system in absentia, and the majority of citizens engaged primarily in survival efforts. Not surprisingly, the former superpower also struggled to adapt to its greatly diminished means and status. *Russia after the Fall* is a collection of essays by internationally renowned experts on Russian politics, economics, society, and foreign and security policy. The volume is comprehensive in its coverage of key topics as well as reflective of contemporary debates on developments in Russia. The essays provide retrospective analyses on how Russia has fared in its reform efforts and a prospective look at the challenges ahead. This book will be of interest to scholars, students, and to a general audience seeking to better understand where Russia has been and where it is going. Contributors include Anders Lund, Carnegie Endowment; Harley Balzer, Georgetown University; Clifford Gaddy, Brookings Institution; James Goldgeier, George Washington University; Rose Gottemoeller, Carnegie Endowment; Thomas E. Graham Jr., Carnegie Endowment; Joel Hellman, World Bank; Stephen Holmes, New York University; Andrew C. Kuchins, Carnegie Endowment; Anatol Lieven, Carnegie Endowment; Michael McFaul, Carnegie Endowment; Martha Brill Olcott, Carnegie Endowment; Dmitri Trenin, Carnegie Moscow Center; and Judyth Twigg, Virginia Commonwealth University. Andrew C. Kuchins is the director of the Russian and Eurasian Program at the Carnegie Endowment, where he specializes in Russian policy and security issues. He is coeditor of *Russia and Japan: An Unresolved Dilemma between Distant Neighbors* (Berkeley: Public Policy Press, 1993).

Painful Choices David A. Welch, 2011-06-27 Under what conditions should we expect states to do things radically differently all of a sudden? In this book, David Welch seeks to answer this question, constructing a theory of foreign policy change inspired by organization theory, cognitive and motivational psychology, and prospect theory. He then tests the theory in a series of comparative case studies in the security and trade domains: Argentina's decision to go to war over the Falklands/Malvinas vs. Japan's endless patience with diplomacy in its conflict with Russia over the Northern Territories; America's decision to commit large-scale military force to Vietnam vs. its ultimate decision to withdraw; and Canada's two abortive flirtations with free trade with the United States in 1911 and 1948 vs. its embrace of free trade in the late 1980s. *Painful Choices* has three main objectives: to determine whether the general theory project in the field of international relations can be redeemed given disappointment with previous attempts to reflect on what this reveals about the possibilities and limits of general theory; and to inform policy. Welch argues that earlier efforts at general theory erred by aiming to explain state behavior, which is an intractable problem. Instead, since inertia is the default expectation in international politics, all we need do is to explain changes in behavior. *Painful Choices* shows that this is a tractable problem with clear implications for intelligence analysts and negotiators.

Unwanted Visionaries Sergey Radchenko, 2014-01-07 Mikhail Gorbachev's relations with the West have captured the imagination of

contemporaries and historians alike but his vision of Soviet leadership in Asia has received far less attention The failure of Gorbachev's Asian initiatives has had dramatic consequences by the late 1980s the Soviet Union was in full retreat from Asia and since the Soviet collapse Russia has been left on the sidelines of the Pacific century In this exceptionally wide ranging and deeply researched book Sergey Radchenko offers an illuminating account of the end of the Cold War in the East tracing the death of Soviet ambitions in Asia Radchenko shows that Gorbachev began with big gestures of which the most important was his initiative in Vladivostok in July 1986 the opening salvo of the Soviet charm offensive in Asia Pacific The problem Radchenko points out was that no one in Asia bought into Gorbachev's vision If the Soviets had realized earlier that they needed Asia more than Asia needed them they might have played a much more important role there Instead China was largely misunderstood early gains in India were squandered Japan was ignored or condescended to and the Korean scenario played out in ways most unfavorable to Russia Radchenko captures all of this in his compelling narrative shedding important new light on many key players including Gorbachev Deng Xiaoping Margaret Thatcher Boris Yeltsin and George H W Bush among others Based on archival research in Russia China Mongolia India the United States Britain and numerous European countries and on interviews with former policy makers in a dozen countries *Unwanted Visionaries* presents a deftly narrated and penetrating portrait of the Soviet failure in the East with a wealth of valuable insight into Asia today

The Last Tsar Tsuyoshi Hasegawa, 2024-12-03 Elegantly written and masterfully researched Robert Service author of *A History of Modern Russia* the definitive story behind the self destruction of the autocratic Romanov dynasty by the world's foremost expert When Tsar Nicholas II fell from power in 1917 Imperial Russia faced a series of overlapping crises from war to social unrest Though Nicholas's life is often described as tragic it was not fate that doomed the Romanovs it was poor leadership and a blinkered faith in autocracy Based on a trove of new archival discoveries *The Last Tsar* narrates how Nicholas's resistance to reform doomed the monarchy Encompassing the captivating personalities of the era it untangles the struggles between the increasingly isolated Nicholas and Alexandra and the factions of scheming nobles ruthless legislators and pragmatic generals who sought to stabilize the restive Russian empire either with the Tsar or without him By rejecting compromise Nicholas undermined his supporters at crucial moments His blunders cleared the way for all out civil war and the eventual rise of the Soviet Union Definitive and engrossing *The Last Tsar* uncovers how Nicholas II stumbled into revolution taking his family the Romanov dynasty and the whole Russian Empire down with him

[The Russia Balance Sheet](#) Anders Åslund, 2009 Introduction why Russia matters and how Russia's historical roots Political development from disorder to recentralization of power Russia's economic revival past recovery future challenges Policy on oil and gas International economic integration trade policy and investment Challenges of demography and health Russian attitudes toward the West Russia as a post imperial power Pressing the reset button on US Russia relations Key facts on Russia 2000 2008

The American Bibliography of Slavic and East European Studies Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first

published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology

Resolving the Russo-Japanese Territorial Dispute Brad Williams, 2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia's troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such *Resolving the Russo Japanese Territorial Dispute* will appeal to students and scholars of Asian politics international relations and post communist states

Russian Foreign Policy After the Cold War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia's foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin's reform agenda and 2 Russia's geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski's study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government

Russia Neil Robinson, 2003-09-02 This invaluable text traces Russia's complex historical development in the last century its recent political troubles and economic misfortunes and its place in the contemporary international system

The International Politics of the Asia Pacific Michael Yahuda, 2012-12-06 This second edition of Michael Yahuda's extremely successful textbook introduces students to the international politics of the Asia Pacific region since 1945 The new edition is completely updated with contemporary coverage of the economic crises and includes new chapters on the current role of East Asia in world affairs prospects post 2000 the strengths and weaknesses of US dominance and the challenge of

other powers prospects for and implications of an East Asian economic recovery **Japan and the Sino-Soviet Alliance, 1950-1964** C. Braddick, 2003-12-09 Japan and the Sino Soviet Alliance 1950 1964 reveals the divisive impact of the Sino Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964 Drawing on extensive Japanese sources and unprecedented access to previously classified government documents C W Braddick exposes the myths shrouding this formative era in Japan s postwar development Policing Northeast Asia Se Hyun Ahn, 2020-06-02 This book explores the progress in and the obstacles surrounding developing comprehensive security cooperation between Russia and South Korea since diplomatic relations were established in 1991 within the framework of economic security The book focuses on oil and natural gas projects linking the Trans Siberian and Trans Korean Railroads industrial development in the Nakhodka Free Economic Zone fishery cooperation and the arms trade and examines whether these five aspects of cooperation serve to contribute to building Russian South Korean bilateral and regional economic security The author argues that these five aspects of cooperation all have the potential to enhance comprehensive bilateral security and further regional economic security in Northeast Asia However Russian South Korean economic cooperation has been hampered by a number of obstacles including domestic factors as well as external factors and prevented Russia and South Korea from fulfilling their potential for creating a cooperative comprehensive security relationship The author concludes with an assessment on the utility of the concept of multi dimensional security cooperation as a framework for studying and improving the prospects for Russian South Korean bilateral relations *The International Politics of Asia-Pacific, 1945-1995* Michael Yahuda, 2005-08-19 This fully updated and revised edition of Michael Yahuda s extremely successful textbook introduces students to the international politics of the Asia Pacific region since 1945 Divided into three parts the first presents a chronological overview of developments since 1945 the new second part looks at the post cold war period while the third focuses on the policies of the US the USSR Russia China and Japan in the region Yahuda analyses politics in terms of global regional and local trends combining narrative with analysis This new edition features analysis of the economic crisis and the potential implications worldwide of East Asian economic recovery a chapter on the emergence of East Asia as a significant force in world affairs focusing on the role of lesser powers such as Indonesia and Malaysia chapters considering prospects post 2000 and competing frameworks for security in the wake of nuclear tension between India and Pakistan the strengths and weaknesses of US hegemony in the new world order *Specifying "interests"* Masato Kimura, David A. Welch, 1997

The Enigmatic Realm of **Russia And Japan An Unresolved Dilemma Between Distant Neighbors**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Russia And Japan An Unresolved Dilemma Between Distant Neighbors** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.

Russia And Japan An Unresolved Dilemma Between Distant Neighbors Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia And Japan An Unresolved Dilemma Between Distant Neighbors has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia And Japan An Unresolved Dilemma Between Distant Neighbors has opened up a world of possibilities. Downloading Russia And Japan An Unresolved Dilemma Between Distant Neighbors provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia And Japan An Unresolved Dilemma Between Distant Neighbors has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia And Japan An Unresolved Dilemma Between Distant Neighbors. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia And Japan An Unresolved Dilemma Between Distant Neighbors. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading

Russia And Japan An Unresolved Dilemma Between Distant Neighbors, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia And Japan An Unresolved Dilemma Between Distant Neighbors has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia And Japan An Unresolved Dilemma Between Distant Neighbors Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia And Japan An Unresolved Dilemma Between Distant Neighbors is one of the best book in our library for free trial. We provide copy of Russia And Japan An Unresolved Dilemma Between Distant Neighbors in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia And Japan An Unresolved Dilemma Between Distant Neighbors. Where to download Russia And Japan An Unresolved Dilemma Between Distant Neighbors online for free? Are you looking for Russia And Japan An Unresolved Dilemma Between Distant Neighbors PDF? This is definitely going to save you time and cash in something you should think about.
