

Russia Close Up

Vladimir Alexandrov

Russia Close Up:

Cold War Country Joseph M. Thompson, 2024-03-22 Country music maintains a special decades long relationship to American military life but these ties didn't just happen This readable history reveals how country music's Nashville based business leaders on Music Row created partnerships with the Pentagon to sell their audiences on military service while selling the music to servicemembers Beginning in the 1950s the military flooded armed forces airwaves with the music hosted tour dates at bases around the world and drew on artists from Johnny Cash to Lee Greenwood to support recruitment programs Over the last half of the twentieth century the close connections between the Defense Department and Music Row gave an economic boost to the white dominated sounds of country while marginalizing Black artists and fueling divisions over the meaning of patriotism This story is filled with familiar stars like Roy Acuff Elvis Presley and George Strait as well as lesser known figures industry executives who worked the halls of Congress country artists who dissented from the stereotypically patriotic trappings of the genre and more Joseph M Thompson argues convincingly that the relationship between Music Row and the Pentagon helped shape not only the evolution of popular music but also race relations partisanship and images of the United States abroad

Russia at War, 1941-1945 Alexander Werth, 2017-03-14 In 1941 Russian born British journalist Alexander Werth observed the unfolding of the Soviet German conflict with his own eyes What followed was the widely acclaimed book *Russia at War* first printed in 1964 At once a history of facts a collection of interviews and a document of the human condition *Russia at War* is a stunning modern classic that chronicles the savagery and struggles on Russian soil during the most incredible military conflict in modern history As a behind the scenes eyewitness to the pivotal shattering events as they occurred Werth chronicles with vivid detail the hardships of everyday citizens massive military operations and the political movements toward diplomacy as the world tried to reckon with what they had created Despite its sheer historical scope Werth tells the story of a country at war in startlingly human terms drawing from his daily interviews and conversations with generals soldiers peasants and other working class civilians The result is a unique and expansive work with immeasurable breadth and depth built on lucid and engaging prose that captures every aspect of a terrible moment in human history Now newly updated with a foreword by Soviet historian Nicolas Werth the son of Alexander Werth this new edition of *Russia at War* continues to be indispensable World War II journalism and the definitive historical authority on the Soviet German war

Vogue for Russia Caroline Maclean, 2015-01-20 Explores the influence of Russian aesthetics on British modernists In what ways was the British fascination with Russian arts politics and people linked to a renewed interest in the unseen How did ideas of Russianness and the Russian soul prompted by the arrival of the Ballets Russes and the rise of revolutionary ideals attach themselves to the existing British fashion for theosophy vitalism and occultism In answering these questions this study is the first to explore the overlap between Slavophilia and mysticism between 1900 and 1930 in Britain The main Russian characters that emerge are Fedor Dostoevsky Boris Anrep

Vasily Kandinsky Petr Ouspensky and Sergei Eisenstein The British modernists include Roger Fry Virginia Woolf Mary Butts John Middleton Murry Michael Sadleir and Katherine Mansfield Key Features Draws on unpublished archive material as well as on periodicals exhibition catalogues reviews diaries fiction and the visual arts Addresses the omission in modernist studies of the importance of Russian aesthetics and Russian discourses of the occult to British modernism Challenges the dominant Western European and transatlantic focus in modernist studies and provides an original contribution to our understanding of new global modernisms Combines literary studies with aesthetics modernist history the history of modern esotericism film history periodical studies and science studies

The Rise and Fall of Russia's Far Eastern Republic, 1905-1922 Ivan Sablin, 2018-07-17 The Russian Far East was a remarkably fluid region in the period leading up to during and after the Russian Revolution The different contenders in play in the region imagining and working toward alternative futures comprised different national groups including Russians Buryat Mongols Koreans and Ukrainians different imperialist projects including Japanese and American attempts to integrate the region into their political and economic spheres of influence as well as the legacies of Russian expansionism and Bolshevik efforts to export the revolution to Mongolia Korea China and Japan and various local regionalists who aimed for independence or strong regional autonomy for distinct Siberian and Far Eastern communities and whose efforts culminated in the short lived Far Eastern Republic of 1920 1922 The Rise and Fall of Russia's Far Eastern Republic 1905 1922 charts developments in the region examines the interplay of the various forces and explains how a Bolshevik version of state centered nationalism prevailed *All this is Your World* Anne E.

Gorsuch, 2011-08-11 All this is your World offers an exploration of the revolutionary integration of the Soviet Union into global processes of cultural exchange Anne E Gorsuch examines what it meant to be Soviet in a country no longer defined as Stalinist

China and Russia Philip Snow, 2023-03-14 A compelling expansive history of the relationship between China and Russia from the seventeenth century to the present Russia and China the largest and most populous countries in the world respectively have maintained a delicate relationship for four centuries In addition to a four thousand kilometer border they have periodically shared a common outlook on political and economic affairs But they are in essence profoundly different polities and cultures and their intermittent alliances have proven difficult and at times even volatile Philip Snow provides a full account of the relationship between these two global giants Looking at politics religion economics and culture Snow uncovers the deep roots of the two nations alignment We see the shifts in the balance of power from the wealth and strength of early Qing China to the Tsarist and Soviet ascendancies and episodes of intense conflict followed by harmony He looks too at the experiences and opinions of ordinary people which often vastly differed from those of their governments and considers how long the countries current amicable relationship might endure Russia and Eastern Europe, 1789-1985

Raymond Pearson, 1989 **Politics, Paradigms, and Intelligence Failures** Ofira Seliktar, 2015-05-20 Washington's failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what

right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire's demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary

Russia's Crony Capitalism Anders Åslund, 2019-05-21 A penetrating look into the extreme plutocracy Vladimir Putin has created and its implications for Russia's future This insightful study explores how the economic system Vladimir Putin has developed in Russia works to consolidate control over the country By appointing his close associates as heads of state enterprises and by giving control of the FSB and the judiciary to his friends from the KGB he has enriched his business friends from Saint Petersburg with preferential government deals Thus Putin has created a super wealthy and loyal plutocracy that owes its existence to authoritarianism Much of this wealth has been hidden in offshore havens in the United States and the United Kingdom where companies with anonymous owners and black money transfers are allowed to thrive Though beneficial to a select few this system has left Russia's economy in untenable stagnation which Putin has tried to mask through military might *The Contemporary Review*, 1920 **Focus on Russia** Rob Bowden, Galya Ransome, 2007-07-07 Presents an overview of Russia covering its history landscape climate people government economy transportation system education healthcare culture religion and recreation **To Break Russia's Chains** Vladimir Alexandrov, 2021-09-07 A brilliant examination of the enigmatic Russian revolutionary about whom Winston Churchill said few men tried more gave more dared more and suffered more for the Russian people and who remains a legendary and controversial figure in his homeland today Although now largely forgotten outside Russia Boris Savinkov was famous and notorious both at home and abroad during his lifetime which spans the end of the Russian Empire and the establishment of the Soviet Union A complex and conflicted individual he was a paradoxically moral revolutionary terrorist a scandalous novelist a friend of epoch defining artists like Modigliani and Diego Rivera a government minister a tireless fighter against Lenin and the Bolsheviks and an advisor to Churchill At the end of his life Savinkov conspired to be captured by the Soviet secret police and as the country's most prized political prisoner made headlines around the world when he claimed that he accepted the Bolshevik state But as this book argues this was Savinkov's final play as a gambler and he had staked his life on a secret plan to strike one last blow against the tyrannical regime Neither a Red nor a White Savinkov lived an epic life that challenges many popular myths about the Russian Revolution which was arguably the most important catalyst of twentieth century world history All of Savinkov's efforts were directed at transforming his homeland into a uniquely democratic humane and enlightened state

There are aspects of his violent legacy that will and should remain frozen in the past as part of the historical record But the support he received from many of his countrymen suggests that the paths Russia took during the twentieth and twenty first centuries the tyranny of communism the authoritarianism of Putin s regime were not the only ones written in her historical destiny Savinkov s goals remain a poignant reminder of how things in Russia could have been and how perhaps they may still become someday Written with novelistic verve and filled with the triumphs disasters dramatic twists and contradictions that defined Savinkov s life this book shines a light on an extraordinary man who tried to change Russian and world history

Russia's Heroes Albert Axell,2012-10-25 With Hitler s invasion of Russia on 22 June 1941 the Eastern front opened and politicians and generals around the world predicted the swift destruction of the Soviet armies Nazi Germany threw its might against Russia 5 000 000 men took part in the blitz attack along the Russian frontier From interviews and primary evidence much of it never previously published unfolds the story of the Eastern Front interweaving accounts of the men and women who served with the progress of the war itself A tale of unbelievable heroism Russia's Virtual Economy Clifford G. Gaddy,Barry William Ickes,2002 Clifford Gaddy s and Barry Ickes thesis that Russia s economy is based on illusion or pretense about nearly every important economic yardstick including prices sales wages and budgets has forced broad recognition of the inadequacies of the intended market reform policies in Russia and provided a coherent framework for understanding how and why so much of Russia s economy has resisted reform The Illustrated History of the War Against Russia. [Plates.] Edward Henry Nolan,1855 Russia's Military Way to the West Christopher Duffy,2015-10-05 This book provides an historical perspective on the growth of Russian military power studying the emergence of the Russian regular army from 1700 until the end of the eighteenth century In the process he evaluates the relative importance of Western and native influences on the creation of this formidable military machine and indicates the ways in which Russian power was projected in the West The book includes general discussions of the Russian soldier the Russian officer and the rapacious Cossacks and concludes by identifying certain important continuities between the Russian past and present **Russia's War** Jade McGlynn,2023-02-27 In the early hours of 24 February 2022 Russian forces attacked Ukraine The brutality of the Russian assault has horrified the world But Russians themselves appear to be watching an entirely different war one in which they are the courageous underdogs and kind hearted heroes successfully battling a malign Ukrainian foe Russia analyst Jade McGlynn takes us on a journey into this parallel military and political universe to reveal the sometimes monstrous sometimes misconstrued attitudes behind Russian majority backing for the invasion Drawing on media analysis and interviews with ordinary citizens officials and foreign policy elites in Russia and Ukraine McGlynn explores the grievances lies and half truths that pervade the Russian worldview She also exposes the complicity of many Russians who have invested too deeply in the Kremlin s alternative narratives to regard the war as Putin s foolhardy mission In their eyes this is Russia s war against Ukraine against the West against evil and there can be no turning back Also available as an audiobook narrated by the author

The Illustrated History of the War Against Russia Edward Henry Nolan, 1857 **The history of the war against Russia** Edward Henry Nolan, 1856 *The History of the War with Russia* Henry Tyrrell, 1855

Russia Close Up Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia Close Up free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia Close Up free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia Close Up free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia Close Up. In conclusion, the internet offers numerous platforms and websites that allow users to

download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia Close Up any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia Close Up Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Close Up is one of the best book in our library for free trial. We provide copy of Russia Close Up in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Close Up. Where to download Russia Close Up online for free? Are you looking for Russia Close Up PDF? This is definitely going to save you time and cash in something you should think about.
