Sacrament Of Reconciliation A Theological And Canonical Treatise:

The Sacrament of Reconciliation Andrew J. Cuschieri, 1992 The central theme of the study is Christ as the sacrament of reconciliation of the human being with God In light of this premise the study is divided into two main parts **Sacrament of Reconciliation** Robert L. Fastiggi, 2017-02-01 The Sacrament of Reconciliation examines this sacrament in terms of its anthropological scriptural historical and theological roots The powerful message of God's merciful love expressed through this sacrament is an essential way of knowing the joy of the Gospel Repentance in Late Antiquity Alexis Torrance, 2013 This study provides a fresh perspective on the concept of repentance in early Christianity Alexis Torrance focuses on writings by several ascetic theologians of the fifth to seventh centuries and also examines texts from Scripture early Christian treatises and homilies apocalyptic material and canonical literature The Confluence of Law and Religion Mark Hill, Celia Kenny, Russell Sandberg, 2016-04-21 Examines the interdisciplinary development of law and religion with a particular focus on Professor Norman Doe's pioneering role **Historical Dictionary of Catholicism** William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism Law, Person, and Community John J. Coughlin, 2012-04-19 This publication takes up the fundamental question What is law through a comparative study of canon law and secular legal theory The book also includes comparative consideration of the failure of canon law to address the clergy sexual abuse crisis the canon law of marriage administrative law the rule of law and much more *Penal Law in Action* Msgr. Daly, Brendan, 2023 This book on penal law explains the main topics of penal law with cases and examples of its implementation using the changed text of Book 6 of the Code of Canon Law that will come into effect on December 8 2021 Pope Francis has revised Book 6 of the Code of Canon Law Penal Sanctions in the Church canons 1311 1399 Of these 89 canons 63 have been changed and others have been renumbered Changes include a new canon 1376 concerning the crimes of stealing and misappropriation of church property canon 1398 2 making the sexual abuse of minors by religious brothers and sisters a crime c 1398 1 no 2 making grooming a crime Other changes in canon law since 1983 have been incorporated into the new book 6 These include raising the age for sexual abuse from under age 14 to under age 18 a 1988 law imposing penalties for recording confessions penalties for the attempted ordination of a woman penalties for bishops failing to report or take sufficient measures against perpetrators of sexual abuse

and for clerics using pornography of those under age 18 *Making Parish Policy* Ron Lewinski, 1996 As parish communities continue to implement and celebrate the revised rites of the church the need for sacramental policies and procedures has become more evident This is a guide for parishes that are discovering the need for a process and the tools for developing such policies and procedures for worship The goal of this book is to help communities develop a strong and rich liturgical tradition Back cover *Sacramental Forgiveness as a Gift of God* Eric Luijten, 2003 What is the theological place of the Holy Spirit with respect to the forgiveness of sins in the sacrament of penance This study examines the role of the Spirit in the theology of sacramental forgiveness of Thomas Aquinas 1224-1274 who is often blamed for the *Geistvergersenheit* of Western theology In the first part of this study it is shown that in Thomas theology notions like guilt and forgiveness function within the context of a relationship of friendship between God and human beings Constitutive for this relationship is the indwelling of God which is appropriated to the Holy Spirit It is explained that Thomas understands appropriation i e the practice of ascribing to divine Persons individually what belongs to the divine essence in general as a part of proper God talk which takes into account the limitations of our language vis a vis God In the second part of this study it is argued that the notion of the causality of the sacrament of penance i e that it effects the forgiveness of sins that it signifies can only be evaluated properly if the sacrament of penance is not only seen as prolongation of the incarnation i e the visible mission of the Son but also as accompanied by the continuous invisible mission of the Holy Spirit Eric Luijten 1964 has been a research fellow of the Catholic Theological University at Utrecht the Netherlands and at present is rector of studies of the Arienskonvikt the priest seminary of the archdiocese Utrecht and the diocese Groningen **Dancing to the Post-modern Tune** Tobias O. Okoro, 2010 *Religions and Discourse* explores religious language in the major world faiths from various viewpoints including semiotics pragmatics and cognitive linguistics and reflects on how it is situated within wider intellectual and cultural contexts In particular a key issue is the role of figurative speech Many fascinating metaphors originate in religion e g revelation as a garment apostasy as adultery loving kindness as the circumcision of the heart **Diverse Voices in Modern US Moral Theology** Charles E. Curran, 2019-02-15 In Charles E Curran's latest book *Diverse Voices in Modern US Moral Theology* he presents the diverse voices of US Catholic moral theologians from the mid twentieth century to the present The book discusses eleven key individuals in the development and evolution of moral theology as well as the New Wine New Wineskins movement This diversity which differs from the monolithic understanding of moral theology that prevailed until recently comes from the diverse historical circumstances or *Sitz im Leben* of the authors Each of these theologians developed her or his approach in light of these circumstances and in response to shifts in the three audiences of moral theology the Church the academy and the broader society By exploring this diversity Curran recognizes the deep divisions that exist within Catholic moral theology between the so called liberal and conservative approaches and acknowledges the need for greater dialogue between them providing a deeper understanding of the methods and approaches

of these significant figures This new book from a major figure in the field will be an important resource for students and scholars of US Catholic moral theology and for anyone seeking to understand the current state of moral theology in America today Current Law Index ,1994 Anointing of the Sick Andrew J. Cuschieri,1993 The present study aims at the analysis of the canons on the Anointing of the Sick contained in both the Latin and Eastern Codes Major emphasis is placed on Tradition in order that the reader may readily appreciate the canons as the fruit of twenty centuries of faith and wisdom While deeply rooted in Scripture and Tradition the Church expresses its faith in a perpetual process of crystallization and precision Introduction The Cumulative Book Index ,1994 A world list of books in the English language **The Sacrament of Reconciliation** Robert L.Fastiggi,2017-03-28 The Sacrament of Reconciliation is a comprehensive and accessible resource for undergraduate graduate and seminary courses on the Sacrament of Reconciliation It offers an overview of the sacrament in terms of its anthropological scriptural historical and theological roots as well as an analysis of the key components of the sacrament itself matter form minister recipient etc With the knowledge of a theologian and the skill of an historian Robert Fastiggi links the Sacrament of Penance to its anthropological foundations grounded in the recognition of human failure and the need for forgiveness This anthropological foundation includes a brief overview of how non biblical religions deal with sin and purification as well as the revelation of the human need for reconciliation presented in Sacred Scripture He carefully unwraps the Old Testament and New Testament narratives that cover original sin human rebellion the need for reconciliation conversion forgiveness and the remission of sin Dr Fastiggi understands the sacrament in the context of spirituality or ascetical and mystical theology His section on the Sacrament of Penance in Church history lays out comprehensive overview of the development in the sacrament of Penance from the Patristic period to the period immediately before Vatican II At the heart of the new evangelization is the proclamation of Christ who has come into the world to reconcile sinful human beings with the transcendent love of God For those living today in a post Christian world the powerful message of God s merciful love expressed through the sacrament of reconciliation is a most valuable way of knowing the joy of the Gospel **Choice** ,1992 *American Ecclesiastical Review* Herman Joseph Heuser,1933 **Index to Book Reviews in Religion** ,1994 Ephemerides theologicae Lovanienses ,1993 **Sacramenta** Maksimilijan Žitnik,2002
