Supreme Court , *The Griffith Project, Volume 10* Paolo Cherchi Usai, 2019-07-25 No other silent film director has been so extensively studied as D W Griffith However only a small group of his more than five hundred films had been the subject of a systematic analysis Now for the first time in film studies the complete creative output of Griffith from Professional Jealousy 1907 to The Struggle 1931 is explored in this multi volume collection of contributions from an international team of leading scholars in the field Created as a companion to the ongoing retrospective held by the Pordenone Silent Film Festival The Griffith Project is now an indispensable guide to his work This is the final volume of the project **Motion Picture Classic** ,1924 **Supreme Court of the State of New York, Appellate Division- First Department** , **The W.C. Fields Films** James L. Neibaur, 2017-03-31 W C Fields was at the top among comedians during Hollywood's Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character's misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost **The Spectator** ,1925

genius of his time Photos **The First Hollywood Musicals** Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry's most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs

Stagestruck Filmmaker David Mayer, 2009-03 An actor a vaudevillian and a dramatist before he became a filmmaker D W Griffith used the resources of theatre to great purpose and to great ends In pioneering the quintessentially modern medium of film from the 1890s to the 1930s he drew from older more broadly appealing stage forms of melodrama comedy vaudeville and variety In *Stagestruck* Filmmaker David Mayer brings Griffith's process vividly to life offering detailed and valuable insights into the racial ethnic class and gender issues of these transitional decades Combining the raw materials of theatre circus minstrelsy and dance with the newer visual codes of motion pictures Griffith became the first acknowledged artist of American film *Birth of a Nation* in particular demonstrates the degree to which he was influenced by the racist justifications and distorting interpretations of the Civil War and the Reconstruction era Moving through the major phases of Griffith's career in chapters organized around key films or groups of films Mayer provides a mesmerizing account of the American stage and cinema in the final years of the nineteenth century and the first three decades of the twentieth century Griffith's relationship to the theatre was intricate complex and enduring Long recognized as the dominant creative figure of American motion pictures throughout twenty six years of making more than five hundred films he pillaged adapted reshaped revitalized preserved and extolled By historicizing his representations of race ethnicity and otherness Mayer places Griffith within an overall template of American life in the years when film rivaled and then surpassed the theatre in popularity **Let's Go to**
