Santa Claus Worldwide Tom A. Jerman, 2020-05-25 This is a comprehensive history of the world's midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world's winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world
