## Looking Back On Juneau:

**Looking Back** Merrick Abner Richardson, 1917      The Historic Northwest Passage and the Cgc Storis Dick Juge, 2007-07-02 You will learn or recall much about America in the 1950s as seen through the eyes of a young serviceman You will feel like a member of the crew aboard an icebreaker as it crosses the Arctic from Alaska to Nova Scotia to become the first US ship to circumnavigate the North American continent and find a deep water route through the Northwest Passage In 1955 Dick Juge dropped out of his final senior semester of high school to join the U S Coast Guard in time to qualify for the Korean Conflict GI Bill which was phased out at the end of January 1955 This book takes you on his journey though the Coast Guard enlistment and training processes and then on to voyages aboard three Coast Guard Cutters SEBAGO out of Mobile Alabama STORIS in Alaska and DUANE from Boston Massachusetts There are stories of boot camp mishaps formidable icebergs special swimming escapades liberty adventures in many ports and much more as the author grows to maturity with the sometimes unwelcome assistance of the U S military If you served in the military you will love this as you recall your own youth      **Behind The Raven Mask** Cherime MacFarlane, 2014-01-05 Camille s dose of laudanum coupled with Dmitri s brandy combine to make two small problems life changing for both of them The Inside Passage Alaska 1881 A disgruntled uncle sees an opportunity to rid himself of his charge Because of his manipulation Camille gets thrown into an emotionally charged relationship on an isolated island in Southeast Alaska Her new husband a widower with a willful daughter isn t happy to be shackled with her either Someone on the island wants her dead Could it be her new husband

Looking Over Your Shoulder P.D. Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe s own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I m a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel Another great thing about this book was the main character Abe He was a likeable star at least in my opinion He has playful banters with his children and the schizophrenia part of his character was done very well Will he uncover the truth before it s too late This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page Don t miss out on this thought provoking thriller that invites you into Abe s world a place where love and fear intertwine Click to begin your journey through this unforgettable tale filled with suspense emotional depth and shocking

**Treadwell Gold** Sheila Kelly, 2011-02-15 A century ago Treadwell Alaska was a featured stop on steamship cruises a rich up to date town that was the most prominent and proud in all Alaska Its wealth however was founded on the remarkably productive gold mines on Douglas Island and when those caved in and flooded in the early decades of the twentieth century Treadwell sank into relative obscurity Treadwell Gold presents first person accounts from the sons and daughters of the miners machinists hoist

operators and superintendents who together dug and blasted the gold that made Treadwell rich. Alongside these stories are vintage photos that capture both the industrial vigor of the mines and the daily lives that made up Treadwell society. The book will fascinate anyone interested in Alaskan history or the romance of gold mining's past. **Alaska** James A. Michener, 2002-11-12 In this sweeping epic of the northernmost American frontier James A. Michener guides us through Alaska's fierce terrain and history from the long forgotten past to the bustling present. As his characters struggle for survival Michener weaves together the exciting high points of Alaska's story: its brutal origins, the American acquisition, the gold rush, the tremendous growth and exploitation of the salmon industry, the arduous construction of the Alcan Highway undertaken to defend the territory during World War II. A spellbinding portrait of a human community fighting to establish its place in the world, Alaska traces a bold and majestic saga of the enduring spirit of a land and its people. Praise for Alaska: Few will escape the allure of the land and people Michener describes. Alaska takes the reader on a journey through one of the bleakest, richest, most foreboding and highly inviting territories in our Republic, if not the world. The characters that Michener creates are bigger than life. Los Angeles Times Book Review Always the master of exhaustive historical research, Michener tracks the settling of Alaska in vividly detailed scenes and well-developed characters. Boston Herald Michener is still a sentence for sentence writing's fastest attention grabber. The New York Times **Prime Catch** Ilona Fridl, 2013-10-25 Someone is killing executives in a string of Alaskan canneries. Is it natives because their food supply is being cut short? Or is there another reason, another culprit? With racial tension running high, Juneau's Sheriff Amos Darcy, a man of few words, is going to find out who it is: come hell or high water. Deputy Sarah Lakat, a Tlingit woman, knows her job, but she wants to prove her people aren't responsible for these vicious crimes. Her family and childhood friends give her access to clues the white sheriff would never have discovered, though, and she has to realize justice must be served, no matter who the murderers are. Amos is married to his work, and Sarah was badly hurt by a man in her past, yet as they work together in the investigation, they grow close, facing danger and discrimination together. Can they solve the case even as they fight their attraction to each other? **Tongass Odyssey** John Schoen, 2020-09-01 Tongass Odyssey is a biologist's memoir of personal experiences over the past four decades studying brown bears, deer, and mountain goats, and advocating for conservation of Alaska's Tongass National Forest. The largest national forest in the nation, the Tongass encompasses the most significant expanse of intact old-growth temperate rainforest remaining on Earth. Tongass Odyssey is a cautionary tale of the harm that can result when science is eclipsed by politics that are focused on short-term economic gain. Yet even as those problems put the Tongass at risk, the forest also represents a unique opportunity for conserving large, intact landscapes with all their ecological parts, including wild salmon, bears, wolves, eagles, and other wildlife. Combining elements of personal memoir, field journal, natural history, conservation essay, and philosophical reflection, Tongass Odyssey tells an engaging story about an enchanting place. **The Book of Lost Friends** Lisa Wingate, 2021-06-29 NEW YORK TIMES BESTSELLER From the bestselling author of Before We

Were Yours comes a dramatic historical novel of three young women searching for family amid the destruction of the post Civil War South and of a modern day teacher who learns of their story and its vital connection to her students lives An absorbing historical enthralling Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual Lost Friends advertisements that appeared in Southern newspapers after the Civil War as newly freed slaves desperately searched for loved ones who had been sold away Louisiana 1875 In the tumultuous era of Reconstruction three young women set off as unwilling companions on a perilous quest Hannie a freed slave Lavinia the pampered heir to a now destitute plantation and Juneau Jane Lavinia s Creole half sister Each carries private wounds and powerful secrets as they head for Texas following roads rife with vigilantes and soldiers still fighting a war lost a decade before For Lavinia and Juneau Jane the journey is one of stolen inheritance and financial desperation but for Hannie torn from her mother and siblings before slavery s end the pilgrimage west reignites an agonizing question Could her long lost family still be out there Beyond the swamps lie the limitless frontiers of Texas and improbably hope Louisiana 1987 For first year teacher Benedetta Silva a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt until she lands in a tiny out of step Mississippi River town Augustine Louisiana is suspicious of new ideas and new people and Benny can scarcely comprehend the lives of her poverty stricken students But amid the gnarled live oaks and run down plantation homes lie the century old history of three young women a long ago journey and a hidden book that could change everything

**Gender Optics** Shalen Lowell, 2020-10-20 What if normative gender standards were legally enforced How would our institutions inform and enforce these rules and regulations What would be the consequences of failing to comply with gender expression standards It s in the midst of this maelstrom that we join Alex our genderfluid and nonbinary protagonist who during the thick of their adolescence must navigate the choppy waters of lust love friendship schooling loss and their city s rigid and perhaps lethal gender expectations In this world Alex must constantly exchange their true self for safety and compliance a relentless transaction from which they feel they never will escape Can they navigate this slippery slope alongside their patchwork community of friends and allies Or is arrest and social persecution inevitable This novel is an honest and raw examination of queer lives Gender Optics will illustrate interrogate and challenge the harmful products of binary hegemonic systems that all too often push gender variant folks to the fringes of society While Gender Optics can be read purely for pleasure it can also be used as supplemental reading for courses in critical theory gender theory gender and sexuality studies LGBTQ studies intersectionality and arts based research
