**I'll Tell You When You're Good!** David Walker, 2011-06-17 If there's anyone who could say I didn't sign up for this it's Texas A a true dual threat quarterback Enjoy the flavor of Southwest Louisiana and the adopted Texas swagger in his unique voice as he takes you down a one of a kind path you could never imagine possible in the modern era of college football In so doing you will uncover what may be the best amateur sports story of all time how David Walker met the greatest challenge in NCAA history

**Mules And Wildcat Heads** Dean Bowling, 2009-06-10 This story is about those Eastern Kentucky hills in which I grew up a story of the love and admiration for those who influenced me the most This book is a compilation of those events in my life that I either lived or was passed on to me by those around me They are told from the perspective of having experienced them or from the point of view of those who were telling them They tell of the lives of those closest to me or those who genetically passed on to me all those things that make up my character and my being I realize that it is a very much over used cliché and has been written time and again but this account of life in the hills truly was The best of times and the worst of times These anecdotes cover the life of one hill boy who grew up in the head of a holler who lived life and enjoyed the ride In this story I attempt to outline

the life of this particular blessed young boy who grew from a small kid who worked for his Grandfather for twenty five cents an hour attended a one room school second through seventh grade and on to a small rural high school worked his way through college by everything from sawmills to construction to pumping gas and many things in between finally finishing his career as an educator Teacher principal and assistant to the superintendent Extensive use of humor is used in relating the story and gives the reader a glimpse of the boy in many of us Even when the subject is sometimes sad or serious the author attempts to relate the point in a humorous manner The story is real the people are real the humor is real and the sadness is real It is the hope of the author that the reader will get a bird s eye view of the life of a hill boy growing up in the 50 s 60 s I believe this book will invoke memories and nostalgia of those earlier years for the reader whether you are from the city or a true Appalachian child
