The Spiritual Seeker's Guide Steven S. Sadleir,1992 This one stop guide details the history ideology and practices of over 100 religions and spiritual traditions and teachers from around the world From Christianity to Krishna Consciousness from Alcoholics Anonymous to Zoroastrianism this guide briefly describes each group s major tenets tells who to call for more information and includes suggestions for further information An unbiased reporting *Islam, Women and the Challenges of Today* Farzana Hassan Shahid,2006 Spirituality: A Guide for the Perplexed Philip Sheldrake,2014-09-25 Spirituality is a word that is used increasingly these days yet it is often ill defined What exactly is spirituality Is it distinct from religion and can we separate it from beliefs and traditions Does spirituality mainly focus on spiritual experiences and practices or is it something more This book suggests that while there may be common features in the use of the word spirituality is not a single reality Different spiritualities reflect particular religious or philosophical viewpoints as well as the cultural contexts in which they arise and develop Spirituality A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to spirituality as an area of study religiously historically philosophically and in the social sciences It explores the tools that are used to study the subject and to interpret spiritual classics whether these are written texts or other forms such as art from different times and cultures Attention is paid to spirituality in a variety of religious and non religious forms in their own terms and comparatively However for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts personalities and themes associated with five major world religions Judaism Christianity Islam Hinduism and Buddhism The book concludes with an exploration of spirituality in contemporary perspective in particular how spirituality is currently employed in areas such as health care education and business among other examples Spiritual Companionship Angela H. Reed,Richard R. Osmer,Marcus G. Smucker,2015-10-06 Among the smiling faces in church on Sunday mornings are those who long for deeper more genuine relationships within their local congregations active intentional relationships that nurture the soul and encourage personal encounters with God Drawing on decades of experience in spiritual direction congregational ministry and seminary teaching this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition The authors explore the topic in a biblically based and historically informed manner and give practical help for cultivating spiritual relationships in congregations and beyond using stories throughout to illustrate key ideas Discussion questions are included **The Christian Path in a Pluralistic World and the Study of Spirituality** Diana Villegas,2012-01-01 Based on exploration of boundaries between spirituality and religion this book argues that theological study of spirituality is important for interpretation of the Christian path in a pluralistic world As a text for graduate study in spirituality and ministry it explores relevant sociological studies post modern culture contemporary study of Christian spirituality and a brief history of the relationship between theology and spirituality The book argues that the revelation and

tradition of Christianity understood and interpreted in the light of contemporary culture make a difference to postmodern persons quests for spirituality What one believes and how one understands that belief influences the manner in which the Christian path is lived in a pluralistic global world The book discusses the role of religion in culture and the relevance of this for the identity of religious spirituality and the study of Christian spirituality **American Book Publishing Record** ,2007
