Looking for Muruga Kriben Pillay, 1995 *Melancholia of Freedom* Thomas Blom Hansen, 2012-07-22 The end of apartheid in 1994 signaled a moment of freedom and a promise of a nonracial future With this promise came an injunction define yourself as you truly are as an individual and as a community Almost two decades later it is clear that it was less the prospect of that future than the habits and horizons of anxious life in racially defined enclaves that determined postapartheid freedom In this book Thomas Blom Hansen offers an in depth analysis of the uncertainties dreams and anxieties that have accompanied postapartheid freedoms in Chatsworth a formerly Indian township in Durban Exploring five decades of township life Hansen tells the stories of ordinary Indians whose lives were racialized and framed by the township and how these residents domesticated and inhabited this urban space and its institutions during apartheid and after Hansen demonstrates the complex and ambivalent nature of ordinary township life While the ideology of apartheid was widely rejected its practical institutions from urban planning to houses schools and religious spaces were embraced in order to remake the community Hansen describes how the racial segmentation of South African society still informs daily life notions of race personhood morality and religious ethics He also demonstrates the force of global religious imaginings that promise a universal and inclusive community amid uncertain lives and futures in the postapartheid nation state

The Drama of South Africa Loren Kruger, 2005-11-01 The Drama of South Africa comprehensively chronicles the development of dramatic writing and performance from 1910 when the country came into official existence to the advent of post apartheid Eminent theatre historian Loren Kruger discusses well known figures as well as lesser known performers and directors who have enriched the theatre of South Africa She also highlights the contribution of women and other minorities concluding with a discussion of the post apartheid character of South Africa at the end of the twentieth century

MURUGA Arvind Seshadri, 2024-08-31 Muruga was born with a purpose while Rama and Krishna found their purpose Muruga evolves from a childhood with tantrums into a colossus What if Muruga was a human who became deified due to his deeds What would his life teach us today This book attempts to humanize Muruga inviting readers to visualize his life and deeds which could help in their own transformation It is a blend of fiction and excerpts from the revered text of Kandha Puranam the literature that depicts

Muruga s life **Laddoo Mysteries** PARVATHY VENKATACHALAM,2024-08-28 What sin could a 12 year old have possibly committed to deserve such severe punishment and be burdened with an arduous task Is Krishna truly so unyielding when it comes to disciplining a child for a harmless act Diwali the festival of lights is meant to bring joy Krishna why single out Vaishu Step into the world of Hindu scriptures and divine tales through the perspective of a tween who has grown up between two cultures This story weaves together elements of Greek and Norse mythology movies fiction books and a playful imagination where Krishna is a latte sipping brother with whom Vaishu can converse argue and share a laugh The retelling of these stories is infused with gentle child like wit and humour making it a light and enjoyable read **A Century of South African Theatre** Loren Kruger,2019-11-28 Theatre is not part of our vocabulary Sipho Sepamla s provocation in 1981 the year of famous anti apartheid play Woza Albert prompts the response yes indeed it is A Century of South African Theatre demonstrates the impact of theatre and other performances pageants concerts sketches workshops and performance art over the last hundred years Its coverage includes African responses to pro British pageants celebrating white Union in 1910 such as the Emancipation Centenary of the abolition of British colonial slavery in 1934 organized by Griffiths Motsieloa and HIE Dhlomo through anti apartheid testimonial theatre by Athol Fugard Maishe Maponya Gcina Mhlophe and many others right up to the present dramatization of state capture inequality and state violence in today s unevenly democratic society where government has promised much but delivered little Building on Loren Kruger s personal observations of forty years as well as her published research A Century of South African Theatre provides theoretical coordinates from institution to public sphere to syncretism in performance in order to highlight South Africa s changing engagement with the world from the days of Empire through the apartheid era to the multi lateral and multi lingual networks of the 21st century The final chapters use the Constitution s injunction to improve wellbeing as a prompt to examine the dramaturgy of new problems especially AIDS and domestic violence as well as the better known performances in and around the Truth and Reconciliation Commission Kruger critically evaluates internationally known theatre makers including the signature collaborations between animator designer William Kentridge and Handspring Puppet Company and highlights the local and transnational impact of major post apartheid companies such as Magnet Theatre **The Adventures of Lord Shiva** R Rajadurai ,2022-05-09 This novel The Adventures of Lord Shiva is not a collection of Lord Shiva s stories from mythology it is a completely new new kind of imagination So be ready to experience an action packed adventure For the last 500 years Indian mythology and folklore have come to a halt because modern technology has turned Indians lifestyle from producing literature to producing electronic devices But this novel tries to reinvent the ancient myth and give birth to legends of Ramayana and Mahabharata And it comes under the category of action thriller mystery and fantasy romance and horror This novel is about Lord Shiva and his problems with Karma It made him do nothing and cornered him in a life and death situation All of his devotees like Asuras humans and fellow gods turned to him His very own sons abandoned him and raised an army against him to overthrow him

But some of Shiva's valiant believers with their magic powers try to save him from danger. Arjuna and Varma both are brother's and are the primal enemies of this novel and their greed to achieve Lord Shiva's place leads them to wrong hands. Apart from Varma and Arjuna, another character, the Oldman, is the mastermind of them and used Arjuna and Varma as puppets to achieve his own ambition. So at last, this conflict leads them to march against a great god, Shiva. Many gods helped Shiva to defend the war, but he never accepted any of their help because of karma; he was trapped in it, so he kept silent. His second son, Muruga, one of the most powerful gods in Hindu mythology, is against him and tries to put an end to his father's throne, all of which causes great bloodshed. From beginning to end, this novel never loses its mystery and thrillers always stick to it. Like Marvel and DC comic characters such as Ironman, Thor, Captain America, Spiderman, Superman, Batman, and Doctor Strange, this novel has many superheroes, but all of them are historical legends from Indian mythology like Indrajit, Ravana, Rama, Shiva, Muruga, Ganesha, and Vishnu, and their armies are the highlights of the novel. But not only one of the uniqueness of this novel is its cross-cultural and religious perception; it has many cross-cultural animals and characters like Dragon, mermaid, giants, Lovecraft's Cthulhu, giant squid, and demons. In settings-wise, it has many multiverse and realms, also one of the beautiful among them are Hell and Heaven. Undoubtedly, this novel is one of the turning points to Indian mythology and Indian literature in English. Unlike traditional chapter divisions, this novel is completely out of it and which must provide cinematic experience while reading. With many highlights, one of my personal favourites as an author is its storyline and moral. This is completely readable to children, adults, and aged people, which is apt to anyone. Like the traditional way, it follows all the moral principles; it's in simple English format, perfect for travel and gifting. This world is in a pandemic situation, so we are all stressed and depressed due to quarantine and fast spreading of COVID-19, so our life lies in a room with Netflix, Amazon Prime, and Apple TV, but it's our fate, and we have to move on; we must have to fight back, so it's a perfect timing to read and learn some new stuffs. Now it's time for a new virus called Omicron, so please use sanitizers and wear mask to safeguard you and your family. From COVID vaccination is important. Finally, here is my first book directly to Kindle and Kindle only eBook under Amazon to reduce the stress of my readers. Please buy my book and rate it as good as possible. Thanks **MURUGA** □ **The God of War** Shraddha Anu Shekar, 2019-01-04. Demons, Gods, starry maids, and war messengers. What do all these have to do with the Tamil God Muruga?
