Looking For The Cow:

Cow Florian Werner, 2012 She is everywhere as a vehicle for both farmers and advertisers a subject for research scientists and poets and ever present in the form of lucky charms children's toys or simply as a tasty sandwich filler The female of the bovine species is revered as sacred or reviled as stupid but one thing she never inspires is indifference After more than ten thousand years living alongside us she remains a beguiling mystery Combining a myriad of richly entertaining anecdotes and an abundance of illuminating discoveries Florian Werner presents the curious cultural history of that most intriguing of animals the cow Since evolving from the aurochs an ungulate that grazed the Persian grasslands the cow has embedded itself into virtually all aspects of our lives Cow is the first book to look at the animal in its countless manifestations in cultures around the world Werner examines cows role in commerce as an early form of currency and their place on our plates and in our stomachs in the form of meat and dairy products Florian Werner examines how cows are worshipped in some circles such as in Hindu mythology and abhorred in others today being vilified as an agent of climate change And he waxes philosophic about the significance of the cow's rumination and cud chewing as well as her simple but meaningful moo Combining thorough research with an accessible writing style Florian Werner offers readers an eye opening perspective on this commodified animal whose existence is inextricably intertwined with ours and which we too often take for granted

Sullivan,2023-01-05 Back on the Farm is a collection of 176 humorous stories Harold Sullivan wrote for his grandchildren about growing up on a farm in Comet West Virginia during the 30s and 40s The moments that were the basis of the stories were frozen in time for the author and his fond retelling When I was a boy back on the farm recreates that life in the reader s mind too His stories are of small triumphs giant failures and a few in between They are funny tales of his relationship with his younger sister whom as one story recounts he convinced to let him shoot her with a homemade BB gun This sister then pretended it didn t hurt so she would shoot him too Many of the stories are about his hardworking mother such as the time Harold and his sister made mud pies with eggs from the farm a huge financial loss in the Depression and Momma spanked them twice once for the act and again when she found they had taken all the eggs The hero of many of his stories was his father a big man in many ways whose battle with the pushy cow showed the personality of the man and of the cow Harold s stories are of a way of life that doesn t exist anymore in the tiny community of Comet West Virginia which doesn t exist anymore either But for the people who lived there or for anyone who has lived on a farm the tales from Harold s
