Booked to Die John Dunning,2017-02-07 Former Denver policeman and knowledgeable book collector Cliff Janeway investigates the murder of a bookscout **The Bookwoman's Last Fling** John Dunning,2006-05-23 As a young man New York Times bestselling author John Dunning earned his living for several years working behind the scenes on the racetrack circuit Now he brings his memories of the horse world and his expertise in collectible books to this mesmerizing new Bookman novel rich with the lore of both books and horses Denver bookman Cliff Janeway would have liked Candice Geiger She loved books with a true bookwoman s passion Her collection of first edition children s books is the best that Janeway ever hopes to see Sadly Janeway and Candice Geiger will never meet She died much too young Now twenty years later her books remain a testament to an extraordinary woman s remarkable vision Janeway first learns about the juvenilia collection when Candice s elderly husband H R Geiger passes away and Janeway travels to their Idaho home to assess the collection The estate can t be distributed until the books are valued so there s pressure on Janeway to do the job quickly But one look at the books tells Janeway something s wrong Valuable titles are missing replaced by cheap reprints Other hugely valuable pieces remain Why would a thief take one priceless book and leave an equally valuable volume on the shelf The answer may

lie in Candice's story. The daughter of a wealthy industrialist, she married horse owner and trainer H. R. Geiger at a young age. They traveled the racetrack circuit with some success, as evidenced by winner's circle photographs in which Candice is always a mysterious background figure dressed in white. Two decades after Candice's strange death, Janeway finds himself deep in a book mystery that may turn out to be much more than a cataloging exercise. It may even involve murder. Candice's daughter, Sharon, may be one of the few people who can help Janeway discover the truth. Sharon has her own Idaho ranch where she takes in sick and injured horses. Janeway worries that her house contains something that could make her very vulnerable. Half of her mother's fabulous book collection. The trail of Candice's shadowy past leads Janeway to California's Golden Gate and Santa Anita racetracks where he signs on as a racehorse hot walker. A novice at racetrack life, he tries to remain inconspicuous while listening to the chatter among the hands. He doesn't like what he hears. And when he goes to the house where Candice died to look for answers, he finds more than he bargained for. With its rich mix of books and horses, *The Bookwoman's Last Fling* is a classic entry in John Dunning's acclaimed Bookman series of suspense novels sure to bring this superbly talented author even more accolades.

The Bookman's Promise John Dunning, 2004-03-09 Cliff Janeway is back The Bookman's Promise marks the eagerly awaited return of Denver bookman author John Dunning and the award winning crime novel series that helped to turn the nation on to first edition book collecting First it was *Booked to Die* then *The Bookman's Wake* Now John Dunning fans old and new will rejoice in *The Bookman's Promise* a richly nuanced new Janeway novel that juxtaposes past and present as Denver ex cop and bookman Cliff Janeway searches for a book and a killer The quest begins when an old woman Josephine Gallant learns that Janeway has recently bought at auction a signed first edition by the legendary nineteenth century explorer Richard Francis Burton The book is a true classic telling of Burton's journey disguised as a Muslim to the forbidden holy cities of Mecca and Medina The Boston auction house was a distinguished and trustworthy firm but provenance is sometimes murky and Josephine says the book is rightfully hers She believes that her grandfather who was living in Baltimore more than eighty years ago had a fabulous collection of Burton material including a handwritten journal allegedly detailing Burton's undercover trip deep into the troubled American South in 1860 Josephine remembers the books from her childhood but

everything mysteriously disappeared shortly after her grandfather's death. With little time left in her own life, Josephine begs for Janeway's promise he must find her grandfather's collection. It's a virtually impossible task Janeway suspects, as the books will no doubt have been sold and separated over the years, but how can he say no to a dying woman? It seems that her grandfather, Charlie Warren, traveled south with Burton in the spring of 1860, just before the Civil War began. Was Burton a spy for Britain? What happened during the three months in Burton's travels for which there are no records? How did Charlie acquire his unique collection of Burton books? What will the journal, if it exists, reveal? When a friend is murdered, possibly because of a Burton book, Janeway knows he must find the answers. Someone today is willing to kill to keep the secrets of the past, and Janeway's search will lead him east. To Baltimore, to a Pulitzer Prize-winning author with a very stuffed shirt, and to a pair of unorthodox booksellers. It reaches a fiery conclusion at Fort Sumter, off the coast of Charleston, South Carolina. What's more, a young lawyer, Erin d'Angelo, and ex-librarian Koko Bujak have their own reasons for wanting to find the journal. But can Janeway trust them? Rich, with the insider's information on rare and collectible books that has made John Dunning famous, and with meticulously researched detail about a mesmerizing figure who may have played an unrecognized role in our Civil War, *The Bookman's Promise* is riveting entertainment from an extraordinarily gifted author who is as unique and special as the books he so clearly loves.

Denver John Dunning, 2010-11-23 By the 1920s, Denver had outgrown its frontier town beginnings. But for some, life was still as perilous as the surrounding terrain. The insidious influence of the Ku Klux Klan was reaching its peak, and those who stood in its path feared for their safety. Denver is the saga of a family caught in this tempestuous time. To newspaperman Tom Hastings, his writing matters more than anything. As the book opens, President Harding has just died, and Hastings finds himself drawn toward the biggest story of his career. But his wife resents his allegiance to the newspaper, and his Jewish stepfather is a target for the supremacist KKK. Two good reasons not to persist in his pursuit of the story that the KKK has penetrated the highest levels of government in the state. Some eighty characters surround Tom Hastings: there's his half-sister, the quiet, passionate Jewess Anna Kohl; David Waldo, a socialist and friend to Jack London; Willie Brown, a rising political star torn between his desire for elective office and the love of his life; and Marvel Millette, a Nellie Bly-like reporter in whom Tom Hastings finally meets his match. John Dunning creates flesh and blood figures, not only of these fictional characters but of historical personages as well. There is John Galen Locke, the Grand Dragon of the KKK, and Fred Bonfils, a founder of a newspaper dynasty built on tabloid sensationalism. President Calvin Coolidge too makes a gruff appearance. Denver is a panoramic novel as vibrant as the city for which it is named, as tumultuous as the era in which it is set. John Dunning never lets the reader lose sight of the men and women who live their lives on the pages of this saga. While crosses burst into angry flames and menacing droves of white-robed Klansmen gather against the torch-lit skies, passions, fears, joys, and hates are played out in Denver in the 1920s.
