Hollywood Larry McMurtry, 2010-08-10 One thing I've always liked about Hollywood is its zip or speed The whole industry depends to some extent on talent spotting The hundreds of agents studio executives and producers who roam the streets of the city of Los Angeles let very little in the way of talent slip by In this final installment of the memoir trilogy that includes *Books and Literary Life* Larry McMurtry the master of the show stopping anecdote *O The Oprah Magazine* turns his own keenly observing eye to his rollercoaster romance with Hollywood As both the creator of numerous works successfully adapted by others for film and television *Terms of Endearment* *Lonesome Dove* and the Emmy nominated *The Murder of Mary Phagan* and the author of screenplays including *The Last Picture Show* with Peter Bogdanovich *Streets of Laredo* and the Oscar winning *Brokeback Mountain* both with longtime writing partner Diana Ossana McMurtry has seen all the triumphs and frustrations that Hollywood has to offer a writer and he recounts them in a voice unfettered by sentiment and yet tinged with his characteristic wry humor Beginning with his sudden entrance into the world of film as the author of *Horseman Pass By* adapted into the Paul Newman starring *Hud* in 1963 McMurtry regales readers with anecdotes that find him holding hands with Cybill Shepherd watching Jennifer Garner's audition tape and taking lunch at Chasen's again and again McMurtry fans and Hollywood hopefuls alike will find much to cherish in these pages as McMurtry illuminates life behind the scenes in America's dream factory

Somebody's Darling: A Novel Larry McMurtry, 2018-10-02 The personal and professional struggles of McMurtry's lively protagonist Jill Peel a director in 1970s Hollywood takes on new resonance in the twenty first century Forty years ago Larry McMurtry journeyed from the sprawling ranches of his early work to the provocative Sunset Strip creating a Hollywood fable that is both immediate and relevant in today's dynamic cultural climate One would never guess that Jill Peel is still on the verge of stardom Jill won an Oscar shortly after her fresh faced arrival in

1950s Hollywood then for the next twenty years battled away every Tinseltown producer who tried to hire her and get her into bed Now middle aged she s determined to create more movie magic by directing a cast of raunchy eccentrics including Joe Percy an aging womanizing screenwriter and ex football player Owen Oarson eager to sleep his way to leading man stardom Teeming with biting humor and intriguing characters that mirror the scandals of modern day Hollywood Somebody s Darling is a timeless story about a fiercely capable woman who dares to challenge the realities of a deceptively seductive Babel
