Lord If:

A collection of Hymns ... With a supplement, for the use of the Wesleyan Methodist Association John Wesley,1843

Trust Larry W. Ellis,2010-08-18 Trust is vital for living in these days I believe the sin of mistrusting God is the fountainhead of our modern malaise Imagine that God desires to take us humans to the place where each of us desires to go the place of trust The promises connected to trusting God are both innumerable and immeasurable I write this volume in hopes of spurring the believer who has settled for an uneventful life while claiming love and allegiance to the Lord I am in hopes that the person who is just going through the motions of religious life can catch a glimpse of what God has in store for him or her Most of us really think we are trusting God when in fact we are leaning on our own understanding This book will teach you the benefits and blessings of trusting God Larry Ellis from the Introduction
