Lord Ormont and His Aminta George Meredith,1894 **Lord Ormont and His Aminta. Complete** George Meredith,2021-01-18 **Lord Ormont and his aminta** George Meredith,2023-06-22 A procession of schoolboys having to meet a procession of schoolgirls on the Sunday s dead march called a walk round the park could hardly go by without dropping to a hum in its chatter and the shot of incurious half eyes the petticoated creatures all so much of a swarm unless you stare at them like lanterns The boys cast glance because it relieved their heaviness things were lumpish and gloomy that day of the week The girls who sped their peep of inquisition before the moment of transit let it be seen that they had minds occupied with thoughts of their own Our gallant fellows forgot the intrusion of the foreign as soon as it had passed A sarcastic discharge was jerked by chance at the usher and the governess at the old game it seemed or why did they keep steering columns to meet There was no fun in meeting it would never be happening every other Sunday and oftener by sheer toss penny accident They were moved like pieces for the pleasure of these two Sometimes the meeting occurred twice during the stupid march out when it became so nearly vexatious to boys almost biliously oppressed by the tedium of a day merely allowing them to shove the legs along ironically naming it animal excise that some among them pronounced the sham variation of monotony to be a bothering nuisance if it was going to happen every Sunday though Sunday required diversions They hated the absurdity in this meeting and meeting for they were obliged to anticipate it as a part of their ignominious weekly performance and they could not avoid reflecting on it as a thing done over again it had them in front and in rear and it was a kind of broadside mirror flashing at them the exact opposite of themselves in an identically similar situation that forced a resemblance **Lord Ormont and His Aminta** George Meredith,1910 Lord Ormont and His Aminta George Meredith,2016-05-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Lord Ormont and His Aminta** George Meredith,2016-05-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps
