Lord Paramount of the Turf Michael Seth-Smith,1971 **Reformers, Sport, Modernizers** J A Mangan,2013-10-11 A record of the role of selected middle class individuals across Europe who made notable contributions to the early evolution of modern sport and who saw success in modern sport as an expression of human qualities to be admired applauded and encouraged They viewed sport sometimes self interestedly but not always self interestedly as a medium of personal collective and national virtue It is the first general consideration of a selection of these innovatory pioneers and proselytisers who placed Europe at the forefront of major developments in contemporary world sport now a phenomenon of global significance

Gentlemen and Blackguards Nicholas Foulkes,2010-05-27 Men money duelling and murder welcome to the infamous Derby race of 1844 and the gambling mania that gripped early 19th century Britain This is a tale of money gambling and sporting obsession of rogues and rascals outrageous criminality aristocratic complacency and a gripping investigation to expose the most audacious sporting plot of the age In the early 1840s Britain was the gambling capital of Europe and the Epsom Derby was attracting countless spectators and many millions of pounds in wagers It was a time of frenzied speculation high stakes and low morals But as the unprincipled Regency era gave way to the high mindedness of the Victorian period reformers decided it was time to challenge the murky world of illegal gambling and in 1844 launched the far reaching Parliamentary Enquiry When the Derby of the same year ended in chaos with the two favourite horses doped the Turf s most dedicated follower and greatest tyrant Lord George Bentinck took it upon himself to uncover the truth of what happened that day which led to one of the most sensational court cases of the 19th century A compelling detective story peopled with low life aristocrats and high minded reformers GENTLEMEN AND BLACKGUARDS paints a rich picture of early Victorian society bringing to light an overlooked turning point in British history *Mr. Darley's Arabian* Christopher McGrath,2017-03-07 In 1704 a bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire But he turned out to be far more than that and although Mr Darley s Arabian never ran a race 95% of all thoroughbreds in the world today are descended from him In this book for the first time award winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse Frankel The story of racing is about man s relationship with horses and Mr Darley s Arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty McGrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad and from legendary jockeys to not one but two disreputable Princes of Wales and a very unamused Queen Victoria Mr Darley s Arabian shows us the many faces of the sport of kings **The National union catalog, 1968-1972** ,1973 The National Union
