

Inés María Cardone

¿Cuántos libros, ensayos, investigaciones se han publicado sobre la vida y obra de Neruda? Muchos, en tantos y tantos idiomas del mundo. Entonces uno se pregunta, ¿uno más? Sí. Uno más, éste. Este, que tiene la gracia de poner en el centro de la vida y la obra del poeta sus amores. ¿A quién amó más, aparte de a sí mismo? ¿A Albertina, a Delia o a Matilde? Una tras otra, y en algunos casos una junto a la otra. Imposible saberlo. "Infiel pero leal", consigna la autora.

En esta obra de Inés María Cardone no aparece el político ni el diplomático. Sólo el hombre enamorado, apasionado, sufriendo y gozoso, a través de los testimonios de las mujeres que lo amaron y soportaron, con el trasfondo de sus propias confesiones hechas versos. La historia está investigada con ansiedad de periodista que busca, perseverantemente, la verdad detrás de los mitos.

Inés María no se conforma con hurgar en textos y más textos: va a las fuentes mismas de la noticia.

Y la noticia aquí es el corazón de Neruda, con sus amores y olvidos, con sus pequeñeces y grandezas. Inés María recorre los caminos que recorrió el poeta, desde su orfandad de niño hasta su lecho de muerte. Recoge, de viva voz, los recuerdos de quienes lo conocieron de cerca. Y construye la historia con artes y técnicas más periodísticas que literarias. Logra así una historia humana y poética con todos los elementos de una buena crónica: suspense y emoción, intrigas, juegos de poder, sexo y romance.

Los amores de Neruda es una gran historia humana extraída de la realidad que es, al fin de cuentas, el pan sagrado con que se alimenta el periodismo.
