Los Zapaticos De Rosathe Pink Shoes:

From Bananas to Buttocks Myra Mendible, 2010-06-03 From the exuberant excesses of Carmen Miranda in the tutti frutti hat to the curvaceous posterior of Jennifer Lopez the Latina body has long been a signifier of Latina o identity in U S popular culture But how does this stereotype of the exotic erotic Latina bombshell relate if at all to real Latina women who represent a wide spectrum of ethnicities national origins cultures and physical appearances How are ideas about Latinidad imagined challenged and inscribed on Latina bodies What racial class and other markers of identity do representations of the Latina body signal or reject In this broadly interdisciplinary book experts from the fields of Latina o studies media studies communication comparative literature women s studies and sociology come together to offer the first wide ranging look at the construction and representation of Latina identity in U S popular culture The authors consider such popular figures as actresses Lupe V lez Salma Hayek and Jennifer Lopez singers Shakira and Celia Cruz and even the Hispanic Barbie doll in her many guises They investigate the media discourses surrounding controversial Latinas such as Lorena Bobbitt and Marisleyxis Gonz lez And they discuss Latina representations in Lupe Solano s series of mystery books and in the popular TV shows *El Show de Cristina* and *Laura en Am rica* This extensive treatment of Latina representation in popular culture not only sheds new light on how meaning is produced through images of the Latina body but also on how these representations of Latinas are received revised and challenged

The New Latino Studies Reader Ramon A. Gutierrez, 2016-08-23 The New Latino Studies Reader is designed as a contemporary updated multifaceted collection of writings that bring to force the exciting necessary scholarship of the last decades Its aim is to introduce a new generation of students to a wide ranging set of essays that helps them gain a truer understanding of what it s like to be a Latino in the United States With the reader students explore the sociohistorical formation of Latinos as a distinct panethnic group in the United States delving into issues of class formation social stratification racial gender and sexual identities and politics and cultural production And while other readers now in print may discuss Mexican Americans Puerto Ricans Cubans and Central Americans as distinct groups with unique experiences this text explores both the commonalities and the differences that structure the experiences of Latino Americans Timely thorough and thought provoking The New Latino Studies Reader provides a genuine view of the Latino experience as a whole

José Martí's Liberative Political Theology Miguel A. De La Torre, 2021-05-15 Jos Mart s Liberative Political Theology argues that Mart s religious views which at first glance might appear outdated and irrelevant are actually critical to understanding his social vision During a time in which the predominant philosophical view was materialistic e g Darwin Marx Mart sought to reconcile social and political trends with the metaphysical believing that ignoring the spiritual would create a soulless approach toward achieving a liberative society As such Mart used religious concepts and ideas as tools that could bring forth a more just social order In short this book argues Mart could be considered a precursor to what would come to be called liberation theology Miguel De La Torre has authored the most comprehensive

text written thus far concerning Mart s religious views and how they affected his political thought The few similar texts that exist are written in Spanish and most of them romanticize Mart s spirituality in an attempt to portray him as a Christian believer Only a handful provide an academic investigation of Mart s theological thought based solely on his writings and those concentrate on just one aspect of Mart s religious influences Jos Mart s Liberative Political Theology allows for mutual influence between Mart s political and religious views rather than assuming one had precedence over the other **Voices**

Out of Africa in Twentieth-century Spanish Caribbean Literature Julia Cuervo Hewitt,2009 Hewitt Spanish and Portuguese Pennsylvania State U explores the representation of Africa and Afro Caribbean ness in Spanish Caribbean literature of the 20th century Her main argument is that the literary representation of Africa and Africanness meaning practices belief systems music art myths popular knowledge in Spanish speaking Caribbean societies constructs a self referential discourse in which Africa and African things shift to a Caribbean landscape as the site of the M Other Or in other words these representations imaginatively rescue and simultaneously construct a Caribbean cultural imaginary conceived as the Other within that associates Africa with a cultural womb Among the texts she explores are Fernando Ortiz s interpretations of the Black Carnival in Cuba the early Afro Cuban poems of Alejo Carpentier the Afro Cuban stories of Lydia Cabrera a number of literary representations of the figure of the runaway slave and two works by Puerto Rican novelist Edgardo Rodriguez Julia The Cuban Filmography Alfonso J. García Osuna,2015-08-01 On January 24 1897 an event took place that would change Cuban culture forever the first moving pictures were shown in Havana A couple of weeks later on February 7 the first movie was filmed on the island Since then cinematography and Cuba have shared peculiar and innate connections as their beginnings roughly coincide and Cubans are living in both the age of independence and revolution and the age of film This work is a filmography of every Cuban film including documentaries shorts and cartoons released from 1897 the first year films were shown and made in Cuba through 2001 Each entry gives the original title of the film the English translation of it director production company or companies year of release black and white or color total running time writing credits if the film is based on a story or novel animation credits if the film is a cartoon music credits if music has been written specifically for the film cast credits and a synopsis and short critical evaluation The work also provides comments on the relationship between Cuban film and history and the changes that have taken place over the years in themes topics methods and other aspects of filmmaking in Cuba **SYSTEMATIC INSTRUCTION IN READING FOR**

SPANISH-SPEAKING STUDENTS Elva Duran,2013-04-01 Students whose first language is not English are the fastest growing group in public schools in all regions of the United States Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U S are under educating many English learners The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change The initial chapter

introduces direct instruction to be used with reading and literacy programs Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction listening and speaking with Spanish speaking students and offers what a comprehensive language development program should look like Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish Chapter 6 offers lesson plan suggestions for Spanish speaking students while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs Finally Chapter 10 discusses two way bilingual immersion and shares actual classroom schedules and lessons This unique text will help in the preparation of primary grade teachers throughout the U S so that they may be successful with Hispanic students entering the public schools with little or no English background It will also be a useful tool for school districts staff development in addressing school improvement goals for increasing the achievement of Hispanic students

Ruben Dario Centennial Studies Miguel Gonzalez-Gerth, George D. Schade, 2014-07-03 Ruben Dario 1867 1916 the undisputed standard bearer of the Modernist movement in Hispanic letters was born in Nicaragua In 1886 he went to Chile where he published *Azul* 1888 his first important book of poems and stories Later he lived for extended periods in Argentina Spain and France and in these countries produced his best work compelling poems of beauty style and dignity especially *Cantos de vida y esperanza* 1905 The perfection of form exotic essences and rich ornamentation of his earlier work give way in his most mature poems to self probings and doubts the anguish so characteristic of twentieth century literature But the hedonistic note the quenchless appetite for life dominating *Azul* and *Prosas profanas* 1896 never die out and are magnificently present in *El poema del otoño* 1910 Dario has had a tremendous impact on Hispanic literature He is one of the best examples of the poet who is true to his art as determined by his innermost impulses His poetry has fertilized a whole generation of writers in Spanish America and in Spain and even now his influence continues to be felt

Try to Remember Iris Gomez, 2010-04-16 An award winning poet and expert in US immigration and asylum law delivers a powerful novel about a daughter's attempt to sustain her family as her father struggles with his mental health Lyrical poignant and smart as compassionate and hopeful as it is heartbreaking a novel you will never forget Jenna Blum New York Times bestselling author of *Those Who Save Us* If she tries Gabriela can almost remember when her father went off to work when her mother wasn't struggling to undo the damage he caused when a short temper didn't lead to physical violence But Gabi cannot live in the past not when one more outburst could jeopardize her family's future So she trades the life of a normal Miami teenager for a career of carefully managing her father's delusions and guarding her mother's secrets As Gabi navigates her family's twisting path of lies and revelations relationships and loss she finds moments of happiness in unexpected places Ultimately Gabi must discover the strength she needs to choose what's right for her serving her parents or a future of her own

José Martí and the Intersection of Empires and Economics Miguel A. De La

Torre,2025-10-16 This volume looks beyond the myth of Jos Mart by critically exploring economic thoughts found in his writings specifically how they developed and how they were influenced by his position between a declining Spanish empire and a rising US empire This book demonstrates how Mart is among the few who transcended regional and national borders thus belonging to all of humanity Miguel A De La Torre argues that Mart envisioned a way of being specifically a Cuban way of being beyond Spain and the United States His writing was among the first in history to put into prose his dream of a postcolonial existence More than simply an intellectual exercise he was among that breed of scholar activists who attempted to create con un cuchillo en la boca a postcolonial existence through a life long dedication to praxis He also was among the first to see and warn the Am ricos of the growing and unquenchable covetous appetite of the United States This book argues that the major struggles and aspirations which the Am ricos face today can be summarized as everything predicted and written by Mart who gave voice to the dream of the disenfranchised This was established by calling for the construction of a liberated society based on social economic justice racial harmony labor rights and self determination De La Torre provides insight to Mart s ethical way of being which facilitated tackling the wider political world from an unapologetic Cuban social location

Latin America and the Transports of Opera Roberto Ignacio Díaz,2024-01-15 Latin America and the Transports of Opera studies a series of episodes in the historical and textual convergence of a hallowed art form and a part of the world often regarded as peripheral Perhaps unexpectedly the archives of opera generate new arguments about several issues at the heart of the established discussion about Latin America the allure of European cultural models the ambivalence of exoticism the claims of nationalism and cosmopolitanism and ultimately the place of the region in the global circulation of the arts Opera s transports concern literal and imagined journeys as well as the emotions that its stories and sounds trigger as they travel back and forth between Europe the United States too and Latin America Focusing mostly on librettos and other literary forms this book analyzes Calder n de la Barca s baroque play on the myth of Venus and Adonis set to music by a Spanish composer at Lima s viceregal court Alejo Carpentier s neobaroque novella on Vivaldi s opera about Moctezuma the entanglements of opera with class gender and ethnicity throughout Cuban history music dramas about enslaved persons by Carlos Gomes and Hans Werner Henze staged in Rio de Janeiro and Copenhagen the uses of Latin American poetry and magical realism in works by John Adams and Daniel Cat n and a novel by Manuel Mujica Lainez set in Buenos Aires s Teatro Col n plus a chamber opera about Victoria Ocampo with a libretto by Beatriz Sarlo Close readings of these texts underscore the import and meanings of opera in Latin American cultural history

Ethics and Children's Literature Claudia Mills,2016-05-13 Exploring the ethical questions posed by in and about children s literature this collection examines the way texts intended for children raise questions of value depict the moral development of their characters and call into attention shared moral presuppositions The essays in Part I look at various past attempts at conveying moral messages to children and interrogate their underlying assumptions What visions of childhood were conveyed by explicit attempts to cultivate specific

virtues in children What unstated cultural assumptions were expressed by growing resistance to didacticism How should we prepare children to respond to racism in their books and in their society Part II takes up the ethical orientations of various classic and contemporary texts including prosaic ethics in the Hundred Acre Wood moral discernment in Narnia ethical recognition in the distant worlds traversed by L Engle and virtuous transgression in recent Anglo American children s literature and in the emerging children s literature of 1960s Taiwan Part III s essays engage in ethical criticism of arguably problematic messages about our relationship to nonhuman animals about war and about prejudice The final section considers how we respond to children s literature with ethically focused essays exploring a range of ways in which child readers and adult authorities react to children s literature Even as children s literature has evolved in opposition to its origins in didactic Sunday school tracts and moralizing fables authors parents librarians and scholars remain sensitive to the values conveyed to children through the texts they choose to share with them

Reclaiming Paris Fabiola Santiago,2008-09-16 Men are like perfumes In an instant with nothing but a whiff of judgment I either love them or discard them Marisol is an exuberant poet and historical archivist living in contemporary Miami Like her adopted city she s a sensual free spirit Born in Cuba and transplanted at an early age to Florida she nurses a nostalgia for the legendary island birthplace she barely remembers She also harbors a passion for scents donning a new perfume each time she takes on a new relationship After the death of her beloved grandmother and a series of sensuous but disappointing romances Marisol realizes that she must break free from the shackles of her history abandon lost causes and embrace the only real home she s ever had her own wandering heart Freed at last from yearning for old Havana the Paris of the Caribbean this romantic exile must embrace a new life Although she cannot reclaim Havana she can experience the real thing Paris so Marisol sets out with an open ticket to chart the course of her future Bridging the divide between the effervescent Miami of today and the mystical Cuba of yesteryear Reclaiming Paris is a paean to place and memory rich with humor passion and unforgettable characters

Resistance and Survival Ann González,2022-08-23 In her analysis of some of the most interesting and important children s literature from Central America and the Caribbean Ann Gonz lez uses postcolonial narrative theory to expose and decode what marginalized peoples say when they tell stories to their children and how the interpretations children give these stories today differ from the ways they have read them in the past Gonz lez reads against the grain deconstructing and critiquing dominant discourses to reveal consistent narrative patterns throughout the region that have helped children maneuver in a world dominated by powerful figures from parents to agents of social control political repression and global takeover Many of these stories are in some way lessons in resistance and survival in a world where the toughest kid on the block often an outsider demands that a group of children play or pay on his terms Gonz lez demonstrates that where traditional strategies have proposed the model of the trickster or the paradoxically astute fool to mock the pretensions of the would be oppressor new trends indicate that the

region's children and those who write for them show increasing interest in playing the game on their own terms getting to know the Other embracing difference and redefining their identity and role within the new global culture Resistance and Survival emphasizes the hope underlying this contemporary children's literature for a world in which all voices can be heard and valued the hope of an authentic happy ending The Columbia Encyclopedia of Modern Drama Gabrielle H. Cody, Evert Sprinchorn, 2007 The Columbia Encyclopedia of Modern Drama covers the period from 1860 to the present The distinctive feature of this encyclopedia is the emphasis it places on the cultural context of dramatic works and their authors Preface
