Astrology through History William E. Burns, 2018-07-20 Alphabetically arranged entries cover the history of astrology from ancient Mesopotamia to the 21st century In addition to surveying the Western tradition the book explores Islamic Indian East Asian and Mesoamerican astrology The field of astrology is growing rapidly as historians recognize its centrality to the intellectual life of the past and sociologists and anthropologists treat its importance in a number of modern cultures Despite the historical and cultural significance of the subject most reference works on astrology focus on instructional techniques and are written by astrologers with little or no interest in the history of the topic This book instead offers an objective treatment of astrology across world history from ancient Mesopotamia to the present The book provides alphabetically arranged entries by expert contributors writing on such topics as horoscopes court astrologers Renaissance astrology and comets While it considers the Western tradition it also treats Islamic Indian East Asian and Mesoamerican astrology In doing so it explores the role of astrology in shaping science literature religion art and other defining cultural traditions Sidebars offer excerpts from various historical texts while entries provide suggestions for further reading

The Secret Doctrine (Complete 3 Volumes) Helena Blavatsky, 2022-11-13 In *The Secret Doctrine* Helena Blavatsky presents a profound exploration of the universal truths underlying religion philosophy and science encapsulated in her meticulously woven narrative across three comprehensive volumes This work employs a distinctive blend of esoteric language and analytical reasoning drawing upon an eclectic range of sources including Eastern spirituality Western mysticism and the natural sciences Written during the late 19th century the book aims to reveal the metaphysical framework of existence introducing concepts such as cosmic evolution and the unity of all life while challenging the prevailing materialistic worldview of her time Helena Blavatsky a co founder of the Theosophical Society was deeply influenced by her studies in Eastern philosophies and occult traditions Her travels in India and encounters with yogic practices and spiritual teachings profoundly shaped her worldview Blavatsky's intent in writing *The Secret Doctrine* arose from her mission to disseminate these esoteric teachings bridging the gap between science and spirituality and appealing to an increasingly skeptical society This essential text is recommended for those seeking an intellectual awakening or a deeper understanding of spiritual philosophies Blavatsky's intricate ideas encourage readers to contemplate the interconnectedness of all life and prompt an exploration of their own spiritual paths making *The Secret Doctrine* a hallmark of esoteric literature that remains relevant and thought provoking today
