

Short Poems about **Being Lost**

By Maya Anthony

Adrift in Thought

In my mind, a sea vast and wide,
Thoughts like waves, in them, I hide.
Adrift in this ocean, so deep and blue,
In its depths, I search for a clue.

Lost in the maze of my own making,
In each thought, my heart's quaking.
A wandering mind, without a chart,
In its sea, lost my heart.

Adrift and alone, in thought's tide,
In its waves, I silently glide.
In this ocean, no shore in sight,
In my thoughts, perpetual night.

Carlos Williams Robert Cirasa, 1996 In each Williams took as the basic element or constituent sections of these two large scale literary structures the tacit lyrical sequences that had constituted his originally separate volumes of verse also added new groupings as he made changes to the old and fashioned them all into a unique series of lyrical sequence a lyrical super sequence that gave unified lyrical definition and compelling lyrical immediacy to the whole of his poetic development

Mandelstam Brown, 1973-10-26 Osip Mandelstam who died in 1938 in one of Stalin's labour camps is one of the greatest poets of this century Brown's 1978 volume is a very full and important book which tells of Mandelstam's earlier life and gives an introduction to the poetry Professor Brown tells as much as will probably ever be known about Mandelstam's early life his studies his literary relationships and recreates in piquant detail the intellectual world of prerevolutionary St Petersburg Indeed the criticism of Mandelstam's three collections of poetry quoted both in Russian and in translation manages the seemingly impossible the reader with no Russian begins to grasp as though at first hand how this poetry makes its effects and he senses its originality and importance and its place in European literature Professor Brown here presents the first critical study of the life and works **Poems from Mandelstam** Osip Mandel'shtam, 1990 The texts in this volume represent all periods of Osip Mandelstam's work from his brilliant pre Acmeist boyhood through the heyday of Acmeism the Revolution World War I and Civil War and on to the poet's harsh final years of ostracism Voronezh exile and death in a camp near Vladivostok **Monthly Bulletin of Books Added to the Public Library of the City of Boston** Boston Public

intended to gather into a volume to inspire reformers from the labouring classes several accompanied by significantly new textual material recovered from draft manuscripts are included as are the important political works Ode to Liberty Ode to Naples and Oedipus Tyrannus Shelley's burlesque Greek tragedy on the Queen Caroline affair Other major poems featured include The Sensitive Plant Ode to the West Wind Letter to Maria Gisborne an exuberant translation from the ancient Greek of the Homeric Hymn to Mercury and the brilliantly inventive The Witch of Atlas In addition to accompanying commentaries there are extensive bibliographies a chronology of Shelley's life and indexes to titles and first lines Leigh Hunt's informative Preface of 1832 to The Mask of Anarchy is also included as an Appendix The volumes of The Poems of Shelley form the most comprehensive edition of Shelley's poetry available to students and scholars [A Bookman's Catalogue Vol. 2 M-End T](#).

Wragg,2020-05-15 Culture Environment and Ecopolitics brings together a series of new reflections on historical and current ecological and environmental predicaments By way of critical interventions in environmental thought and through engagements with literary visual architectural philosophical and more general cultural studies scholarship this collection of essays by an international panel of writers breaks new interpretative ground While techno science has in some quarters been elevated to a master discourse of humanity's salvation charged with providing a magical fix for planetary ecological dilemmas the focus of our volume is on the importance of cultural reflection for bringing matters of local and global import to light Moving from the abstractions of eco critical utopianisms to the concrete identity of the land in the poetry of John Clare from British Petroleum's attempts to re brand climate change to examples of eco architecture and much more besides these essays exemplify ways in which eco political thought and practice might now be theorized The collection is framed by a substantial editors introduction which offers but one contextualization of the ideas and critical trajectories that follow Culture Environment and Ecopolitics will allow readers to discover original intersections and argumentative cross references across contested terrains in a world increasingly troubled by ecological crises **Jubilee Hitchhiker** William Hjortsberg,2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan's career

wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius
