

THE LOST WORD

THE LOST WORD is a concept Esoteric Freemasonry which represents a state of Consciousness that has been largely "lost" to the majority of human beings. In order to speak the "**Lost Word**," a human being must work upon themselves in order to achieve a state of EQUILIBRIUM, or Balance, between the Left and Right brain hemispheres. In such a state of Consciousness, the being has come to know the Self, as well as the working operations of Natural Law, and in doing so, has come to understand the *objective difference between Right and Wrong*, or, as they are referred to in Freemasonry, "*Light*" and "*Darkness*," respectively.
