Luke New Testament Message Volume 5:

Luke's Christology of Divine Identity Nina Henrichs-Tarasenkova, 2015-11-19 Henrichs Tarasenkova argues against a long tradition of scholars about how best to represent Luke's Christology. When read against the backdrop of ancient ways of constructing personal identity, key texts in the Lukan narrative demonstrate that Luke indirectly characterizes Jesus as the one God of Israel together with YHWH. Henrichs Tarasenkova employs a narrative approach that takes into consideration recent studies of narrative and history and enables her to construct characters of YHWH and Jesus within the Lukan narrative. She employs Richard Bauckham's concept of divine identity that she evaluates against her study of how one might speak of personal identity in the Greco-Roman world. She engages in close reading of key texts to demonstrate how Luke speaks of YHWH as God in order to demonstrate that Luke's Acts upholds a traditional Jewish view that only the God of Israel is the one living God and to eliminate false expectations for how Luke should speak of Jesus as God. This analysis establishes how Luke binds Jesus' identity to the divine identity of YHWH and concludes that the Lukan narrative in fact does portray Jesus as God when it shows that Jesus shares YHWH's divine identity. *St. Luke's Missiology* Harold E. Dollar, 1996 This book touches on the fundamental contributions of Luke's two-volume work revealing how a small Jewish sect became a worldwide movement in one generation. It recognizes the essential unity of Luke's Acts by showing how Luke prepares for the book of Acts. Luke's story of how the gospel moves from the particular to the universal gives insights on the missiological dynamics of early Christianity and provides models for the church and missions today. Jesus and Salvation Robin Ryan, 2015-04-08 How does the Christian proclamation of salvation in Jesus Christ relate to the lives of the people who suffer most? Does salvation consist entirely of the hope for eternal life with God? How might the church effectively preach the message of salvation in Christ today? In *Jesus and Salvation* Robin Ryan adopts a historical approach to these questions, discussing key themes and classic authors in the developing tradition about Christ the Savior. He examines modern soteriology by engaging the thought of Karl Rahner, Edward Schillebeeckx, Gustavo Guti rrez, and Elizabeth Johnson. He also discusses contemporary conceptions of salvation within an evolutionary view of the cosmos as well as issues related to the Christian confession of Jesus as universal savior in a religiously pluralistic world. Ryan concludes by offering his own reflections on the meaning of salvation from God in Jesus Christ. By understanding salvation in Christ as both gift and call, Ryan invites readers to recognize in the saving grace of God a responsibility for the well-being of the human family and the rest of creation. The Early Text of the New Testament Charles E. Hill, Michael J. Kruger, 2012-06-14 The *Early Text of the New Testament* aims to examine and assess from our earliest extant sources the most primitive state of the New Testament text now known. What sort of changes did scribes make to the text? What is the quality of the text now at our disposal? What can we learn about the nature of textual transmission in the earliest centuries? In addition to exploring the textual and scribal culture of early Christianity, this volume explores the textual evidence for all the sections of the New Testament. It also

examines the evidence from the earliest translations of New Testament writings and the citations or allusions to New Testament texts in other early Christian writers *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe s trustworthy insights on the entire New Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read *The Scripture Text Book, Being the Second Edition of Scripture Texts Arranged ... issues surrounding the history of the Greek language and how its development has impacted the Greek found within the New Testament Paul and the Gospels Michael F. Bird, Joel Willitts, 2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels
