Lurid Confessions:

Lurid Confessions Steve Kowit,1983 Troubling Confessions Peter Brooks,2000 In *Troubling Confessions* Peter Brooks juxtaposes law and literature to explore the kinds of truth we associate with confessions and why we both rely on them and regard them with suspicion For centuries the law has considered confession to be the queen of proofs but it has also seen a need to regulate confessions and the circumstances under which they are made as evidenced in the continuing debate over the Miranda decision Western culture has made confessional speech a prime measure of authenticity seeing it as an expression of selfhood that bears witness to personal truth Yet the urge to confess may be motivated by inextricable layers of shame guilt self loathing and the desire to propitiate figures of authority Literature has often understood the problematic nature of confession better than the law as Brooks demonstrates in perceptive readings of legal cases set against works by Rousseau Dostoevsky Joyce and Camus among others **The Big Con** Nate Hendley,2016-09-06 This book examines a broad range of infamous scams cons swindles and hoaxes throughout American history and considers why human gullibility continues in an age of easy access to information Covering American cons and hoaxes past and present including the Great Moon Hoax of 1835 the controversy over subliminal messaging do bands filmmakers and advertisers really put secret messages in their works the panic about satanic daycare operators in the 1980s and recent Internet scams this book provides a fascinating fact based look at infamous frauds across the centuries Offering an engaging mix of history sociology and psychology author Nate Hendley gives readers an appreciation of how prominent scams cons confidence men and hoaxes have impacted American society past and present Each entry details the scheme or hoax and the pertinent con artist schemer involved examining the sociological cultural political and or economic effect of the scams Each topic is accompanied by a short bibliography of further reading selections As the old saying goes There is a sucker born every minute and there has always been a keen eyed swindler to take advantage of the situation *The Big Con Great Hoaxes Frauds Grifts and Swindles in American History* explores this sordid underbelly of American civilization and invites readers to revel in the felonious experience *Steve Kowit Greatest Hits* Steve Kowit,2004 **Hidden Minds** F. R. Tallis,2012-05 *Hidden Minds* traces our enduring fascination with the unconscious and our attempts to tame it through hypnosis psychoanalysis subliminal manipulation lucid dreams and even the principles of the quantum *Beautifully Cruel* M. William Phelps,2017-11-28 The New York Times bestselling true crime author investigates a shocking case of a wife mother and murder in the Iowa suburbs Iowa housewife Tracey Pittman Roberts seemed to have it all natural beauty three loving children and a fairy tale second marriage to a wealthy businessman But beneath the happy fa ade was a woman who used lies manipulation sex ugly allegations blackmail and even murder to serve her own selfish ends On December 13 2001 police rushed to Tracey s home after a shooting left her young neighbor dead Tracey claimed it was an act of self defense Nine gunshot wounds and a decades long trail of extortion fabrication fraud and intimidation said otherwise Ten years after the crime Tracey s case

finally went to trial in an explosive courtroom showdown In a searing exploration of the criminal mind acclaimed investigative journalist M William Phelps traces the saga of a psychopath who hid in plain sight until her wicked ways caught up with her Phelps is one of America s finest true crime authors Vincent Bugliosi Phelps is the Harlan Coben of real life thrillers Allison Brennan *Oedipus and the Devil* Lyndal Roper,2013-03-01 This bold and imaginative book marks out a different route towards understanding the body and its relationship to culture and subjectivity Amongst other subjects Lyndal Roper deals with the nature of masculinity and femininity , Death Kit Susan Sontag,2013-10-01 First published in 1967 Death Kit Susan Sontag s second novel is a classic of modern fiction Blending realism and dream it offers a passionate exploration of the recesses of the American conscience **Crusade against Drink in Victorian England** Lilian Lewis Shiman,2016-01-07 Drink the curse of Britain was sweeping the land or so it seemed to many Englishmen in the early decades of the nineteenth century They held it responsible for crime poverty and many other ills of the rapidly industrializing towns A moderation temperance reform organized in 1829 largely under middle class auspices soon gave way to a radical commitment to total abstinence in a great variety of worker self help groups When these too failed to change the drinking habits of most Englishmen the temperance movement sought new alliances In the 1870s and 1880s Gospel Temperance married temperance to revivalist religion It received the support of both established and non conformist churches and millions took the pledge But many did not and as religious enthusiasm faded the anti drink forces shifted their attention to the political arena After successfully pressuring the Liberal Party to adopt limited prohibition they mounted a great but unsuccessful campaign in the 1895 election With this defeat the anti drink crusade disintegrated leaving the dedicated teetotallers socially isolated in the safe haven of their drink free subculture
