Lust Lizard Of Melancholy Cove:

Lust Lizard of Melancholy Cove Christopher Moore, 2009-10-06 The town psychiatrist has decided to switch everybody in Pine Cove California from their normal antidepressants to placebos so naturally well to be accurate artificially business is booming at the local blues bar Trouble is those lonely slide guitar notes have also attracted a colossal sea beast named Steve with shall we say a thing for explosive oil tanker trucks Suddenly morose Pine Cove turns libidinous and is hit by a mysterious crime wave and a beleaguered constable has to fight off his own gonzo appetites to find out what's wrong and what if anything to do about it *A Melankólia-öböl buja bestiája* Moore Christopher, 2014 **Practical Demonkeeping**

Christopher Moore, 2009-03-17 In Christopher Moore's ingenious debut novel we meet one of the most memorably mismatched pairs in the annals of literature The good looking one is one hundred year old ex seminarian and roads scholar Travis O Hearn The green one is Catch a demon with a nasty habit of eating most of the people he meets Behind the fake Tudor facade of Pine Cove California Catch sees a four star buffet Travis on the other hand thinks he sees a way of ridding himself of his toothy traveling companion The winos neo pagans and deadbeat Lotharios of Pine Cove meanwhile have other ideas And none of them is quite prepared when all hell breaks loose **Historical Dictionary of Fantasy Literature** Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **The A to Z of Fantasy Literature**

Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire

historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Encyclopedia of the Zombie June Michele Pulliam, Anthony J. Fonseca, 2014-06-19 A fascinating read for anyone from general readers to hardcore fans and scholars this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon including film literature folklore music video games and events The proliferation of zombie related fiction film games events and other media in the last decade would seem to indicate that zombies are the new vampires in popular culture The editors and contributors of Encyclopedia of the Zombie The Walking Dead in Popular Culture and Myth took on the prodigious task of covering all aspects of the phenomenon from the less known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable relentless zombie character The encyclopedia examines a wide range of significant topics pertaining to zombies such as zombies in the pulp magazines the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority Humans vs Zombies a popular zombie themed game played on college campuses across the country and annual Halloween zombie walks Organized alphabetically to facilitate use of the encyclopedia as a research tool it also includes entries on important scholarly works in the expanding field of zombie studies

Encyclopedia of American Literature of the Sea and Great Lakes Jill B. Gidmark, 2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading

Coyote Blue Christopher Moore, 2009-12-15 From the master of subversive humor Christopher Moore comes a quirky irreverent novel of love myth metaphysics outlaw biking angst and outrageous redemption As a boy he was Samson Hunts Alone until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen Today he is Samuel Hunter a successful Santa Barbara insurance salesman with a Mercedes a condo and a hollow invented life Then one day destiny offers him the dangerous gift of love in the exquisite form of Calliope Kincaid and a curse in the unheralded appearance of an ancient god by the name of Coyote Coyote the trickster has arrived to reawaken the mystical storyteller within Sam and to seriously screw up his existence in the process

On Whale Island Daniel Hays, 2002-05-31 After Daniel Hays and his father built a twenty five foot boat and sailed it around Cape Horn he thought he d finally put his wanderlust to rest He went back to school bought a house took a job got married But as it turned out in the real world Daniel Hays felt lost So he took his love for the sea and his need to escape civilization and pushed it further he bought an island off the coast of Nova Scotia built a tiny house packed up his wife and stepson two dogs and three boatloads of supplies and moved there This is the story of fulfilling a fantasy to live by your own rules and your own wits And Daniel Hays as readers of *My Old Man and the Sea* will remember is well equipped to do both He generates electricity from solar power and a terrifying windmill funnels rainwater for their showers creates a toilet seat out of a whale vertebra strings their bed up on pulleys so that by day it can be lifted out of the way For him every morning is a wonder and every storm a blood coursing thrill But while Daniel loves this permanent boy s life his wife longs for the life they left behind and his spirited stepson is feeling isolated Soon their Swiss Family Robinson existence becomes a vision only Daniel can see Funny tender and fascinating filled with the details of an unconventional life this is the story of how the Hays family lived on Whale Island and how finally they had to leave
