Luther In Context:

Luther in Context David C. Steinmetz, 2002-10 Places Luther's thought in the context of his theological predecessors and contemporaries introducing themes and problems that concerned Luther Includes three new essays [Martin Luther in Context](#) David M. Whitford, 2018-08-30 Martin Luther remains a popular oft quoted referenced lauded historical figure He is often seen as the fulcrum upon which the medieval turned into the modern the last great medieval or the first great modern or he is the Protestant hero the virulent anti Semite the destroyer of Catholic decadence or the betrayer of the peasant cause An important but contested figure he was all of these things Understanding Luther's context helps us to comprehend how a single man could be so many seemingly contradictory things simultaneously Martin Luther in Context explores the world around Luther in order to make the man and the Reformation movement more understandable Written by an international team of leading scholars it includes over forty short accessible essays all specially commissioned for this volume which reconstruct the life and world of Martin Luther The volume also contextualizes the scholarship and reception of Luther in the popular mind **Luther in Context** David Curtis Steinmetz, 1986-09-01 [Martin Luther](#) Robert Kolb, 2009-02-05 Martin Luther's theology presented a paradigmatic shift in defining God and humanity refuting the foundations of Aristotelian anthropology with a new emphasis on the Revealed God and his unconditioned grace Robert Kolb traces the development of Luther's thinking within the context of late medieval theology and piety at the dawn of the modern era [Martin Luther](#) Bernhard Lohse, 1986 Attention is given to major writings relative importance genre and historical context Guides reader through significant issues in Luther's theology and discusses contributions [Martin Luther in His Own Words](#) Jack D. Kilcrease, Erwin W. Lutzer, 2017-04-18 Though most of the Protestant world can trace its roots back to the Reformation many people today have only a vague knowledge of Martin Luther's writings Didn't he write the Ninety Five Theses Jack Kilcrease and Erwin Lutzer step into this vacuum with a carefully selected collection of Luther's works Centered around the five solas of the Reformation sola Scriptura sola fide sola gratia sola Christus soli Deo gloria the selections offer readers an accessible primer on works that are foundational to the theology of Protestantism in all its forms Introductions to each writing include an explanation of the historical context and the theological significance of the piece Students of the Bible pastors teachers and seminary students will find this collection an enlightening introduction to Luther in his own words and a useful addition to their libraries *Lude-yü-yazhon-chujing*, 2002 [Calvin in Context](#) David Steinmetz, 2010-10-14 The book illuminates Calvin's thought by placing it in the context of the theological and exegetical traditions ancient medieval and contemporary that formed it and contributed to its particular texture Steinmetz addresses a range of issues almost as wide as the Reformation itself including the knowledge of God the problem of iconoclasm the doctrines of justification and predestination and the role of the state and the civil magistrate Along the way Steinmetz also clarifies the substance of Calvin's quarrels with Lutherans Catholics Anabaptists and assorted radicals from Ochino to Sozzini For the new edition he has added a new

Preface and four new chapters based on recent published and unpublished essays An accessible yet authoritative general introduction to Calvin's thought Calvin in Context engages a much wider range of primary sources than the standard introductions It provides a context for understanding Calvin not from secondary literature about the later middle ages and Renaissance but from the writings of Calvin's own contemporaries and the rich sources from which they drew

Kierkegaard and Luther David Lawrence Coe, 2020-07-09 Søren Kierkegaard denounced nineteenth century Danish Lutheranism for exploiting Martin Luther's doctrine of justification without works as justification for an antinomian easy life Kierkegaard saw his own writing as a corrective I have wanted to prevent people in Christendom from existentially taking in vain Luther and the significance of Luther's life In 1847 Kierkegaard began an eight year reading of Luther's sermons forking through them for extracts to confirm his theological corrective rather than to comprehend the breadth of Luther's thought While he found much to laud Kierkegaard also found much to lance privately commenting that Luther was partially responsible for what he considered the problematic Lutheranism of his own day Furthermore David Coe argues Kierkegaard was unaware that his copy of Luther's church and house postils was a heavily abridged edition of extracts from those postils Therefore his appraisal of Luther begs to be investigated Kierkegaard and Luther examines the Luther sermons Kierkegaard read what he praised and criticized missed and misjudged of Luther and spotlights the concord these two Lutheran giants actually shared namely the negative yet necessary role that Christian suffering *Anfechtung* *Anfechtelse* plays in Christian faith and life *The Alternative Luther* Else Marie Wiberg Pedersen, 2019-09-18 Contributors to this book analyze areas of Martin Luther's and Lutheran theology that have otherwise been neglected or underrepresented in the five hundred years since the Reformation They constructively widen the scope of Luther and Lutheran theology by viewing both from the perspectives of the subaltern those whose voices are barely or rarely heard The book formulates an inclusive Lutheran theology that reaches out but does not close out The book's sections address Precarious Life from Luther's own precarious existence as an outlaw under a death sentence to other precarious life situations seen from various Lutheran perspectives Body and Gender addressing different aspects of gender and sexuality from new angles Women and Sexual Abuse focusing on present day problems of abuse in an encounter with Luther's exegesis of biblical texts of terror and Economy Equality and Equity addressing Lutheran views on economy and equality that break new ground regarding common goods and the Anthropocene
