Luthers Works Lectures On The Psalms I Chapters 1 75 Luthers Works:

The Freedom of a Christian Ethicist Brian Brock, Michael Mawson, 2016-01-14 What is the significance of the Protestant Reformation for Christian ethical thinking and action Can core Protestant commitments and claims still provide for compelling and viable accounts of Christian living This collection of essays by leading international scholars explores the relevance of the Protestant Reformation and its legacy for contemporary Christian ethics **Readings in Historical Theology** Robert F. Lay, 2009-04-01 This broad ranging collection of the primary sources that have shaped the theology of Christianity spans Old Testament to modern writings This historical theology textbook includes informative introductions and guiding questions from the author J. S. Bach's Johannine Theology Eric Chafe, 2014-04 Bach's Johannine Theology The St John Passion and the Cantatas for Spring 1725 is a fertile examination of this group of fourteen surviving liturgical works Renowned Bach scholar Eric Chafe begins his investigation into Bach's theology with the composer's St John Passion concentrating on its first and last versions Beyond providing a uniquely detailed assessment of the passion Bach's Johannine Theology is the first work to take the work beyond the scope of an isolated study considering its meaning from a variety of musical and historical standpoints Chafe thereby uncovers a range of theological implications underlying Bach's creative approach itself Building considerably on his previous work Chafe here expands his methodological approach to Bach's vocal music by arguing for a multi layered approach to religion in Bach's compositional process Chafe bases this approach primarily on two aspects of Bach's theology first the specific features of Johannine theology which contrast with the more narrative approach found in the Synoptic Gospels Matthew Mark Luke and second contemporary homiletic and devotional writings material that is not otherwise easily accessible and less so in English translation Bach's Johannine Theology provides an unprecedented enlightening exploration of the theological and liturgical contexts within which this music was first heard Theology of the Soul Martine C. L. Oldhoff, 2024-06-10 Theology of the Soul engages with a thoroughly theological and philosophical subject in fresh and profound ways the soul The author examines the possibility of a concept of the soul in modern Western theology In the second part of the 20th century speaking about the soul was strongly criticized in Theology and Philosophy Consequently many academic theologians consider the word soul problematic Remarkably the word soul is very much present in contemporary culture This book takes cultural notions of the soul as employed by for example Marilynne Robinson and Oprah Winfrey as a point of departure The author then investigates the functions of the soul in classical theologies and provides elucidating overviews of the ways in which the soul is discussed and problematized in contemporary Philosophy and Biblical Studies After introducing the apostle Paul as conversation partner she reconsiders various contemporary concepts from a Pauline perspective and offers a constructive systematic theological proposal to speak of the soul in today's modern theological and cultural contexts This interdisciplinary study integrates continental and analytic methods and discussions on the soul in Philosophy and Theology providing a very comprehensive study of the soul *Martin*

Save Me, A Study of Psalm 119:89-96 C. Matthew McMahon, 2022-09-11 If you have ever doubted your salvation as a Christian this psalm is for you Collectively the psalms are like a little bible in and of themselves Independently Psalm 119 is like a little bible in and of itself It contains in it a thesis that God s word is to be preeminent in the believer s life and it houses in it everything that a growing Christian would need to draw closer to Jesus Christ if they would but take time to consider it to meditate on it even in the midst of the worst afflictions I have chosen the section of verses 89 96 because they house the verse I am thine save me for I have sought thy precepts Psa 119 94 This little phrase save me was the springboard in which this study began to understand how being saved occurs and what the psalmist meant by it This psalm was pivotal in the great reformer s life Martin Luther where he relied heavily on this little phrase save me during his initial ministry As with Luther so with us my hope is that you will be encouraged to pray along the same lines as the psalmist did in desiring God to save you You may think I m already saved I m a blood bought believer in Jesus Christ That s excellent But know Scripture provides saved and transformed believers with the biblical truth that 1 they were saved that 2 they are being saved and that 3 one day they will be saved Savedness has a past connotation a present reality and a future hope which all work together for the good of the believer and all this on account of the work and merit of Jesus Christ In this there is great comfort to be mined out of these verses for the believer to understand how God accomplishes this saving through Jesus Christ and in light of this section and teaching of Psalm 119 It houses in it comfort hope help and importantly the need to have a true assurance in one s eternal position before God

Brahms's a German Requiem R. Allen Lott, 2020 Examines in detail the contexts of Brahms s masterpiece and demonstrates that contrary to recent consensus it was performed and received as an inherently Christian work during the composer s life
