Rachel S Tattersall

Lyrics For The Bride Of God Section The Artemisian:

Lyrics for the Bride of God Nathaniel Tarn, 1975 Nathaniel Tarn's *Lyrics for the Bride of God* a book length poem composed over the course of five years represents the author's most sustained effort since *The Beautiful Contradictions* 1969. The Bride first appearing at the end of that volume here dominates the entire work in fulfilling her ultimate kabbalistic task the return of the holy sparks dispersed among mankind at the creation to their original Source. In this the Bride undergoes exile in the guise of a very human woman constantly changing identity species race color age and even sex ranging through many different mythical and historical settings raising a host of political issues from ecology to feminism and creating against Tarn's anthropological background an astonishing cosmos propelled by the eternal interaction of male and female. Perhaps the author's most dramatic work the *Lyrics* reflect a time of personal tension and loss a time of exile from Europe transformed into a fervent adoption on a continental scale of his new American milieu. Overall it is Tarn's expansive energetic worldview that makes the work cohere. At a time when so much poetry lacks either head or heart Tarn clearly hopes that in the *Lyrics* both have full sway. *Lyrics for the Bride of God: Section: The Artemision* Nathaniel Tarn, 1973 **The**

Embattled Lyric Nathaniel Tarn, 2007 This book has two main subjects which are interwoven the attitudes of selected poets including Neruda Rilke Breton Celan and Artaud to the primitive and the archaic studied from an anthropologist's viewpoint and a model of the processes whereby poetry is produced and received built on the author's successful careers as both poet and anthropologist. The book includes detailed biographical information about how Tarn went from being a French to an English to an American poet. It also reveals the effect of a double career and of these moves on a unique body of poetry and theoretical work. An extremely substantial interview serving also as an introduction to and discussion of the essays demonstrates that there is nothing like this work to be found elsewhere. **Selected Poems** Nathaniel Tarn, 2002-04

Finalist for the PEN Center USA's Literary Award in Poetry 2003 For some forty years Nathaniel Tarn has been celebrated as an extraordinary figure in American writing. His work in a variety of scholarly and literary genres has ranged from Maya ritual to Jewish mysticism the monasteries of Burma to the arctic seas of Alaska. One of the founders of ethnopoetics he has brought to poetry an almost limitless range of interests and a remarkable dexterity in both open and closed forms. As Eliot Weinberger has written What holds it together is Tarn's ecstatic vision his continuing enthusiasm for the stuff of the world.
