Lysistrata The Archarnians The Clouds:

Lysistrata and Other Plays Aristophanes, 2003-01-30 The Acharnians The Clouds Lysistrata We women have the salvation of Greece in our hands Writing at a time of political and social crisis in Athens the ancient Greek comic playwright Aristophanes was an eloquent yet bawdy challenger to the demagogue and the sophist In Lysistrata and The Acharnians two pleas for an end to the long war between Athens and Sparta a band of women on a sex strike and a lone peasant respectively defeat the political establishment The darker comedy of The Clouds satirizes Athenian philosophers Socrates in particular and reflects the uncertainties of a generation in which all traditional religious and ethical beliefs were being challenged Translated with an Introduction and Notes by Alan H Sommerstein Lysistrata and Other Plays Aristophanes, 19?? **The Acharnians** Aristophanes, 1973 **Acharnians** Aristophanes, 1997 English translations of three of Aristophanes most popular plays Includes helpful notes an introductory essay on Aristophanes and the ancient theater and a bibliography Each play is preceded by an essay on its history cultural context and production Aristophanes: Clouds, Acharnians, Lysistrata Kenneth J. Dover, Simon Tremewan, 1989 Provides insight into the characteristically Greek elements of comedy which can be lost when reading in translation **Lysistrata** Aristophanes, 2003-01-01 Aristophanes helped shape comedy despite their often fantastical premises were fairly consistently concerned with contemporary politics and social institutions mildly aristocratic patriotic suspicious of social innovation sympathetic to the struggles of the common people unrestrained in insult exuberantly bawdy *The Acharnians* Aristophanes, 1973 Writing at a time of political and social crisis in Athens Aristophanes c 447 c 385 BC was an eloquent yet bawdy challenger to the demagogue and the sophist In Lysistrata and The Acharnians two pleas for an end to the long war between Athens and Sparta a band of women and a lone peasant respectively defeat the political establishment The darker comedy of The Clouds satirizes Athenian philosophers Socrates in particular and reflects the uncertainties of a generation in which all traditional religious and ethical beliefs were being challenged For this edition Alan Sommerstein has completely revised his translation of the three plays bringing out the full nuances of Aristophanes ribald humour and intricate word play with a new introduction explaining the historical and cultural background to the plays Book jacket **The knights - The Acharnians - Peace - Lysistrata - The clouds.** Aristophanes Aristophanes, 2019-03-11 Perhaps the first thing to strike us paradoxical as it may sound to say so about the Athenian Old Comedy is its modernness Of its very nature satiric drama comes later than Epic and Lyric poetry Tragedy or History Aristophanes follows Homer and Simonides Sophocles and Thucydides Of its essence it is free from many of the conventions and restraining influences of earlier forms of literature and enjoys much of the liberty of choice of subject and licence of method that marks present day conditions of literary production both on and off the stage Its very existence presupposes a fuller and bolder intellectual life a more advanced and complex city civilization a keener taste and livelier faculty of comprehension in the people who appreciate it than could anywhere be found at an earlier epoch Speaking broadly and

generally the Aristophanic drama has more in common with modern ways of looking at things more in common with the conditions of the modern stage especially in certain directions burlesque extravaganza musical farce and even pantomime than with the earlier and graver products of the Greek mind **Aristophanes** James Robson,2013-10-16 This accessible introduction to the work of one of the world s greatest comic writers tackles key questions posed by Aristophanes plays such as staging humour songs obscene language politics and the modern translation and performance of Aristophanic comedy The book opens up exciting and contentious areas of Aristophanic scholarship in a way that is engaging and readily comprehensible to a non specialist audience never losing sight of the fact that Aristophanes plays are vibrant literary texts designed primarily to appeal to a classical Athenian audience as pieces of living drama Key to the book s appeal is that James Robson conceives of the plays as dynamic texts containing a treasure trove of information not only about how they might have been performed and received in classical Athens but also how they might be read and understood today Most importantly readers are given the tools and information to make their own minds up about the debates that still rage about Aristophanic comedy in the modern world Aristophanes Aristophanes,2012-08 Aristophanes ca 446 BCE ca 386 BCE was a comic playwright of ancient Athens This collection includes Lysistrata The Archonians The Birds and The Clouds
