Crawford, 1994 *Cicero: Speech on Behalf of Publius Sestius* Robert A. Kaster, 2006-07-27 A new translation of and commentary on Cicero's defence of Publius Sestius against a charge of public violence The speech provides any student of Rome with a fascinating way into the period and is also among the best introductions we have to traditional Republican values and ethics in action A new translation of and commentary on Cicero's defence of Publius Sestius against a charge of public violence Pro Sestio is arguably the most important of Cicero's political speeches that survive from the nearly two decades separating the Speeches against Catiline and the Second Philippic Its account of recent history provides any student of Rome with a fascinating way into the period its depiction of public meetings demonstrations and violence are highly pertinent to the current debate on the place of the crowd in Rome in the late Republic the speech is also among the best introductions we have to traditional Republican values and ethics in action constantly enlightening and extremely broad in its scope Bryn Mawr Reviews Fragmentary Speeches Marcus Tullius Cicero, 2024 Although Cicero's oratory is well attested of 106 known speeches fifty eight survive intact or in large part the sixteen speeches that survive only in quotations by later authors nevertheless fill gaps in our knowledge of Rome's greatest orator This edition includes all speeches with attested fragments together with testimonia **Cicero: Oxford**

They were read studied and imitated throughout antiquity and subsequently became seminal texts in political theory and in the reception and study of the Classics This Companion discusses the whole range of Cicero s writings with particular emphasis on their links with the literary culture of the late Republic their significance to Cicero s public career and their reception in later periods

Cicero's Role Models Henriette van der Blom,2010-07-29 This book is about the famous Roman orator and statesman Cicero and his rhetorical and political strategy as a newcomer in Roman republican politics Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past his role models and in turn presented himself as a role model to others This new angle provides fresh insights into the political and literary career of one of the best known Romans and into the political discourse of the late Roman Republic

Cicero's Catilinarians D. H. Berry,2020 The Catilinarians are a set of four speeches that Cicero while consul in 63 BC delivered before the senate and the Roman people against the conspirator Catiline and his followers Or are they Cicero did not publish the speeches until three years later and he substantially revised them before publication rewriting some passages and adding others all with the aim of justifying the action he had taken against the conspirators and memorializing his own role in the suppression of the conspiracy How then should we interpret these speeches as literature Can we treat them as representing what Cicero actually said Or do we have to read them merely as political pamphlets from a later time In this the first book length discussion of these famous speeches D H Berry clarifies what the speeches actually are and explains how he believes we should approach them In addition the book contains a full and up to date account of the Catilinarian conspiracy and a survey of the influence that the story of Catiline has had on writers such as Sallust and Virgil Ben Jonson and Henrik Ibsen from antiquity to the present day

Cicero Gesine Manuwald,2014-11-28 Marcus Tullius Cicero 106 43 BCE introduced Romans to the major schools of Greek philosophy forging a Latin conceptual vocabulary that was entirely new But for all the sophistication of his thinking it is perhaps for his political and oratorical career that Cicero is best remembered He was the nemesis of Catiline whose plot to overthrow the Republic he famously denounced to the Senate He was the selfless politician who turned down the opportunity to join Julius Caesar and Pompey in their ruling triumvirate with Crassus He was briefly Rome s leading man after Caesar s assassination in 44 BCE And he was the great political orator whose bitter conflict with Mark Antony led to his own violent death in 43 BCE In her authoritative survey Gesine Manuwald evokes the many faces of Cicero as well as his complexities and seeming contradictions She focuses on his major works allowing the great writer to speak for himself Cicero s rich legacy is seen to endure in the works of Quintilian and the Church Fathers as well as in the speeches of Harry S Truman and Barack Obama
