Maasai People Of The Cattle:

Glocalization Patrick Mendis,2007-01-01 The essays are original analyzes and first hand observations of global forces operating in the Caribbean Latin America Africa and Asia With a historical framework of globalization and freedom the author who taught at the University of Pittsburgh s Semester at Sea Program critically explores the influence of U S foreign policies and American values that has affected these countries where freedom prevails For example the author argues with Fidel Castro and his worldview on freedom and human security while a unique process of glocalization takes place in Cuba With illustrative maps and photos the distinctive interdisciplinary analysis presents vivid faces of the human side of globalization as it interplays with local communities The book is about free enterprise and political freedom as the new American influence through the Washington Consensus the Trinity of Washington and its Ten Commandments continues with unintended consequences by glocalizing every society and each of us **Ngorongoro Visitor Map Guide** Jacana

Education,2008-08-12 Ngorongoro is without doubt one of the world s truly amazing places It has been called the 8th Wonder of the World and in 1979 was designated a World Heritage Site At 20km across and over 600m deep it is the largest unbroken unflooded crater on the planet **African Mythology, A to Z** Patricia Ann Lynch,Jeremy Roberts,2010 The African continent is home to a fascinating and strong tradition of myth due in part to the long history of human habitation in Africa the diversity of its geography flora and fauna and the variety of its cultural beliefs African Mythology A to Z is a readable reference to the deities places events animals beliefs and other subjects that appear in the myths of various African peoples For the first time this edition features full color photographs and illustrations Coverage includes **Tarangire: Human-Wildlife Coexistence in a Fragmented Ecosystem** Christian Kiffner,Monica L. Bond,Derek E. Lee,2022-04-22 This edited volume summarizes multidisciplinary work on wildlife conservation in the Tarangire Ecosystem of northern Tanzania By drawing together human centered wildlife centered and interdisciplinary research this book contributes to furthering our understanding of the often complex mechanisms underlying human wildlife interactions in dynamic landscapes By synthesizing the wealth of knowledge generated by anthropologists ecologists conservationists entrepreneurs geographers sociologists and zoologists over the last decades this book also highlights practicable and locally adapted solutions for shaping human wildlife interactions towards coexistence Readers will discover the reciprocal and often unexpected direct and indirect dynamics between people and wildlife While boundaries e g between people and wildlife between protected and un protected areas and between different groups of people are a common theme throughout the different chapters this book stresses the commonalities links and synergies between seemingly disparate disciplines opinions and conservation approaches The chapters are divided into clear sections such as the human dimension the wildlife dimension and human wildlife interactions representing a detailed summary of anthropological ecological and interdisciplinary research projects that have been conducted in the Tarangire Ecosystem over the last decades Beyond this work contributes to the debate about

land sharing versus land sparing and provides an in depth case study for understanding the complexities associated with human wildlife coexistence in one of the few remaining ecosystems that supports migratory populations of large mammals The topic of this book is particularly relevant for students scholars and practitioners who are interested in reconciling the needs of human populations with those of the environment in general and large mammal populations in particular
