Macarthurs Victory The War In New Guinea:

MacArthur's Victory Harry Gailey, 2007-12-18 A GREAT WARRIOR AT THE PEAK OF HIS POWERS In March 1942 General Douglas MacArthur faced an enemy who in the space of a few months captured Malaya Burma the Philippines the Dutch East Indies and from their base at Rabaul in New Britain threaten Australia Upon his retreat to Australia MacArthur hoped to find enough men and material for a quick offensive against the Japanese Instead he had available to him only a small and shattered air force inadequate naval support and an army made up almost entirely of untried reservists Here is one of history's most controversial commanders battling his own superiors for enough supplies since President Roosevelt favored the European Theater butting heads with the Navy which opposed his initiatives and on his way to making good his promise of liberating the Philippines In the battles for Buna Lae and Port Moresby the capture of Finschhafen and other major actions he would prove his critics wrong and burnish an image of greatness that would last through the Korean War This was the other Pacific War the one MacArthur fought in New Guinea and against all odds and most predictions decisively won

The Allied Neutralisation of Rabaul Jon Diamond, 2025-01-30 Details the 1943 1944 Allied strategy to neutralize Japan's Rabaul stronghold through fierce aerial sieges and targeted landings in the Pacific Fierce Pacific ground sea and aerial combat raged between the Allies and Imperial Japan to halt the latter's inexorable advance in 1942 1943 After the American victory at Guadalcanal in February 1943 Admiral Halsey's South Pacific Area SPA naval and amphibious forces battled through the Solomon Islands building new and acquiring extant Japanese airfields Simultaneously General Douglas

MacArthur's Southwest Pacific Area SWPA Australian American ground forces supported by General George Kenney's US Fifth Air Force and other Allied air squadrons captured Japanese installations in Papua New Guinea before campaigning along Northeast New Guinea's northern coast ousting or bypassing enemy installations there Using newly built Papuan airfields the Allies gained air superiority over New Guinea and also interdicted Japanese maritime supply lines Yet the main Japanese southwest Pacific bastion at Rabaul on the northeastern tip of New Britain the largest island of the Bismarck Archipelago remained In March 1943 realizing an amphibious assault and ground campaign against Rabaul's naval and army bases would be too costly the US Joint Chiefs of Staff decided to neutralise Rabaul with a joint SPA and SWPA aerial siege rather than capture it This IOW volume recounts this strategy during 1943 and 1944 and the December 1943 amphibious landings by the US 1st Marine Division and US Sixth Army units at Cape Gloucester and Arawe respectively which successfully isolated the Japanese fortress and satellite bases

Fire and Fortitude John C. McManus, 2020-08-04 WINNER OF THE GILDER LEHRMAN PRIZE FOR MILITARY HISTORY An engrossing epic history of the US Army in the Pacific War from the acclaimed author of *The Dead and Those About to Die* This eloquent and powerful narrative is military history written the way it should be James M McPherson Pulitzer Prize winning historian Out here mention is seldom seen of the achievements of the Army ground troops wrote one officer in the fall of 1943 whereas the Marines are blown up to the skies Even today the Marines are celebrated as the victors of the Pacific a reflection of a well deserved reputation for valor Yet the majority of fighting and dying in the war against Japan was done not by Marines but by unsung Army soldiers John C McManus one of our most highly acclaimed historians of World War II takes readers from Pearl Harbor a rude awakening for a military woefully unprepared for war to Makin a sliver of coral reef where the Army was tested against the increasingly desperate Japanese In between were nearly two years of punishing combat as the Army transformed at times unsteadily from an undertrained garrison force into an unstoppable juggernaut and America evolved from an inward looking nation into a global superpower At the pinnacle of this richly told story are the generals Douglas MacArthur a military autocrat driven by his dysfunctional lust for fame and power Robert Eichelberger perhaps the greatest commander in the theater yet consigned to obscurity by MacArthur's jealousy Vinegar Joe Stillwell a prickly soldier miscast in a diplomat's role and Walter Krueger a German born officer who came to lead the largest American ground force in the Pacific Enriching the narrative are the voices of men otherwise lost to history the uncelebrated Army grunts who endured stifling temperatures apocalyptic tropical storms rampant malaria and other diseases as well as a fanatical enemy bent on total destruction This is an essential ambitious book the first of three volumes a compellingly written and boldly revisionist account of a war that reshaped the American military and the globe and continues to resonate today INCLUDES MAPS AND PHOTOS

MacArthur and West Point Sherman L. Fleek, 2024-09-02 Few figures loom larger in the story of the United States Military Academy at West Point or in US military history in general than Douglas MacArthur In this wide ranging book acclaimed military historian Sherman L Fleek explores

the mutual influence between the United States Military Academy and General of the Army Douglas MacArthur More than a simple narration of MacArthur's time at the academy both as a cadet and as superintendent this book examines how MacArthur and the institution that he regarded as a second home shaped each of them along with the subsequent impacts both entities had on history and the conduct of the US military Perhaps the preeminent figure among the handful of those who have guided and changed the direction of the academy at West Point and the long gray line of those who have passed through its halls MacArthur frequently referred to the institution in letters speeches official documents and personal contacts throughout his lifetime Although MacArthur was only in residence at the military academy for seven years in many ways he has never been absent from West Point nor was the academy ever absent from the man In *MacArthur and West Point* Fleek offers readers a new perspective on the truly reciprocal nature of the longstanding relationship between one of the US military's most significant historical figures and one of its most venerated institutions

The War Beat, Pacific Steven Casey, 2021-04-05 The War Beat Pacific is the first book to use a wealth of previously untapped documents to provide a comprehensive account of the reporting of the war against Japan from Pearl Harbor and Bataan through Midway and Guadalcanal Tarawa and Saipan Leyte and Luzon Iwo Jima and Okinawa to Hiroshima and Nagasaki

Tropical Warfare in the Asia-Pacific Region, 1941-45 Kaushik Roy, 2017-10-25 This is the first book to provide a comprehensive overview of the land war during the Second World War in South East Asia and the South and South West Pacific The extensive existing literature focuses on particular armies Japanese British American Australian or Indian and or on particular theatres the Philippines Papua New Guinea Malaya or Burma This book on the contrary argues that warfare in all the theatres was very similar especially the difficulties of the undeveloped terrain and that there was considerable interchange of ideas between the allied armies which enabled the spread of best practice among them The book considers tactics training technology and logistics assesses the changing state of the combat effectiveness of the different armies and traces the course of the war from the Japanese Blitzkrieg of 1941 through the later stalemate and the hard fought Allied fightback Although the book concentrates on ground forces due attention is also given

to air forces and amphibious operations One important argument put forward by the author is that the defeat of the Japanese was not inevitable and that it was brought about by chance and considerable tactical ingenuity on the part of US and British imperial forces

MacArthur's Coalition Peter J. Dean, 2018-04-03 From 1942 1945 the Allies war in the Southwest Pacific was effectively a bilateral coalition between the United States and Australia under the command of General Douglas MacArthur By charting the evolution of the military effectiveness of the US Australian alliance MacArthur's Coalition puts the relationship between the United States and Australia at the center of the war against Japan Drawing on new primary source material Peter J Dean has written the first substantial book length treatment of the coalition as a combined military force This expansive and ambitious book provides a fresh perspective on the Pacific War by providing a close up in depth account of operations in the Southwest Pacific from the Kokoda Trail campaign to the reconquest of the Philippines and Borneo Dean's work takes the reader deep into the key military headquarters in the Southwest Pacific and reveals the discussions debates and arguments between key commanders and staff officers during the course of planning and waging a monumental conflict Drawing upon archival records across three continents Dean brings the qualities of these senior officers to life by exploring the critical importance of personalities and leadership in overcoming cultural doctrinal and organizational divides in the largely unequal alliance Set against the practicalities of fighting a fanatical enemy in some of the most inhospitable terrain in the war his book shows how despite these divides and MacArthur's difficult personality the US Australian coalition was able to forge a highly effective and ultimately triumphant fighting machine With its unprecedented view of the joint nature of operations in the Southwest Pacific and its focus on frontline commanders and units in forging a successful fighting force MacArthur's Coalition illuminates a critical aspect of the Allied victory in World War II

Learning Under Fire James Scott Powell, 2010 Thrown into the heart of war with little training and even less that would apply to the battles in which they were engaged the units of the 112th Cavalry Regiment faced not only the Japanese enemy but a rugged environment for which they were ill prepared They also grappled with the continuing challenge of learning new military skills and tactics across ever shifting battlefields The 112th Cavalry Regiment entered federal service in November 1940 as war clouds gathered thick on the horizon By July 1942 the 112th was headed for the Pacific theater As the war neared its end the regiment again had to shift its focus quickly from an anticipated offensive on the Japanese home islands to becoming part of the occupation force in the land of a conquered enemy James S Powell thoroughly mines primary documents and buttresses his story with pertinent secondary accounts as he explores in detail the ways in which this military unit adapted to the changing demands of its tactical and strategic environment He demonstrates that this learning was not simply a matter of steadily building on experience and honing relevant skills It also required discovering shortcomings and promptly taking action to improve often while in direct contact with the enemy
