

MacArthur's Victory

The War in New Guinea,
1943-1944

Harry A. Gailey *Author of The War in the Pacific*

Macarthurs Victory The War In New Guinea 1943 1944

Harry Gailey

Macarthurs Victory The War In New Guinea 1943 1944:

MacArthur's Victory Harry Gailey, 2007-12-18 A GREAT WARRIOR AT THE PEAK OF HIS POWERS In March 1942 General Douglas MacArthur faced an enemy who in the space of a few months captured Malaya Burma the Philippines the Dutch East Indies and from their base at Rabaul in New Britain threaten Australia Upon his retreat to Australia MacArthur hoped to find enough men and material for a quick offensive against the Japanese Instead he had available to him only a small and shattered air force inadequate naval support and an army made up almost entirely of untried reservists Here is one of history's most controversial commanders battling his own superiors for enough supplies since President Roosevelt favored the European Theater butting heads with the Navy which opposed his initiatives and on his way to making good his promise of liberating the Philippines In the battles for Buna Lae and Port Moresby the capture of Finschhafen and other major actions he would prove his critics wrong and burnish an image of greatness that would last through the Korean War This was the other Pacific War the one MacArthur fought in New Guinea and against all odds and most predictions decisively won

War at the End of the World James P. Duffy, 2023-12-05 A harrowing account of an epic yet nearly forgotten battle of World War II General Douglas MacArthur's four year assault on the Pacific War's most hostile battleground the mountainous jungle cloaked island of New Guinea A meaty engrossing narrative history This will likely stand as the definitive account of the New Guinea campaign The Christian Science Monitor One American soldier called it a green hell on earth Monsoon soaked wilderness debilitating heat impassable mountains torrential rivers and disease infested swamps New Guinea was a battleground far more deadly than the most fanatical of enemy troops Japanese forces numbering some 600 000 men began landing in January 1942 determined to seize the island as a cornerstone of the Empire's strategy to knock Australia out of the war Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to retake New Guinea at all costs What followed was a four year campaign that involved some of the most horrific warfare in history At first emboldened by easy victories throughout the Pacific the Japanese soon encountered in New Guinea a roadblock akin to the Germans disastrous attempt to take Moscow a catastrophic setback to their war machine For the Americans victory in New Guinea was the first essential step in the long march towards the Japanese home islands and the ultimate destruction of Hirohito's empire Winning the war in New Guinea was of critical importance to MacArthur His avowed I shall return to the Philippines could only be accomplished after taking the island In this gripping narrative historian James P Duffy chronicles the most ruthless combat of the Pacific War a fight complicated by rampant tropical disease violent rainstorms and unforgiving terrain that punished both Axis and Allied forces alike Drawing on primary sources War at the End of the World fills in a crucial gap in the history of World War II while offering readers a narrative of the first rank

On Board the USS Boise in World War II Ian S. Bertram, 2025-09-17 The story of the USS Boise CL 47 is one of fear loss endurance fame triumph and pain The light cruiser endured a remarkable

career through the entirety of World War II with a redemption arc that took its crew from the position of scapegoats to heroes and ultimately to the vanguard of America's liberation forces. One man, Donald D.B. Fitch, witnessed the entire conflict from his battle station on the bridge. The ship conducted secret missions and fought at Guadalcanal, Sicily, New Guinea, and the Philippines. Through Fitch's eyes, this book relives the terrors and thrills of naval combat along with the pranks, shenanigans, and the rumors that were the lifeblood of a ship through four years of war. Fitch and his friends fought for each other and their country, and in the end, they left their mark on history. *The War Beat, Pacific* Steven Casey, 2021

The Paradox of Pearl Harbor Fiasco in the Philippines Censorship at Sea The New Guinea Gang The Shroud Slips Guadalcanal Atrocities Dress Rehearsal in New Guinea Bloody Battles in the Central Pacific The CBI The Return Death in the Pacific Toward Tokyo Bay **MacArthur's Coalition** Peter J. Dean, 2018-04-03

From 1942-1945, the Allies' war in the Southwest Pacific was effectively a bilateral coalition between the United States and Australia under the command of General Douglas MacArthur. By charting the evolution of the military effectiveness of the US-Australian alliance, MacArthur's Coalition puts the relationship between the United States and Australia at the center of the war against Japan. Drawing on new primary source material, Peter J. Dean has written the first substantial book-length treatment of the coalition as a combined military force. This expansive and ambitious book provides a fresh perspective on the Pacific War by providing a close-up, in-depth account of operations in the Southwest Pacific from the Kokoda Trail campaign to the reconquest of the Philippines and Borneo. Dean's work takes the reader deep into the key military headquarters in the Southwest Pacific and reveals the discussions, debates, and arguments between key commanders and staff officers during the course of planning and waging a monumental conflict. Drawing upon archival records across three continents, Dean brings the qualities of these senior officers to life by exploring the critical importance of personalities and leadership in overcoming cultural, doctrinal, and organizational divides in the largely unequal alliance. Set against the practicalities of fighting a fanatical enemy in some of the most inhospitable terrain in the war, his book shows how, despite these divides and MacArthur's difficult personality, the US-Australian coalition was able to forge a highly effective and ultimately triumphant fighting machine. With its unprecedented view of the joint nature of operations in the Southwest Pacific and its focus on frontline commanders and units in forging a successful fighting force, MacArthur's Coalition illuminates a critical aspect of the Allied victory in World War II. [The Allied Neutralisation of Rabaul](#) Jon Diamond, 2025-01-30

Details the 1942-1944 Allied strategy to neutralize Japan's Rabaul stronghold through fierce aerial sieges and targeted landings in the Pacific. Fierce Pacific ground, sea, and aerial combat raged between the Allies and Imperial Japan to halt the latter's inexorable advance in 1942-1943. After the American victory at Guadalcanal in February 1943, Admiral Halsey's South Pacific Area (SPA) naval and amphibious forces battled through the Solomon Islands, building new and acquiring extant Japanese airfields. Simultaneously, General Douglas MacArthur's Southwest Pacific Area (SWPA) Australian-American ground forces, supported by General George Kenney's US Fifth Air Force and other Allied air squadrons,

captured Japanese installations in Papua New Guinea before campaigning along Northeast New Guinea's northern coast ousting or bypassing enemy installations there. Using newly built Papuan airfields, the Allies gained air superiority over New Guinea and also interdicted Japanese maritime supply lines. Yet the main Japanese southwest Pacific bastion at Rabaul on the northeastern tip of New Britain, the largest island of the Bismarck Archipelago, remained. In March 1943, realizing an amphibious assault and ground campaign against Rabaul's naval and army bases would be too costly, the US Joint Chiefs of Staff decided to neutralise Rabaul with a joint SPA and SWPA aerial siege rather than capture it. This IOW volume recounts this strategy during 1943 and 1944 and the December 1943 amphibious landings by the US 1st Marine Division and US Sixth Army units at Cape Gloucester and Arawe respectively, which successfully isolated the Japanese fortress and satellite bases.

Generals of the Army James H. Willbanks, 2013-05-01. A concise account of the extraordinary careers of the five men who had perhaps the greatest impact on the US military of the late twentieth century: Andrew Wiest, author of *The Boys of 67 Charlie Company's War in Vietnam*. Formally titled General of the Army, the five-star general is the highest possible rank awarded in the US Army in modern times and has been awarded to only five men in the nation's history: George C. Marshall, Douglas MacArthur, Dwight D. Eisenhower, Henry H. Arnold, and Omar N. Bradley. In addition to their rank, these distinguished soldiers all shared the experience of serving or studying at Fort Leavenworth, Kansas, where they gained the knowledge that would prepare them for command during World War II and the Korean War. In *Generals of the Army*, James H. Willbanks assembles top military historians to examine the connection between the institution and the success of these exceptional men. Historically known as the intellectual center of the Army, Fort Leavenworth is the oldest active Army post west of Washington, D.C., and one of the most important military installations in the United States. Though there are many biographies of the five-star generals, this innovative study offers a fresh perspective by illuminating the ways in which these legendary figures influenced and were influenced by Leavenworth. This concise volume offers an intriguing look at the lives of these remarkable men and the contributions they made to the defense of the nation. An excellent review of the lives and challenges on and off the battlefield during trying times for our country. Ike Skelton, Former Chairman, House Armed Services Committee, US Congress.

Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07. The *Historical Dictionary of Japan to 1945* spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War. It includes substantial topics such as cultural and literary history, with entries ranging from aesthetics to various genres of writing. Other branches of history also feature, such as economic history, industrial history, political history, and so forth. And of course, there are the makers of Japanese history, ranging from emperors and shoguns to politicians and extremists, as well as foreign arrivals. The early history of Japan is told through a detailed chronology; an introductory essay; appendixes; an extensive bibliography; and over 800 cross-referenced dictionary entries on important people, organizations, activities, and events. The *Historical Dictionary of Japan to 1945* will appeal to both academics and the general public who have an interest

in Japan particularly those who want reliable information quickly and easily **Texas and Texans in World War II**
Christopher B. Bean, 2022-08-24 *Texans in World War II* offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War. This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture. *Texans in World War II* makes local the frequently studied social history of wartime, bringing it home to Texas. An eye-opening read for Texans eager to learn more about this defining era in their state's history, this book will also prove deeply informative for scholars, students, and general readers seeking detailed, definitive information about World War II and its implications for daily life, economic growth, and social and political change in the Lone Star State.

The Battle of Manila Nicholas Evan Sarantakes, 2025 Douglas MacArthur had a special relationship with the city of Manila. Many years before when he had decided to make a career in the U.S. Army like his father and had bounced around the globe, he kept coming back to the city. He received his first promotion in Manila and contracted malaria so severe the Army had to send him back to the United States. The city was a constant in a life without many others. He was by any measure an exceptional soldier. At the U.S. Military Academy, he earned an athletic letter in baseball, became the First Captain of the Corps of Cadets, and finished first in a class of ninety-three. Commissioned in the Corps of Engineers, he had his first assignment in the Philippines.

Getting the books **Macarthurs Victory The War In New Guinea 1943 1944** now is not type of challenging means. You could not on your own going in imitation of book increase or library or borrowing from your associates to approach them. This is an entirely easy means to specifically acquire lead by on-line.
