Machiavelli Interface:

The Machiavelli Interface Steve Perry, 1990-12-06 The Matadors are coming out of hiding to move against the Confed in this conclusion to The Matador Trilogy **The Machiavelli Interface** Steve Perry, 1986 Argues that peace must begin with each individual explains how to change our perceptions of the world and ourselves and suggests ways to overcome the obstacles to peace **Machiavelliana** Michael Jackson, Damian Grace, 2018-06-05 In Machiavelliana Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli's name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children's books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli's reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli **The Ramal Extraction** Steve Perry, 2012-12-24 At the close of the 24th Century a series of revolutions has caused the galaxy to descend into chaos With the Galactic Union's Army stretched thin mercenary units have arisen for those who have the need and the means to hire them Captained by former Detached Guerrilla Forces Colonel R A Rags Cutter the Cutter Force Initiative is one of the best A specialized team consisting of both aliens and humans the Cutters offer services ranging from fight training and protection to extraction and assassination as long as the target deserves it and their employer makes good on payday When they're hired to find and rescue Indira the soon to be married daughter of the Rajah Ramal of New Mumbai the team's first task is to identify the kidnapper The obvious suspects are insurgents who want to overthrow the rajanate but as other forces enter the game and an assassination attempt is made on Ramal the Cutters realize that their in and out extraction job is about to get a lot more interesting and a lot more lethal The Vastalimi Gambit Steve Perry, 2013-12-31 At the close of the twenty fourth century a series of revolutions has caused the galaxy to descend into chaos With the Galactic Union Army stretched thin mercenary units have arisen for those who have the need and the means to hire them Kay the alien member of the Cutter Force Initiative has returned to her brutal home world of Vast on a mission of mercy Before she joined the merc team she was a great healer And now her skills are sorely needed Hundreds of Vastalimi including her blood kin are dying mysteriously But is the plague a work of nature Or is it a bioengineered virus purposefully unleashed Kay and Doc Wink will have to find out the hard way With the Cutter Force light years away the two find the odds against them and on a planet like Vast where violence abounds and life is cheap they may be facing a foe they can't defeat Machiavelli in the British Isles Alessandra Petrina, 2016-05-13 Machiavelli in the British Isles reassesses the impact of Machiavelli's The Prince in sixteenth century England and Scotland through the analysis of early English translations produced before 1640 surviving in manuscript form This study concentrates on two of

the four extant sixteenth century versions William Fowler's Scottish translation and the Queen's College Oxford English translation which has been hitherto overlooked by scholars Alessandra Petrina begins with an overview of the circulation and readership of Machiavelli in early modern Britain before focusing on the eight surviving manuscripts She reconstructs each manuscript's history and the afterlife of the translations before moving to a detailed examination of two of the translations Petrina's investigation of William Fowler's translation takes into account his biography in order to understand the Machiavellian influence on early modern political thought Her study of the Queen's College translation analyses the manuscript's provenance as well as technical details including writing and paper quality Importantly this book includes annotated editions of both translations which compare the texts with the original Italian versions as well as French and Latin versions With this volume Petrina has compiled an important reference source offering easy access to little known translations and shedding light on a community of readers and scholars who were fascinated by Machiavelli despite political or religious opinion

[The Tejano Conflict](#) Steve Perry, 2014-12-30 At the end of the twenty fourth century war is fought in a civilized manner Each side hires mercenaries to engage in combat in specifically designated areas To the victor go the spoils whatever they may be After a couple of assignments involving more intrigue and skulduggery than the Cutter Force Initiative ever wanted the unit is looking forward to being part of a straight up short term industrial war on Earth Cutter agrees to a support role offered by an old Army comrade who's now a general in a larger military force The pay is good the unit happy All they have to do is basic ranger stuff sneak and peek shoot and scoot But what starts out as a corporate fight to occupy a valuable piece of contested territory quickly goes sideways and once again Cutter and crew find themselves in the middle of situations in which things aren't as they seem and the unit must determine the truth or lose more than just a battle

Battle Surgeons: Star Wars Legends (Medstar, Book I) Michael Reaves, 2005-12-06 As Civil War between the Republic and the Separatists rages across the galaxy nowhere is the fighting more fierce than on the swamp world of Drongar where a beleaguered mobile hospital unit wages a never ending war of its own A surgeon who covers his despair with wise cracks another who faces death and misery head on venting his emotions through beautiful music A nurse with her heart in her work and her eye on a doctor A Jedi Padawan on a healing mission without her Master These are the core members of a tiny med unit serving the jungle world of Drongar where battle is waged over the control of a priceless native plant and an endless line of medlifters brings in the wounded and dying mostly clone troopers but also soldiers of all species While the healers work desperately to save lives others plot secretly to profit from the war either by dealing on the black market or by manipulating the events of the war itself In the end though all will face individual tests and only those of compassionate hearts and staunch spirits can hope to survive to fight another day Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years
