Kiarina Kordela,Dimitris Vardoulakis,2017-12-28 Spinoza's political thought has been subject to a significant revival of interest in recent years As a response to difficult times students and scholars have returned to this founding figure of modern philosophy as a means to help reinterpret and rethink the political present Spinoza's Authority Volume II makes a significant contribution to this ongoing reception and utilization of Spinoza's 1670s Theologico Political and Political treatises By taking the concept of authority as an original framework this book asks How is authority related to law memory and conflict in Spinoza's political thought What are the social historical and representational processes that produce authority and resistance And what are the conditions of effective resistance Spinoza's Authority Volume II features a roster of internationally established theorists of Spinoza's work and covers key elements of Spinoza's political philosophy **The Foundations of Modern Political Thought: Volume 1, The Renaissance** Quentin Skinner,1978-11-30 The two volumes of The Foundations of Modern Political Thought are intended as both an introduction to the period for students and a presentation and justification of a particular approach to the interpretation of historical texts Book Cover **Machiavellis Revivus** Nevio Cristante,2011-05-25 From an intensive academic study based primarily on Machiavelli's works critical arguments arise in this text that undermine not only the current day political mind set framework and practices but also the views established academically up to the point where the body politic formed by the Western classical tradition is dissipated and dispersed Comprised in a contrary unconventional manner similar to Machiavelli the basic essential factors of history religion power and authority were formulated as the four main chapters in this work by Nevio Cristante From it one can readily see the flaws today in the false praise in nostalgic historical hubris the forgetting of a

brand of religion that is essential for healthy politics the overlooking of coercive forces that reduce politics to power and the loss of true authority In this book Cristante comprises Machiavelli as a virtuous unprecedented extreme humanist in stark contrast to the common incessant interpretations of him being a teacher of evil a diabolical soulless political advisor A subversive satirical interpretation of The Prince has been formed herein extending from the generated knowledge of history and the history of Machiavelli s own experience From the vivacious and unraveling Italian Renaissance a cogent force prompted Machiavelli to create his literary works in order to form an educational cure for the deteriorating human condition of his time and any time There is in Machiavelli a differing sense of newness from that which is commonly known today which circumvents its worth in this distinct educative interpretation Machiavelli goes back in time in order to produce lessons applicable to correct the shortages in his and every present day With a divergent view of the works of art and literature outlined in this analysis Machiavelli s education becomes revived today in creating a virtuous political spiritual and cultural dynamism as a battle cry to repel the ignorance and great misfortunes in our human condition *Machiavelli* Niccolò Machiavelli,1989-07-27 From praise for the 1965 edition Allan Gilbert is unquestionably the most accurate and reliable translator of Machiavelli into English the publication of this edition is an altogether happy occasion Students of the history of political thought owe a particular debt of gratitude to Allan Gilbert Dante Germino The Journal of Politics A most remarkable achievement Felix Gilbert Renaissance Quarterly *Black Athena* Martin Bernal,2020-02-14 Black Athena an audacious three volume series strikes at the heart of today s most heated culture wars Martin Bernal challenges Eurocentric attitudes by calling into question conventional explanations for the origins of classical civilization Provocative passionate and colossal in scope this thoughtful rewriting of history continues to stir academic and political controversy **Diplomatic Theory from Machiavelli to Kissinger** G.
