Makana Aloha Gift Of Love:

Makana Aloha Barbara S. McDonagh,1993-05-01 A lonely little girl finds a true friend who teaches her many things about the sea and life in Hawaii

Love & Steel Box Set Jessica Topper,2025-02-02 Two full length novels and two novellas guaranteed to make you fall hard Meet the men who steal the stage and the women who steal their hearts This collection includes 1 *Louder Than Love* A young widowed librarian and a brooding reclusive rocker cross paths through a case of mistaken identity sparking an unexpected slow burn romance She's rebuilding her life he's lost his creative spark But as their paths collide will love be enough to silence the echoes of what came before The Love Loss and Rock Roll story that started it all 2 *Deeper Than Dreams* Falling for rock star Adrian Digger Graves was the second chance at love Kat Lewis never expected And now with a little help from friends and family including Kat's adorable daughter Abbey it appears Adrian has planned an evening of surprises beyond her wildest dreams But when old habits return to tempt her knight in shining heavy metal armor will Kat's happily ever after come crashing back to reality 3 *Softer Than Steel* A hard living rock star and a guarded yoga instructor are the last thing either expected but opposites have a way of attracting Fresh off a reunion with his former bandmate Rick Riff Rotten is battling his demons while Sidra refuses to fall for another musician As he rediscovers his faith and she confronts her past their connection grows undeniable But when a crisis shakes their fragile bond they'll have to decide if they're stronger together or better off apart 4 *More Than Merry* Not all gifts come wrapped in ribbon Come spend Christmas in New York City with your favorite rock star family This feel good holiday read is a short story following the characters in *LOUDER THAN LOVE* If you like heavy metal heroes with hearts of gold this is the series you've been waiting for

Softer Than Steel Jessica Topper,2021-06-15 From the author of *Louder Than Love* comes a story that proves you have to find yourself before you can find love As rock star Riff Rotten Rick Rottenberg has enjoyed all the perks that fame can offer especially now that he's reunited with his former band mate Adrian Digger Graves But despite his success Rick is a mess Still reeling from the death of his wife years ago and terrified his demons will end his career he agrees to seek help for his anxiety The last place he expects to find sanctuary is in a yoga studio especially one that he discovers was a former Jewish synagogue on the Lower East Side of Manhattan Burned by a musician in the past Sidra Sullivan has closed her heart to love So when Rick walks into her yoga studio she wants nothing to do with him until the hard rocker shows an unexpected soft side As Sidra and Rick work through their painful pasts they realize just how strongly opposites can attract Rick begins to reawaken parts of his Jewish faith he thought long buried and Sidra comes to terms with family dynamics out of her control But when a crisis threatens the delicate balance they've forged they'll discover if their connection is strong enough to weather another storm or just too broken to survive

Kalaupapa Place Names John R. K. Clark,2018-04-30 In *Kalaupapa Place Names* John Clark presents a unique history of the leprosy settlement on Molokai based on his meticulous research of more than three hundred Hawaiian language newspaper articles He first assembled an extensive list of familiar and long

forgotten place names associated with the Kalaupapa peninsula and then searched for them in the online repository of Hawaiian language newspapers With translation assistance by Isona Ellinwood and Keao NeSmith he discovered articles that show a community of Hawaiians from every island except uninhabited Kahoolawe Their stories reveal an active community with its members trying to live their lives as normally as possible in the face of a debilitating disease The first section of the book contains newspaper articles arranged under an alphabetical listing of place names The second section organizes the material into chronological segments from before the establishment of the Kalaupapa Settlement to the death of Mother Marianne Cope in 1918 These two sections are followed by a collection of kanikau or lamentations interviews with Kalaupapa residents and a list of Hawaiian language newspapers Introductory paragraphs for groupings of newspaper articles assist the reader in visualizing the physical landscape and understanding the history and significance of a particular location The poetry of the Hawaiian language is evident throughout the translations especially in the kanikau **Nectar**
