Making Jesus Lord Moving Toward Maturity 1:

Moving Towards Maturity Leader's Guide Barry St. Clair, 2001 **Making Jesus Lord** Barry St. Clair, 2001 **Josh McDowell's Youth Ministry Handbook** Zondervan, 2000-10-10 Drawing on the wisdom of insightful leaders around the country Josh McDowell's Youth Ministry Handbook equips youth workers to help kids connect with God and with their parents their peers and a world in need of Christ Featuring articles from Dawson McAllister Barry St Clair Jim Burns Tony Campolo Al Menconi John Maxwell George Barna and others this is an invaluable leadership resource with practical useful ideas for today's youth workers **Developing a Dynamic Mission for Your Ministry** Aubrey Malphurs, Many otherwise well trained pastors are often unprepared for actual leadership The author shows how effective leaders must provide needed direction by means of one's mission **Parent Fuel: For the Fire Inside Our Kids** Barry St. Clair, 2007-02-16 Most parents ask How do I help my kids turn out right This book suggests a better question How do I help my kids love Jesus more **Making Disciples in the Congregation** Paul Versluis, 2018-09-07 **The Shape of Practical Theology** Ray S. Anderson, 2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is *The Shape of Practical Theology* a new and renewing foundation for engaging in Christian ministry Anderson lays out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies *The Shape of Practical Theology* is aimed at seminary students at Christian educators and at working pastors and counselors Anderson's work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry *Toward a Twenty-First Century Biblical, Apostolic Church* SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4:11-13 as well as C Peter Wagner's conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner's concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership

and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church **Transforming**

Spirituality F. LeRon Shults, Steven J. Sandage, 2006-06 Explores the concept of spiritual transformation through the lenses of theology and psychology **Serving One Another** Stephen P. Ansley, 2022-08-01 God wants His people to know the gifts

Commentaries: Colossians David M. Hay,2011-09-01 The short letter to the Colossians has played a significant role in the development of Christian thought Its emphases on salvation as largely realized here and now on knowledge in relation to faith on Christ as the head of the church on the entire cosmos and all humanity as the objects of God s work of redemption through him and on Paul s authority all these point in the direction of church theology at the end of the apostolic period Christian notions of ethical responsibility between asceticism and worldliness as well as the subordination of wives to husbands and slaves to masters were influenced by the household table of Colossians 3 18 4 1 In the fourth century Colossians Christological claims surfaced on opposite sides of the Arian controversy which dealt with the status of the Son of God in relation to the Father Creator and the created order In the nineteenth and twentieth centuries Colossians attracted special attention as theologians and ordinary believers have wrestled with new questions about science and religious pluralism *Experiencing God Together* Tony Evans,2020-02-11 Learn to Love Well When You Give Love Away Jesus has empowered you to be His hands and feet to others And you don t have to go far to be Him to others You can share His life and love in powerful ways with the people you meet every day In *Experiencing God Together* Dr Tony Evans demonstrates how you can be a channel of God s blessings to others Whether you are learning to love the people around you providing hospitality for strangers or offering forgiveness to those who harm you Scripture offers guidance for how you can show God s love for others as you live in community When you give God s love away to others through tangible acts you will experience His presence in new and meaningful ways **Finding Freedom and Grace in a Broken World** Thomas M.

Stallter,2024-02-09 We have been brought up to see things in a particular way to interpret our experience and respond to events people and even to God in cultural and personal ways This has given us a frame of reference that undergirds all else we know trust and love in life as well as all we question distrust and hate But this foundation is not without its cracks We live in a broken world and it has influenced us more than we know Various Christians give us advice but we often find ourselves stuck in the emotional pain of past experiences We may not realize how much it controls our thinking and we wonder why we are unable to experience the freedom and peace Jesus talks about But things are not always what they seem we need to see them as they are not as other influences have shaped them It is time we let God speak for himself on the matter This book turns our minds to trust and freedom in our walk with God It leads us to know God s grace providence and purposes in a way that changes our lives and experiences in this broken world from this day on
