The Making of Masculinities (Routledge Revivals) Harry Brod, 2015-02-09 This book first published in 1987 is both simple in conception and ambitious in intention It aims at legitimating the new interdisciplinary field of men s studies as one of the most significant and challenging intellectual and curricular developments in academia The fourteen essays included here are drawn from such diverse disciplines as men s studies philosophy psychology sociology history anthropology Black studies biology English literature and gay studies

The Making of Masculinities Harry Brod, 1987-01-01 **Configuring Masculinity in Theory and Literary Practice**, 2015-05-26 Configuring Masculinity in Theory and Literary Practice combines a critical survey of the most important concepts in Masculinity Studies with a historical overview of how masculinity has been constructed within British Literature and a special focus on developments in the 20th and 21st centuries **Redefining Fatherhood** Nancy E. Dowd, 2000 Down law U of Florida offers a progressive discussion of the economic social and legal aspects of fathering making a case for greater emphasis on the social nurturing behavior involved in parenting to redefine the role men play in the lives of their children She also explores the barriers to such redefinition including concepts of masculinity the interconnections between fathers and mothers male violence and homophobia Annotation copyrighted by Book News Inc Portland OR *The Oxford Handbook of Gender, Sex, and Crime* Rosemary Gartner, Bill McCarthy, 2014-05-14 Research on gender sex and crime today remains focused on topics that have been a mainstay of the field for several decades but it has also recently expanded to include studies from a variety of disciplines a growing number of countries and on a wider range of crimes The Oxford Handbook of Gender Sex and Crime reflects this growing diversity and provides authoritative overviews of current research and theory on how gender and sex shape crime and criminal justice responses to it The editors Rosemary Gartner and Bill McCarthy have assembled a diverse cast of criminologists historians legal scholars psychologists and sociologists from a number of countries to discuss key concepts and debates central to the field The Handbook includes examinations of the historical and contemporary patterns of women s and men s involvement in crime as well as biological psychological and social science perspectives on gender sex and criminal activity Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime An important theme throughout The Handbook is the intersection of sex and gender with ethnicity class age peer groups and community as influences on crime and justice Individual chapters investigate both conventional topics such as domestic abuse and sexual violence and topics that have only recently drawn the attention

of scholars such as human trafficking honor killing gender violence during war state rape and genocide The Oxford Handbook of Gender Sex and Crime offers an unparalleled and comprehensive view of the connections among gender sex and crime in the United States and in many other countries Its insights illuminate both traditional areas of study in the field and pathways for developing cutting edge research questions **Queering the Subversive Stitch** Joseph

McBrinn,2021-04-08 The history of men s needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men s needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men s needlework as well as visual representations of the male needleworker in museum collections from artist s papers and archives in forgotten magazines and specialist publications popular novels and children s literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history **Gender and Justice** Ngaire Naffine,2017-07-05 The leading articles on gender and justice within Anglo American

legal theory are assembled in this volume The essays are drawn primarily from the writings of lawyers working in the common law tradition and they mainly examine the justice of legal institutions Due to the close kinship between political and legal theories of justice the book also includes a selection of the work of the more prominent political theorists of justice and gender **The Routledge International Handbook of Positioning Theory** Mary B. McVee,Luk Van Langenhove,Cynthia H. Brock,Bo Allesøe Christensen,2024-06-01 This handbook is the first of its kind to explore Positioning Theory Taking inspiration from the groundwork set by Rom Harr and collaborators such as Bronwyn Davies Fathali Moghaddam Luk Van Langenhove and others the book explores the emergence historical context and disciplinary applications of Positioning Theory and its basic precepts as a social psychological theory This volume encompasses over 20 chapters across four sections assimilating cross disciplinary insights that try to understand the theoretical underpinnings methodological applications and contemporary relevance of Positioning Theory Part 1 explores the movement of scholarly figures and their numerous works on the subject It discusses the foundational origins and the historical contexts of the existing theories on positioning and new directions for scholarship Part 2 examines the methodological and narrative investigations used for data

analysis in positioning research navigating through the epistemological orientations and theoretical landscapes of Positioning Theory Part 3 explores numerous applications across disciplines to consider the reach and influence of positioning within and across multiple disciplines Lastly the authors contemplate the future directions for Positioning Theory Featuring researchers from leading research institutions from across the globe the book is important reading for scholars interested in positioning and Positioning Theory We recommend this handbook for graduate level courses in social psychology communication discourse studies and related disciplines *Hyper Sexual, Hyper Masculine?* Brittany C. Slatton, Kamesha

Spates, 2016-05-13 This book provides critical insights into the many often overlooked challenges and societal issues that face contemporary black men focusing in particular on the ways in which governing societal expectations result in internal and external constraints on black male identity formation sexuality and black masculine expression Presenting new interview and auto ethnographic data and drawing on an array of theoretical approaches methodologies *Hyper Sexual Hyper Masculine* explores the formation of gendered and sexual identity in the lives of black men shedding light on the manner in which these are affected by class and social structure It examines the intersecting oppressions of race gender and class while acknowledging and discussing the extent to which black men's social lives differ as a result of their varying degrees of cumulative disadvantage A wide ranging and empirically grounded exploration of the intersecting roles of race masculinity and sexuality on the lives of black men this volume will appeal to scholars across the social sciences with interests in race and ethnicity gender and sexuality social stratification and intersectionality

Making Of Masculinities The New Mens Studies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Of Masculinities The New Mens Studies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Of Masculinities The New Mens Studies has opened up a world of possibilities. Downloading Making Of Masculinities The New Mens Studies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Of Masculinities The New Mens Studies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Of Masculinities The New Mens Studies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Of Masculinities The New Mens Studies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Of Masculinities The New Mens Studies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Making Of Masculinities The New Mens Studies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
