

THE ENGLISH BIBLE FAMILY TREE

Making Of The English Bible The

Willard Nathan Tobie

Making Of The English Bible The:

The Making of the English Bible Gerald Hammond, 2022-12-06 A renowned Bible scholar examines how the Hebrew text has been interpreted and misinterpreted from the Renaissance to modern times In this wide ranging and authoritative study Gerald Hammond sheds light on how the Bible has evolved over centuries of English language translation His extensive analysis begins in the sixteenth century with William Tyndale s pioneering work This early text is contrasted with the seventeenth century authorized version showing how each in their own ways attempted to bring the meaning and nuance of the Hebrew scripture to English readers Between these towering Renaissance works Hammond examines the two Bibles translated by Miles Coverdale the Geneva Bible the Bishops Bible and the Catholic Bible He also offers incisive criticism of the New English Bible demonstrating that in the pursuit of accessibility above all the newer translations seem to have given up on what should be essential faithful adherence to the source

The Making of the English Bible Samuel McComb, 1909 **A Dictionary of the English Bible and its Origins** Alec Gilmore, 2014-02-04 The Dictionary of the English Bible and Its Origins is designed to increase awareness of the origins of the Bible to introduce readers to the variety of versions and manuscripts that lie behind the familiar English translations to provide in alphabetical order entries on texts versions manuscripts persons places and terminology covering the origins of the Hebrew Bible the New Testament and the English Bible including the most recent translations and generally to facilitate a more intelligent understanding of the Bible among lay people by removing some of the mystique and prejudices associated with it Entries are factual not evaluative and reflect contemporary biblical scholarship Dictionary of the English Bible and Its Origins will prove to be a handy reference tool for anyone with an interest in the Bible

The Making of the English Bible Benson Bobrick, 2001 The King James Bible the most famous English language Bible was the culmination of centuries of work by various translators most notably John Wycliffe in the fifteenth century and William Tyndale in the sixteenth In this enthralling account of the tumultuous politics surrounding the translation of the Bible into vernacular languages Benson Bobrick a professor from Columbia University shows how the achievement of Tyndale and other translators had a permanent influence on the English speaking world As the historian Macaulay wrote of the King James version If everything else in our language should perish it alone would suffice to show the extent of its beauty and power But the King James scholars relied on Wycliffe and particularly Tyndale polishing their translations and giving us phrases that are still part of the English language eat drink and be merry the powers that be the salt of the earth let there be light and the truth shall make you free the spirit is willing but the flesh is weak the root of all evil fight the good fight a thorn in the flesh labour of love the fat of the land the sweat of the brow to cast pearls before swine am I my brother s keeper among them

The English in English Bibles Joseph F. Sheahan, 1881

The English Bible in the Early Modern World Robert Armstrong, Tadhg Ó Hannracháin, 2018-05-01 The English Bible in the Early Modern World addresses the most significant book available in the English language in the centuries after the

Reformation and investigates its impact on popular religion and reading practices and on theology religious controversy and intellectual history between 1530 and 1700 Individual chapters discuss the responses of both clergy and laity to the sacred text with particular emphasis on the range of settings in which the Bible was encountered and the variety of responses prompted by engagement with the Scriptures Particular attention is given to debates around the text and interpretation of the Bible to an emerging Protestant understanding of Scripture and to challenges it faced over the course of the sixteenth and seventeenth centuries A History of the English Bible as Literature David Norton,2000-05-29 Revised and condensed from David Norton s acclaimed A History of the Bible as Literature this book first published in 2000 tells the story of English literary attitudes to the Bible At first jeered at and mocked as English writing then denigrated as having all the disadvantages of an old prose translation the King James Bible somehow became unsurpassed in the entire range of literature How so startling a change happened and how it affected the making of modern translations such as the Revised Version and the New English Bible is at the heart of this exploration of a vast range of religious literary and cultural ideas Translators writers such as Donne Milton Bunyan and the Romantics reactionary Bishops and radical students all help to show the changes in religious ideas and in standards of language and literature that created our sense of the most important book in English

The Part of Rheims in the Making of the English Bible James George Carleton,1902 The History of the English Bible John Brown,1912 **Our English Bible** Willard Nathan Tobie,1905
