Marriage Ed Buckner, Kay Buckner, 2010-09-30 Enduring the Seasons of Marriage is all about how to have a long lasting and fulfilling marriage Writing in a folksy and conversational style the authors make a comparison of farming and marriage They relate the farmer's response to the demands and changes of each season in nature for an optimum crop to that of the married couple's reaction to the difficulties and necessary adjustments to each season of marriage for a successful relationship Using illustrations from their own experiences of fifty plus years of marriage they offer suggestions for dealing with those situations that can cause stress in a marriage Then in a clever and interesting approach they accentuate the fact that a marriage based on God's design brings the most desirable marriage relationship Enduring the Seasons of Marriage written by Ed and Kay Buckner is a refreshing and heart stirring reminder of God's great gift This amazing couple not only hit the mark in print they have lived by the lessons they are now sharing with others Every married couple and those planning for marriage would add value and depth to their relationship as a result of reading this wonderful book Enjoy the journey Dr Danny Siquefield Pastor Faith Baptist Church Bartlett TN and recent past President of the Tennessee Baptist Convention Enduring the Seasons of Marriage brings to reality what Solomon wrote in Ecclesiastes 3:1 For everything there is a season It describes how we can meet the challenges of marriage and enjoy the fruit of marriage no matter where we are in the journey The analogy between the seasons of life represents a clear understanding of how God designed marriage relationships for every stage of life and how we should live in them to the fullest to God's glory Dr David Uth Senior Pastor First Baptist Church Orlando FL

As for Me and My House Roy Thomas Sublette,2022-01-12 One of the greatest surprises of my life was to be chosen of our Lord to proclaim the good news of Jesus to a world that dearly needed to hear such a message While growing up in Montgomery Alabama such a life s career was the furthest thing from my mind But after over seventy years as a Methodist minister I have never doubted the reality of that calling It was early in my ministry that God also indicated that sometime during time that He wanted me to not only to preach but also to do some writing for Him He even supplied for me the title of a book that I was to write *As for Me and My House* And so that title has been resounding in my mind for most of the seventy plus years that I have been a Methodist minister However even though our Lord supplied the title until now He did not supply the time And yet the further I have progressed in ministry the more I have become convinced that the basic unit of our society is the American family Further the longer that I have lived the more I have come to realize that the strength of our society is measured by the strength of that family unit This book therefore is an attempt to draw upon several areas of experience faith family and friends to call our nation back to the roots upon which I believe it was founded the Christian faith of our forefathers It is what I believe will enable our nation to survive during the years that lie ahead
